**MASTER CONTRACT
GENERAL AGREEMENT FOR NONSECTARIAN,
NONPUBLIC SCHOOL/AGENCY SERVICES
2022-2023**

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or “Contract”) is entered into on July 1, 2022, between Sacramento City Unified School District, hereinafter referred to as the local educational agency (“LEA”) and Professional Tutors of America, Inc. (nonpublic, nonsectarian school [NPS] or nonpublic, nonsectarian agency [NPA]), hereinafter referred to as “NPS/A” or “CONTRACTOR,” for the purpose of providing special education and/or related services to LEA students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). Sacramento City Unified School District is the only LEA in Sacramento City Unified School District SELPA (hereinafter referred to as “SELPA”). It is understood that this Contract does not commit LEA to pay for special education and/or related services provided to any LEA student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a LEA student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as “ISA”), and a Nonpublic Services Student Enrollment form. CONTRACTOR shall work with LEA to complete and return these forms to LEA prior to initiating any services for any student, unless otherwise agreed by LEA and CONTRACTOR. These forms shall acknowledge CONTRACTOR’s obligation to provide all relevant services specified in the LEA student’s Individualized Education Program (hereinafter referred to as “IEP”). LEA and CONTRACTOR shall enter into an ISA for each LEA student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement and/or services is ordered pursuant to an Office of Administrative Hearings (hereinafter referred to as “OAH”) order, a lawfully executed agreement between LEA and Parent, or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement and/or NPS/A services is appropriate, and the IEP is signed by the Parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as “CDE”) as a NPS/A. All NPS/A placements and services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code,

section 56366 *et seq* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Contract is executed by CONTRACTOR. This Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of the State of California shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. § 1400 *et seq.*).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the State of California, or other public agency having delegated authority by contract with the State of California to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of the State of California, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Contract by the LEA. Any suspension or revocation of CONTRACTOR's CDE certification shall also be good cause for the immediate suspension or termination of this Contract by LEA, at LEA's discretion.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, State of California, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA and SELPA policies, regulations, and procedures (collectively referred to as "LEA Procedures") unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA Procedures and shall indemnify LEA under the provisions of Section 16 of this Contract for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA Procedures (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to CDE any violations of the provisions of this Contract; and that this may result in the suspension and/or revocation of CDE NPA/S certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Contract shall be from July 1, 2022 to June 30, 2023, unless otherwise stated. (California Code of Regulations, tit. 5, § 3062(a).) Neither CONTRACTOR nor LEA is required to renew this Contract

in subsequent contract years. The parties acknowledge that any subsequent Contract is to be re-negotiated prior to June 30, 2023. In the event the contract negotiations are not agreed to by June 30th, the most recently executed Contract will remain in effect for 90 days. (California Code of Regulations, tit. 5, § 3062(d).) No Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Contract to CONTRACTOR is at the sole discretion of LEA.

The provisions of this Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Contract incorporates LEA Procedures herein by this reference. Each ISA is also incorporated herein by this reference. This Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, LEA may modify LEA Procedures from time to time without the consent of CONTRACTOR

CONTRACTOR shall provide LEA with information as requested in writing to secure a Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation, and CDE certification. LEA may require additional information as applicable. If the application packet is not completed and returned to LEA, no Contract will be issued. If CONTRACTOR does not return the Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Contract is received by LEA and will not be retroactive to the first day of the new Contract's effective date. If CONTRACTOR fails to execute the new Contract within such ninety-day period, all payments shall cease until such time as the new Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code §56366(c)(1) and (2)). In the event that this Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized LEA students at the discretion of LEA.

6. INDIVIDUAL SERVICES AGREEMENT ("ISA")

This Contract shall include an ISA developed for each LEA student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for LEA students enrolled with the approval of LEA pursuant to Education Code section 56366(a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Contract in effect. In the event that this Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program/services provided under this Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the Parent and LEA. At any time during the term of this Contract, a Parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Contract, CONTRACTOR shall provide all services specified in the IEP unless CONTRACTOR and LEA agree otherwise in the ISA. (California Education Code §56366(a)(5) and

California Code of Regulations, tit. 5, § 3062(e).) In the event CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, CONTRACTOR shall notify LEA in writing within five (5) business days of the last date a service was provided. If a Parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of the State of California and federal law unless the Parent and LEA voluntarily agree otherwise, or an Interim Alternative Educational Setting (“IAES”) is deemed lawful and appropriate by LEA or OAH consistent with Title 20 of the United States Codes Sections 1415(k)(1)(G), 1415(k)(2), and 1415(k)(3)(B)(ii)(II). CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

For purposes of NPS placement, the cause shall not be the availability of a public class initiated during the period of the Contract unless the Parent agrees to the transfer of the LEA student to the public school program at an IEP team meeting. To terminate the Contract or ISA, either party shall give no less than twenty (20) days prior written notice to the other party. (California Education Code §56366(a)(4).) 16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors (“LEA Indemnities”) harmless against all liability, loss, damage and expense (including reasonable attorneys’ fees) resulting from or arising out of this Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it

(excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to CONTRACTOR. LEA shall have the right in its sole discretion to select counsel of its choice to provide the defense at the sole cost of CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors (“CONTRACTOR Indemnities”) harmless against all liability, loss, damage and expense (including reasonable attorneys’ fees) resulting from or arising out of this Contract or its performance thereof, to the extent that such loss, expense, damage or liability was proximately caused by the negligent or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers LEA employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA’s indemnification obligations under this Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the Parties or any affiliates of the Parties, or between LEA and any individual assigned by CONTRACTOR to perform any services for LEA.

If LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by LEA as a result of that determination.

18. SUBCONTRACTING

CONTRACTOR shall not enter into any subcontracting relationship without first obtaining final written approval of LEA. Should CONTRACTOR wish to subcontract for special education and/or related services pursuant to this Contract, it must provide written notification to LEA before any subcontracting arrangement is made. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR’s original notice and CONTRACTOR shall not subcontract for said service(s).

Should LEA approve in concept of CONTRACTOR subcontracting for services, CONTRACTOR shall submit the proposed subcontract to LEA for approval. CONTRACTOR shall incorporate all of the provisions of this Contract in all subcontracts, to the fullest extent possible. Furthermore, when CONTRACTOR is developing subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any LEA student, CONTRACTOR shall cause each subcontractor to procure and maintain indemnification and insurance requirements which comply with the provisions of Sections 15 and 16 of this Contract during the term of each subcontract. If a proposed subcontract is approved by LEA, each subcontractor shall furnish LEA with original endorsements and certificates of insurance effecting coverage required by Section 15 of this Contract. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. Unless otherwise agreed to by LEA, the endorsements are to be on forms provided by LEA. All endorsements are to be received and approved by LEA before the subcontractor’s work commences.

The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insureds.

As an alternative to LEA's forms, a subcontractor's insurer may provide, with prior LEA approval, complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Contract. All Certificates of Insurance must reference the LEA contract number, name of the NPS/A submitting the certificate, designation of NPS or NPA, and the location of the NPS/A submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 (Clearance Requirements) and Section 46 (Staff Qualifications) of this Contract. No subcontract shall be considered final without LEA approval.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education Code section 56042, an attorney or advocate for a Parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for an LEA student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the LEA student without prior written authorization by LEA. This section shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the LEA student is enrolled in CONTRACTOR's NPS/A) or whether an assessment of the LEA student is performed or a report is prepared in the normal course of the services provided to the LEA student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the LEA student for whom the IEE is requested. Likewise, LEA may not fund services through the evaluator whose IEE LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPA, CONTRACTOR acknowledges that its authorized representative has read and understands California Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who is or was an employee of LEA within the three hundred sixty-five (365) days prior to executing this Contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request Parent(s) to pursue funding for the admitted school year from LEA through due process proceedings. Such action shall constitute good cause for termination of this Contract.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age,

marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information, medical condition, military or veteran status, or any other classification protected by federal or State law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics. (Gov. Code § 12940 *et seq.*)

CONTRACTOR shall provide special education and/or related services (including transition services) to each LEA student within the NPS/A consistent with the student's IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept an LEA student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If an LEA student's services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA, in writing, if provision of services cease.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities, as specified in the LEA student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of an LEA student's enrollment under the terms of this Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in an LEA student's IEP and ISA. Such equipment remains the property of the LEA and shall be returned to the LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the NPS. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations.

CONTRACTOR may charge an LEA student's Parent(s) for services and/or activities not necessary for the student to receive a FAPE after: (a) written notification to the LEA student's Parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by LEA of the written notification and a written acknowledgment signed by the LEA student's Parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning Parent acknowledgment of financial responsibility. Voluntary services and/or activities not necessary for the student to receive a FAPE shall not interfere with the LEA student's receipt of special education and/or related services as specified in the LEA student's IEP and ISA unless the LEA, CONTRACTOR, and Parent agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All NPS/A services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.*

When appropriate, CONTRACTOR shall utilize the designated curriculum guidelines for students with moderate to severe disabilities who participate in the State's alternative assessment. These students shall have access to the core content, activities, and instructional materials delineated within these curriculum guidelines. CONTRACTOR'S general program of instruction shall be described in writing and a copy provided to LEA prior to the effective date of this Contract.

When CONTRACTOR serves students in grades 9 through 12 inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to students who have not successfully completed all of LEA's graduation requirements.

When CONTRACTOR is a NPA and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and be consistent with LEA and CDE guidelines and certifications, and shall be provided as specified in the student's IEP and ISA. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Contract. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. (Cal. Code Regs., tit. 5, § 3051.23; Ed. Code § 56366.10(e).) It is understood that Behavior Intervention Services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a NPA, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a NPS, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to LEA students at like grade level attending LEA schools and shall be specified in the student's ISA developed in accordance with the student's IEP.

Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a NPS CONTRACTOR is unable to fill a vacant teaching position responsible for direct instruction to LEA students, and the vacancy has a direct impact on the CDE Certification of that school, CONTRACTOR shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. CONTRACTOR and LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA CONTRACTOR.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 *et seq.*

25. CALENDARS

When CONTRACTOR is a NPS:

CONTRACTOR shall submit to LEA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by LEA) for each LEA student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of LEA. Nothing in this Contract shall be interpreted to require LEA to accept any requests for calendar changes. In the event LEA adjusts the number of school days for its regular school year and/or extended school year, the approved number of days shall become the total billable days for CONTRACTOR. In such a case, an amended calendar shall be provided by CONTRACTOR for LEA approval.

Unless otherwise specified by the LEA student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services as determined by the student's IEP team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the student's IEP team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to by LEA and CONTRACTOR, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any NPS service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. As of the execution of this Contract, those holidays are: Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Jr. Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, and Independence Day. With the prior written approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by LEA.

When CONTRACTOR is a NPA:

CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on LEA calendar unless CONTRACTOR and LEA agree otherwise in writing before delivery of any NPA services. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by LEA, in writing, in advance of the delivery of any NPA service provided by CONTRACTOR. Any services provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR. In the event of school closures due to emergency, payment will follow the procedures in accordance with Section 62 of this Contract.

26. DATA REPORTING

CONTRACTOR shall agree to provide to LEA all data related to LEA student information and billing information. CONTRACTOR shall provide data related to all sections of this Contract, including student discipline as noted below, when requested by LEA and in the format required by LEA. It is understood that CONTRACTOR shall utilize LEA-approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to in writing by LEA. Additional progress reporting may be required by the LEA. LEA shall provide CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access so that this information may be compiled.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes sections 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915. (Ed. Code § 49006.)

LEA shall provide CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing (see Exhibit D), attendance reports (see Exhibit E) and progress reports. LEA may approve use of CONTRACTOR-provided forms at its discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA Procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration

of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, the English Language Proficiency Assessments for California ("ELPAC"), and Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the LEA student, and mandated by LEA pursuant to LEA, State of California, and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend LEA-mandated meetings when legal mandates and/or LEA Procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, standardized testing, and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code sections 49005, *et seq.*, 56521.1, and 56521.2 regarding positive behavior interventions and supports. Failure to do so shall constitute sufficient good cause for termination of this Contract. CONTRACTOR shall ensure that CONTRACTOR utilizes a multi-tier system of support ("MTSS") to address student needs. CONTRACTOR shall also ensure that all staff are trained on the use of positive behavior interventions and supports consistent with this Contract.

LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the State and federal law and implementing regulations. If the IEP team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and Behavioral Emergency Reports ("BERs"). CONTRACTOR shall affirmatively inform each of its employees about the policy, provide each employee a copy thereof, and

provide training to all employees regarding the policy. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. Training shall include certification by an approved LEA crisis intervention program. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the schoolday, and annually to all staff who have any contact or interaction with pupils during the schoolday. (Ed. Code 56366.10(f).) CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain accurate written records documenting all training completed by all of CONTRACTOR's employees. Evidence of all trainings shall be submitted to LEA at least annually at the beginning of the school year, and within five (5) business days of completion of training or any new hire or upon LEA request.

Pursuant to California Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the LEA student or others and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency. Consistent with Section 44 of this Contract, LEA may observe and/or audit CONTRACTOR's implementation of BIPs, staff use of behavior interventions, including emergency interventions, at any time, and without prior notice.

To prevent emergency interventions from being used in lieu of planned, systemic behavioral interventions, the use of emergency interventions, CONTRACTOR shall immediately complete a BER when an emergency intervention is used on an LEA student. The use of Personal Safety Techniques (which may or may not have been used) does not determine whether a BER is required. Each BER completed by CONTRACTOR shall be maintained in the file of the LEA student and submitted to LEA within twenty-four (24) hours for administrative action. Each BER shall include all of the following: (1) the name and age of the LEA student; (2) the setting and location of the incident; (3) the name of the staff or other persons involved; (4) a description of the incident and the emergency intervention used, and whether the LEA student is currently engaged in any systematic behavioral intervention plan; and (5) details of any injuries sustained by an LEA student or others, including staff, as a result of the incident.

If an emergency intervention is used, CONTRACTOR shall notify LEA, the student's Parent, and residential care provider, if appropriate, within twenty-four (24) hours via telephone. In addition, and consistent with the requirements of California Education Code section 56521.1(g), if a BER is written regarding an LEA student who does not have a BIP, the designated responsible LEA administrator shall, within two days, coordinate with CONTRACTOR to schedule an IEP team meeting to review the BER, to determine the necessity for a functional behavioral assessment ("FBA"), and to determine the necessity for an interim plan. If assessment is not proposed and/or if the IEP team determines that an interim plan is determined not to be necessary, the IEP team shall document the reasons for not conducting a FBA, not developing an interim plan, or both. If a BER is written regarding an LEA student who has a BIP, the behavior emergency involves a previously unseen serious behavior problem, or where a previously designed behavior intervention is ineffective, the designated responsible LEA administrator shall, within two days, coordinate with CONTRACTOR to schedule an IEP team meeting to review and determine if the incident constitutes a need to modify the student's BIP.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock; (2) an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual; (3) an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities; (4) an intervention that is designed

to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma; (5) restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention; (6) locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room; (7) An intervention that precludes adequate supervision of the individual; or (8) an intervention that deprives the individual of one or more of his or her senses.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. CONTRACTOR shall immediately notify LEA via telephone of any severe or increasingly frequent behavior problem, any emergency intervention in response to a previously unseen serious behavior problem, or where a previously designed behavior intervention is ineffective, that may require an IEP team meeting.

CONTRACTOR shall review and revise all restraint practices when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's Parent when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above. LEA may require a review of CONTRACTOR's restraint practices at any time, including but not limited to, in response to an emergency intervention report via telephone, in response to observations or audit by LEA staff, in response to a Parent's concern, or in response to BERs forwarded to LEA for administrative action.

BEHAVIOR INTERVENTION REPORTING: Twice annually, CONTRACTOR shall certify to LEA that (a) CONTRACTOR has reviewed the BERs for each LEA student in conjunction with that student's IEP and BIP; (b) Staff are trained to implement each LEA student's BIP, including approved or prohibited restraint techniques for each student; (c) emergency interventions have only been used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to LEA students or others and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior; and (d) BERs have been properly completed and timely forwarded to LEA as required by this Contract.

Failure to comply with any of the requirements of Section 30: Positive Behavior Interventions and Supports shall constitute sufficient good cause for immediate termination of this Contract.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with State of California and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915. (Ed. Code § 49006.)

When CONTRACTOR seeks to remove a LEA student from the student's current educational placement for disciplinary reasons, CONTRACTOR shall immediately (within 24 hours) submit a written discipline report to LEA. Written discipline reports shall include, but not be limited to: the student's name, grade, race, ethnicity, and gender; the time, date, and description of the misconduct; the disciplinary action taken by

CONTRACTOR; and the rationale for such disciplinary action. A copy of the LEA student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day after the decision is made to suspend the student for more than ten (10) school days or recommend expulsion of the student. LEA shall notify and invite CONTRACTOR representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each LEA student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the LEA student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the LEA student may be transitioned to a public school setting. (California Education Code sections 56366(a)(2)(B)(i) and (ii) and California Education Code section 56345(b)(4).)

If an LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each LEA student shall be allowed to provide confidential input to any representative of the student's IEP team. Except as otherwise provided in the Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding LEA students for whom ISAs have been or may be executed. At any time during the term of this Contract, the Parent, CONTRACTOR, or LEA may request a review of the LEA student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, CONTRACTOR, LEA, and Parent in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to CONTRACTOR, LEA, and Parent. CONTRACTOR shall provide to LEA, at no cost and prior to an annual or triennial IEP team meeting, documentation regarding the student's progress on goals and any and all assessments and written assessment reports (including testing protocols) created by CONTRACTOR and any of its agents or subcontractors, upon request and/or pursuant to LEA Procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Contract.

It is understood that CONTRACTOR shall utilize the LEA approved electronic IEP system for all IEP planning and progress reporting at LEA's discretion. LEA may provide training for any CONTRACTOR to ensure access to the approved system. CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a LEA student dis-enrolls from the NPS/A, the CONTRACTOR shall discontinue use of the approved system for that student.

Changes in any LEA student's educational program, including instruction, services, or instructional setting provided under this Contract, may only be made on the basis of revisions to the student's IEP. In the event that CONTRACTOR believes a LEA student requires a change of placement, CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. A LEA student is entitled to remain in the last agreed upon and implemented placement unless Parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415(k)(4) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with LEA surrogate parent assignments. Surrogate parents shall serve as the child's Parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to 20 U.S.C. sections [1414-1482](#) and 34 C.F.R. sections [300.1-](#)

300.756. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). LEA shall annually notify CONTRACTOR who LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by LEA any time after the completion of the student's second year of high school, CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation includes CONTRACTOR's staff being made available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other State and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/ISA.

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to Parent complaints. These procedures shall include annually notifying and providing Parents of LEA students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960(a); (3) Sexual Harassment Policy, California Education Code section 231.5; (4) Title IX Student Grievance Procedure pursuant to Title 34 of the Code of Federal Regulations sections 106.8 and 106.9; (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"), 45 C.F.R. § 164.520; and (6) Notification and Complaint Procedures for Disability Access, pursuant to 42 U.S.C. §§ 12101 *et seq.* CONTRACTOR shall include verification of these procedures to LEA. CONTRACTOR shall immediately (within 24 hours) notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. LEA STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to Parents, with a concurrent copy sent to LEA, at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at CONTRACTOR's place of business.

CONTRACTOR shall also provide LEA representatives access to supporting documentation used to determine progress on any goal or objective, transition plans, and behavior intervention plans, including but not limited to log sheets, chart notes, observation notes, data sheets, pre-/post-tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. LEA may request such data at any time within five (5) years of the date of service. CONTRACTOR shall maintain such information for at least five (5) years and shall provide this data supporting progress to LEA within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the LEA student at least ten (10) days prior to the student's IEP team meeting for the purpose of reporting the LEA student's present levels of

performance at the IEP team meeting as required by State and federal laws and regulations and pursuant to LEA Procedures, and/or LEA practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team at least five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation, such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting, and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by LEA unless LEA specifies in writing a request that CONTRACTOR perform such assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by LEA at LEA's sole discretion.

It is understood that all billable hours must be in direct services to LEA students as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge a LEA student's Parent(s) or LEA for the provision of progress reports, report cards, and/or any evaluations conducted in order to obtain present levels of performance, interviews, and/or attendance at any meetings. It is understood that all billable hours are limited to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the student's record and shall be made available to LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR shall prepare transcripts at the close of each semester, or upon LEA student transfer, for LEA students in grades nine (9) through twelve (12) inclusive, and submit such transcripts on LEA-approved forms to the LEA student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to LEA, the names of LEA students and their schools of residence for whom transcripts have been submitted as specified by LEA. All transcripts shall be maintained by CONTRACTOR and furnished to LEA upon request, consistent with the parameters of Sections 9 and 26 of this Contract.

38. LEA STUDENT CHANGE OF RESIDENCE

Upon enrollment, CONTRACTOR shall notify Parents in writing of their obligation to notify CONTRACTOR of an LEA student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to Parents. Within five (5) school days from the date CONTRACTOR becomes aware of a LEA student's change of residence, CONTRACTOR shall notify LEA in writing of the LEA student's change of residence as specified in LEA Procedures.

If CONTRACTOR had knowledge or should reasonably have had knowledge of an LEA student's change of residence and CONTRACTOR fails to follow the procedures specified in this section, LEA shall not be responsible for the costs of services delivered following the LEA student's change of residence.

39. WITHDRAWAL OF LEA STUDENT FROM NPS/A

CONTRACTOR shall immediately report to LEA via telephone (within 24 hours) and in writing to LEA within five (5) business days when a LEA student is withdrawn from school and/or services without prior notice. This includes but is not limited to a LEA student's change of residence to a residence outside of LEA boundaries, and LEA student's discharge against professional advice from a NPS and/or residential treatment center ("RTC"). CONTRACTOR shall assist LEA to verify potential dropouts three (3) times per year.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to LEA students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a Parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that Parents obtain prior written authorization for therapeutic visits from CONTRACTOR and LEA at least thirty (30) days in advance. CONTRACTOR shall facilitate all Parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through LEA consistent with LEA Procedures.

CONTRACTOR shall notify LEA in writing immediately (within 24 hours) of all problems and/or concerns reported to parents, both verbal and written.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code sections 48853, 56155 *et seq.*, 56366(a)(2)(C), 56366.9, Health and Safety Code section 1501.1(b), AB 1858 (2004), AB 490 (Chapter 862, Statutes of 2003), AB 1261 (2005), AB 1166 Chapter 171 (2015), AB 167 Chapter 224 (2010), AB 216 Chapter 324 (2013), AB 379 Chapter 772 (2015), AB 1012 Chapter 703 (2015), and as set forth in the LEA Procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1412(a)(1)(A) and Education Code section 56000 *et seq.*; amended and reorganized by the Individuals with Disabilities Education Improvement Act of 2004 (IDEIA), 20 U.S.C. section 1401(29); Education Code section 56031; Cal. Code Regs., Title 5, section 3001 *et seq.*, regarding the provision of counseling services, including residential care for students to receive a FAPE as set forth in the LEA student's IEPs. CONTRACTOR shall meet all monitoring requirements as noted in Section 43 below.

If CONTRACTOR is a NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. CONTRACTOR shall also provide LEA with a copy of the student's current IEP.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and Parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened by LEA for the student, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's Parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of California shall be certified or licensed by that state to provide, respectively,

special education and related services and designated instruction and related services to students under the federal Individuals with Disabilities Education Act (20 U.S.C. § 1400 *et seq.*).

42. STATE MEAL MANDATE

When CONTRACTOR is a NPS, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49530, 49530.5 and 49550.

43. MONITORING

When CONTRACTOR is a NPS, LEA (or SELPA) shall conduct at least one onsite monitoring visit during each school year to the NPS at which LEA has a student attending and with which it maintains a master contract. The monitoring visit shall include, but is not limited to, a review of services provided to the student through the ISA between LEA and the NPS, a review of progress the student is making toward the goals set forth in the student's IEP, a review of progress the student is making toward the goals set forth in the student's BIP, if applicable, an observation of the pupil during instruction, and a walkthrough of the facility. LEA (or SELPA) shall report the findings resulting from the monitoring visit to the California Department of Education within 60 calendar days of the onsite visit.

CONTRACTOR shall also be responsible for any structural changes and/or modifications to CONTRACTOR's facilities as required complying with applicable federal, State, and local laws, regulations, and ordinances. CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this Contract and for a period of five (5) years thereafter. CONTRACTOR shall verify the accuracy of minutes of reported attendance that is the basis of services being billed for payment.

CONTRACTOR shall submit invoices and related documents to LEA for payment, for each calendar month when education or related services were provided. Invoices and related documents shall be properly submitted electronically and in addition, on the LEA form provided in Exhibit D, with signatures in the manner prescribed by LEA. At a minimum, each invoice must contain the following information: type of service provided; month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the IEP or agreed to by the LEA; name of staff who provided the service and the individual's licensing and credentials; approved cost of each invoice; total for each service, subtotal for each type of service and total for the monthly invoice; date invoice was mailed; signature of NPS/A administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up sessions consistent with this Contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and name of each LEA student for whom the service was provided. In the event services were not provided, each invoice shall include the rationale for why the services were not provided.

Such an invoice is subject to all conditions of this Contract. At the discretion of LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted invoices prepared and submitted as specified in California Education Code Section 56366.5. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of LEA, then no limit is set provided that LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this Contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366.5(a); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more LEA students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change of residence to another district, but fails to notify LEA within five (5) days of such confirmation; (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a LEA student; or (i) CONTRACTOR fails to provide the required liability/insurance documentation as outlined in Section 15 of this Contract. It is

understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by LEA until completion of a review or audit, if deemed necessary by LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable LEA student for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the LEA student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the LEA's Authorized Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between LEA and CONTRACTOR concerning the Contract may be appealed to the Sacramento County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c)(2).

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to LEA students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to LEA students. CONTRACTOR shall provide prior written notice of the rights and protections required by

LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in a LEA student's IEP.

LEA shall not be responsible for payment of related services for days on which a student's attendance does not qualify for Average Daily Attendance ("ADA") reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY (NPA) STAFF ABSENCE

When CONTRACTOR is a NPA and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this Contract and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not "bank" or "carry over" make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

- a. If CONTRACTOR is closed during an emergency for the reasons set forth in Education Code section 41422, if LEA is able to obtain alternative placement for the LEA student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR's NPS closure. If LEA is unable to obtain an alternative placement for the LEA student, CONTRACTOR shall receive payment consistent with the signed ISA, as though the student were continuing in regular attendance, until an alternative placement can be found, so long as CONTRACTOR complies with Section 60(d), below.
- b. If both LEA and CONTRACTOR are closed during an emergency for the reasons set forth in Education Code section 41422, on days LEA is funded, CONTRACTOR shall receive payment consistent with the LEA student's ISA, until an alternative placement for the LEA student can be found so long as CONTRACTOR complies with Section 60(d), below. When the emergency school closure is lifted, CONTRACTOR shall notify LEA of any lost instructional minutes for any LEA student. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

61. INSPECTION AND AUDIT

The CONTRACTOR shall maintain and LEA shall have the right to examine and audit all of the books, records, documents, accounting procedures and practices and other evidence that reflect all costs claimed to have been incurred or fees claimed to have been earned under this Contract.

CONTRACTOR shall also make available to LEA all budgetary information including operating budgets submitted by CONTRACTOR to LEA for the relevant contract period being audited.

CONTRACTOR shall make all records available at the office of LEA or CONTRACTOR (to be specified by LEA) at all reasonable times and without charge. CONTRACTOR shall provide all records to LEA within five (5) working days of a written request. CONTRACTOR shall, at no cost to LEA, provide assistance for such examination or audit. CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm. CONTRACTOR shall make such payment to LEA within thirty (30) days of receipt of LEA's written notice demanding payment.

62. RATE SCHEDULE

The attached Rate Schedule (Exhibit A) limits the number of LEA students that may be enrolled and maximum dollar amount of the Contract. It may also limit the maximum number of LEA students that can be provided specific services. Per Diem rates for LEA students whose IEPs authorize less than a full instructional day may be adjusted proportionally. In such cases only, the adjustments in basic education rate shall be based on the required minimum number of minutes per grade level as noted in California Education Code Section 46200-46208.

Special education and/or related services offered by CONTRACTOR shall be provided by qualified personnel as per State and federal law, and the codes and charges for such educational and/or related services during the term of this Contract, shall be as stated in Exhibit A.

It is a collaborative model which includes educational professionals and related service providers, where all supports and services are integrated in the NPS/RTC program. Costs for ERMHS are all inclusive and combined with the daily rate as ERMHS+RB ("ERMHS + Room and Board"). ERMHS plus Room and Board payments are based on positive attendance (payable for up to a maximum of 365 days) only, with up to a maximum of 10 days payment per LEA student, per contract year, when a bed is unoccupied, for home visits of a therapeutic nature. Any NPS or RTC requesting a change in rate for any services provided during a subsequent contract year must make a request in writing to the Sacramento County SELPA Directors, with a copy sent to LEA Director or designee, by January 15th of each calendar year. Increases will only be considered for approval for entities that have received a positive review on the LEA's Quality On-Site NPS Review Rubric.

63. DEBARMENT CERTIFICATION

Said section further authorizes the District to pay from any available funds such compensation to such persons as it deems proper for the services rendered, as set forth in the contract.

D. The Contractor is specially trained, experienced and competent to perform the services required by the District, and such services are needed on a limited basis.

In consideration of the mutual promises contained herein, the parties agree as follows:

ARTICLE 2. TERM.

This Agreement shall commence on February 1, 2023, and continue through January 31, 2024, unless sooner terminated, as set forth in Article 10 of this Agreement, provided all services under this Agreement are performed in a manner that satisfies both the needs and reasonable expectations of the District. The determination of a satisfactory performance shall be in the sole judgment and discretion of the District in light of applicable industry standards, if applicable. The term may be extended by mutual consent of the parties on the same terms and conditions by a mutually executed addendum.

ARTICLE 3. PAYMENT.

District agrees to pay Contractor for services satisfactorily rendered pursuant to this Agreement as follows:

However, District shall not be responsible for nor will it be required to provide personnel to accomplish the duties and obligations of Contractor under this Agreement. Contractor will provide all other necessary equipment and facilities to render the services pursuant to this Agreement.

ARTICLE 5. WORKS FOR HIRE/COPYRIGHT/TRADEMARK/PATENT

The Contractor understands and agrees that all matters specifically produced under this Agreement that contain no intellectual property or other protected works owned by Contractor shall be works for hire and shall become the sole property of the District and cannot be used without the District's express written permission. The District shall have the right, title and interest in said matters, including the right to secure and maintain the copyright, trademark and/or patent of said matter in the name of the District. The Contractor consents to the use of the Contractor's name in conjunction with the sale, use, performance and distribution of the matters, for any purpose in any medium.

As to those matters specifically produced under this Agreement that are composed of intellectual property or other protected works, Contractor must clearly identify to the District those protected elements included in the completed work. The remainder of the intellectual property of such completed works shall be deemed the sole property of the District. The completed works that include both elements of Contractor's protected works and the District's protected works, shall be subject to a mutual non-exclusive license agreement that permits either party to utilize the completed work in a manner consistent with this Agreement including the sale, use, performance and distribution of the matters, for any purpose in any medium.

ARTICLE 6. INDEPENDENT CONTRACTOR.

Contractor's relationship to the District under this Agreement shall be one of an independent contractor. The Contractor and all of their employees shall not be employees or agents of the District and are not entitled to participate in any District pension plans, retirement, health and welfare programs, or any similar programs or benefits, as a result of this Agreement.

The Contractor and their employees or agents rendering services under this agreement shall not be employees of the District for federal or state tax purposes, or for any other purpose. The Contractor acknowledges and agrees that it is the sole responsibility of the Contractor to report as income its compensation from the District and to make the requisite tax filings and payments to the appropriate federal, state, and/or local tax authorities. No part of the Contractor's

compensation shall be subject to withholding by the District for the payment of social security, unemployment, or disability insurance, or any other similar state or federal tax obligation.

The Contractor agrees to defend, indemnify and hold the District harmless from any and all claims, losses, liabilities, or damages arising from any contention by a third party that an employer-employee relationship exists by reason of this Agreement.

The District assumes no liability for workers' compensation or liability for loss, damage or injury to persons or property during or relating to the performance of services under this Agreement.

ARTICLE 7. FINGERPRINTING REQUIREMENTS.

Contractor agrees that any employee it assigns to provide services directly to, or have any contact with, pupil(s) of the District, shall be subject to the fingerprinting/background and TB requirements set forth in the California Education Code. Any employee that Contractor assigns to provide services directly to, or have any contact with, pupil(s) of the District shall have undergone the background check required in §45125(b)&(c), including response by DOJ, before any service or contact with pupil(s) of the District is allowed.

Pursuant to Education Code §45125.1, Contractor shall provide a complete list to the District of all employees cleared by the DOJ who will provide services under this Agreement (or MOU) and shall certify in writing to the District that Contractor has no information that any of its employees who are required to have their fingerprints submitted to the Department of Justice (DOJ), and who may come in contact with pupils, have been convicted of a "violent or serious felony" as defined in §45122.1 or that they have been advised of any such arrest by the DOJ.

Contractor shall continuously monitor through DOJ, and obtain subsequent arrest notification from DOJ, regarding any individual whose fingerprints were submitted pursuant to §45125.1 and who is or will be providing service directly to, or has contact with, pupil(s) of the District. Upon receipt of a subsequent arrest notification from DOJ, Contractor shall, within 24 hours, notify the District of such arrest notification and prohibit the employee from having any further contact with any pupil(s) of the District until such time as the employee's arrest has been determined to not involve a "violent or serious felony" as defined in §45122.1 or the notification has been withdrawn by DOJ. If an employee is disqualified from working for the District pursuant to the requirements of the California Education Code, even if only temporarily, Contractor agrees to provide a replacement employee within 15 days of receiving notification that the previous employee has been disqualified.

Contractor further agrees and certifies that any employee providing services directly to any pupil(s) of the District whether qualifying as a Mandated Reporter as defined by California Penal Code §11165.7(a), or not, shall be provided annual training on child abuse and mandated reporting of child abuse or neglect utilizing an evidence-based training method which includes training on how to recognize conduct of adults which may trigger reasonable suspicion of abuse of children, i.e., "red-flag" or "grooming" behaviors.

ARTICLE 8. VACCINATION REQUIREMENTS

Per Sacramento City Unified School District Board of Education [Resolution No. 3233](#) requirements, Contractor agrees that any employee, agent, or subcontractor it assigns to provide services at District facilities will be fully vaccinated against COVID-19, unless they have filed a valid exemption with Contractor. Individuals with valid exemptions shall undergo regular, routine testing. Certification of compliance with the above requirements must be submitted using the following link prior to providing services at District facilities:

https://app.informedk12.com/link_campaigns/vaccination-certification-for-contracted-services?token=xpungUbbV5yLWiurunPm8CiQ.

Failure to adhere to the terms of this provision is grounds for termination of the agreement.

It is the intention of the Parties, where fault is determined to have been contributory, principles of comparative fault will be followed and each Party shall bear the proportionate cost of any damage attributable to fault of that Party. It is further understood and agreed that such indemnification will survive the termination of this Agreement.

ARTICLE 10. INSURANCE.

Prior to commencement of services and during the life of this Agreement, Contractor shall provide the District with a certificate of insurance reflecting its comprehensive general liability insurance coverage in a sum not less than \$1,000,000 per occurrence naming District as an additional insured. Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory. If insurance is not kept in force during the entire term of the Agreement, District may procure the necessary insurance and pay the premium therefore, and the premium shall be paid by the Contractor to the District.

ARTICLE 11. TERMINATION.

The District may terminate this Agreement without cause upon giving the Contractor thirty days written notice. Notice shall be deemed given when received by Contractor, or no later than three days after the day of mailing, whichever is sooner.

The District may terminate this Agreement with cause upon written notice of intention to terminate for cause. A Termination for Cause shall include: (a) material violation of this Agreement by the Contractor; (b) any act by the Contractor exposing the District to liability to others for personal injury or property damage; or (c) the Contractor confirms its insolvency or is adjudged a bankrupt; Contractor makes a general assignment for the benefit of creditors, or a receiver is appointed on account of the Contractor's insolvency.

Ten (10) calendar days after service of such notice, the condition or violation shall cease, or satisfactory arrangements for the correction thereof be made, or this Agreement shall cease and

terminate. In the event of such termination, the District may secure the required services from another contractor. If the cost to the District exceeds the cost of providing the service pursuant to this Agreement, the excess cost shall be charged to and collected from the Contractor. The foregoing provisions are in addition to and not a limitation of any other rights or remedies available to the District. Written notice by the District shall be deemed given when received by the other party or no later than three days after the day of mailing, whichever is sooner.

ARTICLE 12. ASSIGNMENT.

This Agreement is for personal services to be performed by the Contractor. Neither this Agreement nor any duties or obligations to be performed under this Agreement shall be assigned without the prior written consent of the District, which shall not be unreasonably withheld. In the event of an assignment to which the District has consented, the assignee or his/her or its legal representative shall agree in writing with the District to personally assume, perform, and be bound by the covenants, obligations, and agreements contained in this Agreement.

ARTICLE 13. NOTICES.

Any notices, requests, demand or other communication required or permitted to be given under this Agreement shall be in writing and shall be deemed to have been duly given on the date of service if served personally on the party to whom notice is to be given, or on the third day after mailing if mailed to the party to whom notice is to be given, by first class mail, registered or certified, postage prepaid, or on the day after dispatching by Federal Express or another overnight delivery service, and properly addressed as follows:

ARTICLE 14. ENTIRE AGREEMENT.

This Agreement contains the entire agreement between the parties and supersedes all prior understanding between them with respect to the subject matter of this Agreement. There are no promises, terms, conditions or obligations, oral or written, between or among the parties relating to the subject matter of this Agreement that are not fully expressed in this Agreement. This Agreement may not be modified, changed, supplemented or terminated, nor may any obligations under this Agreement be waived, except by written instrument signed by the party to be otherwise expressly permitted in this Agreement.

ARTICLE 15. CONFLICT OF INTEREST.

The Contractor shall abide by and be subject to all applicable District policies, regulations, statutes or other laws regarding conflict of interest. Contractor shall not hire any officer or employee of the District to perform any service covered by this Agreement. If the work is to be performed in connection with a Federal contract or grant, Contractor shall not hire any employee of the United States government to perform any service covered by this Agreement. In the event of a change in either private interest or services under this Agreement, any question regarding possible conflict of interest which may arise as a result of such change will be brought to the District's attention in writing.

ARTICLE 16. NONDISCRIMINATION.

It is the policy of the District that in connection with all services performed under contract, there will be no discrimination against any prospective or active employee engaged in the work because of race, color, ancestry, national origin, handicap, religious creed, sex, age or marital status. Contractor agrees to comply with applicable federal and California laws including, but not limited to, the California Fair Employment and Housing Act.

ARTICLE 17. SEVERABILITY.

Should any term or provision of this Agreement be determined to be illegal or in conflict with any law of the State of California, the validity of the remaining portions or provisions shall not be affected thereby. Each term or provision of this Agreement shall be valid and be enforced as written to the full extent permitted by law.

ARTICLE 18. RULES AND REGULATIONS.

All rules and regulations of the District's Board of Education and all federal, state and local laws, ordinance and regulations are to be strictly observed by the Contractor pursuant to this Agreement. Any rule, regulation or law required to be contained in this Agreement shall be deemed to be incorporated herein.

ARTICLE 19. APPLICABLE LAW/VENUE.

This Agreement shall be governed by and construed in accordance with the laws of the State of California. If any action is instituted to enforce or interpret this Agreement, venue shall only be in the appropriate state or federal court having venue over matters arising in Sacramento County, California, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

ARTICLE 20. RATIFICATION BY BOARD OF EDUCATION.

To the extent the Agreement exceeds an expenditure above the amount specified in Education Code section 17605, this Agreement, as to any such exceeded amount, is not enforceable and is invalid unless and until the exceeded amount is approved and/or ratified by the governing board of the Sacramento City Unified School District, as evidenced by a motion of said board duly passed and adopted.

EXHIBIT A

CONTRACTOR CERTIFICATION of COMPLIANCE

Fingerprinting: Education Code section 45125.1 provides that any contractor providing school site administrative or similar services to a school district must certify that employees who may come into contact with pupils have not been convicted of a serious or violent felony as defined by law. Those employees must be fingerprinted and the Department of Justice (DOJ) must report to the Contractor if they have been convicted of such felonies. No person convicted may be assigned to work under the contract. Depending on the totality of circumstances including (1) the length of time the employees will be on school grounds, (2) whether pupils will be in proximity of the site where the employees will be working and (3) whether the contractors will be working alone or with others, the District may determine that the employees will have only limited contact with pupils and neither fingerprinting nor certification is required.

The District has determined that section 45125.1 is applicable to this Agreement, and that the employees assigned to work at a school site under this Agreement will have only limited contact with pupils, provided the following conditions are met at all times:

1. Employees shall not come into contact with pupils or work in the proximity of pupils at any time except under the direct supervision of school district employees.
2. Employees shall use only restroom facilities reserved for District employees and shall not use student restrooms at any time.
3. Contractor will inform all employees who perform work at any school or District site of these conditions and require its employees, as a condition of employment, to adhere to them.
4. Contractor will immediately report to District any apparent violation of these conditions.
5. Contractor shall assume responsibility for enforcement of these conditions at all times during the term of this Agreement.

If, for any reason, the Contractor cannot adhere to the conditions stated above, the Contractor shall immediately so inform the District and shall assign only employees who have been fingerprinted and cleared for employment by the Department of Justice. In that case, the Contractor shall provide to the District the names of all employees assigned to perform work under this Agreement. Compliance with these conditions, or with the fingerprinting requirements, is a condition of this Agreement, and the District reserves the right to suspend or terminate the Agreement at any time for noncompliance.

5. Fees and Payment

[OK](#)

5.1 Fees. You will pay all fees specified in the applicable Order Form. Except as otherwise set forth in the Order Form, (a) fees are based on the Service purchased and the enrollment metrics specified in the Order Form, (b) payment obligations are non-cancelable and fees paid are non-refundable, other than pursuant to Section 6.3 (Termination by You), (c) the purchased Service cannot be decreased during the applicable Subscription Term, and (d) fees are stated and payable in US Dollars.

5.2 Fees Increases. Due to factors such as inflation and product improvements, we may increase the overall or per unit fees for the Subscription Service by five percent (5%) for each annual period, or change the basis for the calculation of such fees. We will communicate any such increase or change to you no later than sixty (60) days prior to the end of the then-current term. In addition, if you pay us a flat rate based on a maximum number of students and you subsequently exceed that number of students, we may convert your payment structure to a per student rate and you will pay the then-current per student rate beginning at the next annual period of your subscription.

5.3 Payment. All amounts payable by you will be paid via electronic funds transfer (ACH, EFT or wire), check or credit card forty-five (45) days from the date of invoice. You will pay a three percent (3%) convenience fee on all credit card payments. You will pay interest on all past due amounts at a rate which is the lesser of one and a half percent (1.5%) per month, or the highest rate allowed by law. If any part of an invoice is in dispute, you agree to pay the undisputed portion of the invoice and make a note on the invoice regarding the disputed portion within thirty (30) days from the date of invoice, and if you do not, you will be deemed to agree to such charges.

5.4 Taxes. You are responsible for the payment of all taxes (other than taxes on our net income) arising from the payment of fees or the provision of any Services under the Agreement.

5.5 Fees for Guest Users.

(a) Guest Users with Phone Numbers: You will receive a free number of guest users with phone numbers annually, set at ten percent (10%) of School's contracted student enrollment. Beyond the free threshold, you will be billed annually in the amount of \$300 (three hundred dollars) per thousand (1,000) guest users with phone numbers, rounded up to the nearest thousand (1,000), postpaid and invoiced annually. (b) Guest Users with Email: The number of free guest accounts with email is limited to ten times (10x) School's annual contracted student enrollment. If you exceed this usage limit, we may work with you to seek to reduce your usage so that it conforms to this limit. If, notwithstanding our efforts, you are unable or unwilling to abide by this usage limit, you will execute an Order Form for additional quantities of guest users with email promptly upon our request, and/or pay any invoice for excess usage.

6. Term and Termination

6.1 Term. The Agreement will initially remain in effect for the term set forth in the Order Form. After any such pilot or initial term, the Agreement will automatically renew for additional terms of a term equal to the longer of (a) one (1) year or (b) the length of the initial term (each known as a "Renewal Term"), unless a different renewal term is agreed upon by the parties or unless either party provides written notice of non-renewal at least sixty (60) days prior to the end of the then-current term.

6.2 Termination by Us. We may terminate the Agreement if you have not paid any applicable fee for any Services, or if you materially breach the Agreement or the Terms of Use and fail to remedy the breach within thirty (30) days of written notice of the breach.

6.3 Termination by You. You may terminate the Agreement if we materially breach the Agreement or the Terms of Use and fail to remedy the breach within thirty (30) days of written notice of the breach. If you terminate for our material uncured breach, you will be entitled to a refund of your fees paid prorated for the remaining portion of the then-current term. You may also terminate the Agreement at any time for convenience, provided that you will be obligated to pay for any Services for the then-current term, including for any Services not yet provided.

6.4 Return or Destruction. We will destroy or return all School Data within sixty (60) days of the expiration or termination of the Agreement, unless otherwise required by law or we receive your request in writing that we retain certain School Data for a specific longer period of time. If you request a longer period of time, we will enter into a special data retention agreement, and there will be a fee for

6.5 Effect of Termination. The definitions in the Agreement, and the rights, duties and obligations of the parties in the Agreement that by their nature continue and survive, shall survive any termination or expiration of the Agreement.

7. Disclaimer of Warranties

You acknowledge that the Subscription Service is based on an Internet-based software platform and, as such, may experience periods of downtime, including due to scheduled maintenance and third party service outages. Accordingly, the Services are provided to you "AS IS" and without warranty of any kind, whether express, implied, statutory or otherwise, and we disclaim and exclude, to the maximum extent permitted by law, all other warranties, whether express, implied, statutory or otherwise, including non-infringement of third party rights, fitness for a particular purpose, merchantability, title and satisfactory quality.

8. Limitation of Liability

In no event will either party be liable under the Agreement for any special, incidental, consequential, exemplary or punitive damages of any kind arising out of or in any way connected with the use of the Subscription Service or anything provided in connection with the Agreement, the delay or inability to use the Subscription Service or anything otherwise arising from the Agreement, and in no event will either party's maximum aggregate liability arising from or relating to the Agreement, regardless of the cause of action (whether in contract, tort, breach of warranty or otherwise), exceed fees paid or payable to us by you in the twelve (12) month period immediately preceding the event giving rise to liability.

9. Publicity

You agree that we may include School's name or brand features, including School's name and logo, in a list of ParentSquare customers, either online or in promotional materials. You also agree that we may verbally reference School as a ParentSquare customer.

10. General Provisions

10.1 Governing Law and Venue. Unless the laws governing School require otherwise, the laws of the State of California govern all matters arising out of the Agreement, without regard to conflict of law principles, and federal courts in the Central District of California and the state courts located in Santa Barbara County, California, will have non-exclusive jurisdiction in respect of disputes arising in connection with the Agreement. The United Nations Convention for the International Sale of Goods shall not apply.

10.2 Severability. If any provision of the Agreement is held invalid, that provision will be deemed amended to achieve as nearly as possible the same economic effect as the original provision and the remainder of the Agreement will continue in full force and effect.

10.3 Independent Contractors. The parties to the Agreement are independent contractors and the Agreement will not establish any relationship of partnership, joint venture, employment, franchise, or agency between the parties. Neither party will have the power to bind the other or incur obligations on the other's behalf without the other's prior written consent.

10.4 Non-exclusive Agreement. The Agreement is nonexclusive, and each party will be free to enter into other similar agreements or arrangements with other third parties.

10.5 High Risk and Force Majeure. You acknowledge that the Subscription Service is not designed or intended for use in high-risk activities, or in any situation where damage or injury could result if an error occurred. Neither party has any liability for any failure of performance or equipment due to causes beyond its reasonable control, including: acts of God, fire, flood, earthquake, tsunami, storm, or other catastrophes; any law, order, regulation, direction, action, or request of any governmental entity or agency, or any civil or military authority; national emergencies, insurrections, riots, wars or acts of terrorism; unavailability of rights-of-way or materials; or strikes, lock-outs, work stoppages, or other labor difficulties; or failure of the Internet, third party software, or any telecommunications, hosting or service provider.

10.6 Modification and Waiver. Except as provided in Section 3 (Changes to this School Agreement), the Agreement may be modified only by a written agreement that is signed by authorized representatives of both parties and is identified as an amendment or part of the Agreement. No term or provision of the Agreement will be considered waived by a party, and no breach excused, unless the waiver or consent is in writing signed by such party. No consent by a party to, or waiver of, a breach, whether express or implied, will constitute a consent to, waiver of, or excuse of any other, different or subsequent breach.

10.7 Construction. The word "including" shall be construed as meaning "including without limitation." The section headings appearing in this School Agreement are inserted only as a matter of convenience and shall not be construed to define, limit, construe or describe the scope or extent of such paragraph or in any way affect such section.

10.8 Counterparts and Electronic Signature. The Order Form may be executed simultaneously in two (2) or more counterparts, each of which will be considered an original, and all of which together will constitute one and the same instrument. The exchange of a fully executed Order Form (in counterparts or otherwise) by facsimile signature or by other electronic means, shall be sufficient to bind the parties to the terms and conditions of the Agreement.
