23-24 Attendance Awareness Toolkit

SEPTEMBER IS ATTENDANCE AWARENESS MONTH! Consider a challenge with which you can get engaged and make a difference. Strive for 95% attendance with your class to reach a goal of about 1,000 fewer absences with your class. Continued efforts will be further supported. Research shows that students in the first month of school can predict chronic absences throughout the year and take steps for managing their goal attendance. Click and go for tips and resources.

AUGUST

Consider your school calendar for August. (Please, do not delete this month as it is a key month for the SCUSD.)

SEPTEMBER

Consider your school calendar for September. (Please, do not delete this month as it is a key month for the SCUSD.)

STRIVE FOR 95% Attendance Challenge for a Successful Beginning of Year in School Attendance

Strive for 95% attendance campaign is an attendance and engagement intervention that focuses on challenging students to attend school every day in the first weeks of the academic year.
