Recommendation: Approve the Amendments to modify the Facility Use Agreements (FUAs) by extending them from July 1, 2023, to June 30, 2024 for the following charter schools:

1. California Montessori Project, Capitol Campus (Jefferson, 2635 Chestnut Hill Drive)
2. Sol Aureus College Preparatory Academy (Bear Flag, 6620 Gloria Drive)
3. St. Hope Public Schools' Public School #7 (PS7) (5201 Strawberry Lane)
4. St. Hope Public Schools' Sacramento Charter High School (2315 34th Street)
5. Yav Pem Suab Academy (Lisbon, 7555 South Land Park Drive)

Background/Rationale: Proposition 39, passed by California voters in 2000, obligates school districts to provide reasonably equivalent facilities to charter schools that project or enroll at least an Average Daily Attendance of 80 students from the District. The facilities offered must be contiguous, furnished and equipped, and "reasonably equivalent" to District operated schools from where the charter school students would have otherwise attended.

The one-year extension of the FUAs will fulfill the District's Proposition 39 obligations for those respective schools.

Financial Considerations: The District will continue to charge each Charter School its share of the cost for use of the facility.

Amendment Extending Term of Facilities Use Agreement

This Amendment ("Amendment") is entered into by and between Sacramento City Unified School District ("District") and California Montessori Project, a California non-profit public benefit corporation ("Non-Profit"), as operator of California Montessori Project, Capitol Campus, on the effective date as set forth below. District and Non-Profit are referred to singularly as "Party" or collectively as "Parties."

WHEREAS, the District and the Non-Profit entered into an Agreement titled Facilities Use Agreement ("FUA") (*attached hereto as Exhibit A*) for the term July 1, 2016, to July 31, 2021, which became effective on or about June 2, 2016.

WHEREAS, the District and the Non-Profit entered into an Agreement for an extension of the term July 1, 2021, to June 30, 2022, which became effective on or above June 24, 2021.

WHEREAS, the District and the Non-Profit did not come to an Agreement for an extension of the term in June 2022, leaving both organizations without a current FUA from July 1, 2022, through June 30, 2023.

WHEREAS, the District and the Non-Profit desire to modify the Agreement by extending the term July 1, 2023, to June 30, 2024.

NOW THEREFORE, for good and valuable consideration, the Parties agree as follows:

1. The term of the FUA shall be extended to June 30, 2024.
2. This Amendment shall not alter or affect in any way any *most* portions of the FUA. The FUA will be amended to include the Non-Profit's use of Classroom 1. The community group will be given access to use of space at the Jefferson campus in the evenings through the Civic Center Act or a separate Memorandum of Understanding (MOU). All other terms of said FUA remain in full force and effect.
3. This Amendment shall become effective upon the signatures of both parties and District Board approval.

IN WITNESS WHEREOF, the Parties execute this Amendment on the dates set forth below.

FACILITIES USE AGREEMENT

This Facilities Use Agreement (“Agreement”) is made by and between Sacramento City Unified School District (“District”) and California Montessori Project, a California non-profit public benefit corporation (“Non-Profit”), which operates California Montessori Project-Capitol Campus, a charter school (“Charter School”). The Non-Profit and District are collectively referred to as the “Parties.”

RECITALS

- A. WHEREAS, the District and its charter schools are partners in the public education of students and it is the District’s intent to ensure that its facilities are shared equally with all of its students, including those students who attend its charter schools housed in District facilities.
- B. WHEREAS, District is the owner of real property located at Thomas Jefferson Elementary School, 2635 Chestnut Hill Drive, Sacramento, California (“Site”).
- C. WHEREAS, Charter School is a charter school duly formed and approved by the District under the laws of the Charter Schools Act of 1992 (Ed. Code, § 47600, *et seq.*) serving students in grades Kindergarten through 8 in the 2016-17 to 2020-2021 school years.
- D. WHEREAS, Charter School desires to use certain District facilities located on the Site for its public charter school program.
- E. WHEREAS, the Parties intend this Agreement to satisfy their obligations under Education Code Section 47614 and Title 5 of the California Code of Regulations Section 11969, *et seq.*, adopted by the State Board of Education (“Proposition 39”), which among other things require a written agreement regarding the allocating of facilities under Proposition 39, for the 2016-2017 to 2020-2021 school years.

AGREEMENT

NOW THEREFORE, in consideration of the covenants and conditions of this Agreement, the Parties hereby agree as follows. All obligations imposed hereby on the Charter School are equally imposed on the Non-Profit.

- 1. Recitals. The recitals set forth above are incorporated herein and made part of this Agreement.
- 2. Facilities. Use of the Facilities shall be for the purposes set forth in the Charter School’s charter and on the terms and conditions set forth herein. The Charter School shall not have exclusive use of the Site. The District grants use of the following facilities (“Facilities”) located on the Site as described and/or depicted in Exhibits A and B, which are attached hereto and incorporated herein by reference, to the Charter School under the terms and conditions set forth in this Agreement.

3. Term. The term of this Agreement shall be from July 1, 2016, to June 30, 2021 (“Term”), unless earlier terminated as provided herein.
4. Facilities Use Fee. Each and every school year, Non-Profit shall pay District a Facilities Use Fee. Facilities Use Fees shall be paid out in equal installments each month throughout the respective school year within the Term. Beginning on July 1, 2016, payments shall be payable on or in advance on the first day of each month (“Due Date”) in lawful money of the United States.

The calculation for the 2016-2017 school year Facilities Use Fee and the terms of Facilities Use Fee payments are described with more particularity in Exhibit C, attached hereto and incorporated herein. These fees will be calculated and adjusted annually by the District. The Facility Use Fee shall be based on a pro rata cost estimate per square foot for the Facilities provided. The dollar amount to be paid by Non-Profit, per square foot, for use of the Facilities during the Term will be calculated by the District pursuant to Title 5, California Code of Regulations, section 11969.7. To calculate the fee, the District must determine actual facilities costs and total space figures in the year preceding the fiscal year in which facilities are provided. Such amounts may only become available to the District after each fiscal year ends. Therefore, within ninety (90) days of the beginning of each fiscal year, or as soon as the actual facilities costs and total space figures for the prior fiscal year become available, whichever is later, the District shall provide notice to the Non-Profit of any amended Facilities Use Fee calculations based on the actual data for the prior fiscal year. Amounts owed to or by the Non-Profit due to this calculation will be credited or added to subsequent remaining monthly installment payments of the Facilities Use Fees.

If any payment is made more than fifteen (15) days after the Due Date, a late fee of one percent (1%) shall apply and interest shall accrue thereafter on such late payment commencing thirty (30) days after the Due Date, provided however that no interest shall accrue on said late fee. The interest charged shall be computed at the then-current discount rate established by the Federal Reserve Bank of San Francisco plus five percent (5%), or the maximum rate permitted by law. The payment by Non-Profit of any late fees or interest shall in no event excuse or cure any default by Non-Profit nor waive District’s legal rights and remedies with respect to such default.

The Parties agree that the Facilities Use Fee is in lieu of Non-Profit paying a pro rata share for in-district students. Any actual costs for out-of-district students may be paid at the Facilities Use Fee rate or up to market rate, whichever is higher.

5. Over-Allocation. The District reserves the right to collect over-allocation and other applicable fees and reimbursements from the Charter School, pursuant to Title 5, California Code of Regulations, Section 11969.8. The Charter School’s projected in-District Average Daily Attendance (“ADA”) for the 2016-2017 school year, and upon which the Facilities are provided, is 227.98.
6. Dispute Resolution. The Parties agree to attempt to resolve all disputes regarding this Agreement, including the alleged violation, misinterpretation, or misapplication of the

Agreement, pursuant to the dispute resolution procedures identified in the Charter School's charter. Notwithstanding the foregoing, those disputes that may result in revocation of Charter School's charter, pursuant to Education Code Section 47607, are not required to go through the dispute resolution process.

7. Use.

(a) Public Charter School. The Facilities shall be used and occupied by the Charter School for the sole purpose of operating a California public charter school and for no other purpose without the prior written consent of the District. The Charter School's enrollment must not exceed the safe and legal limit for the classroom space it occupies.

(b) Insurance Risk. The District shall maintain first party property insurance for the Facilities. The Charter School shall not do or permit anything to be done in or about the Facilities nor bring or keep anything therein which will in any way increase the existing insurance rate or affect any fire or other insurance upon the Facilities, or any of the contents of the Facilities (unless the District gives its prior approval and the Charter School pays any increased premium as a result of such use or acts), or cause a cancellation of any insurance policy covering the Facilities or any part thereof or any of its contents, nor shall the Charter School sell or permit to be kept, used, or sold in or about the Facilities any articles which may be prohibited by a standard form policy of fire insurance. The Charter School shall provide adequate and appropriate supervision for Charter School students and employees using the Facilities.

(c) Rights of the District. The Charter School shall not do or permit anything to be done in or about the Facilities that will in any way obstruct or interfere with the rights of the District or injure the District. The Charter School shall not use or allow the Facilities to be used for any unlawful purpose, nor shall the Charter School cause, maintain or permit any nuisance in or about the Facilities. The Charter School shall not commit or suffer to be committed any waste in or upon the Facilities.

(d) Illegal Uses. The Charter School shall not use the Facilities or permit anything to be done in or about the Facilities that will in any way conflict with any applicable law, statute, ordinance or governmental rule, or regulation. The Charter School agrees to comply with its charter as it relates to District Facilities.

(e) Security Badges. The District will provide security badges to the Charter School for its staff. The Charter School will pay for the cost of the security badges. Charter School staff shall wear these badges to use as evidence that they are lawfully on the premises. Charter School is entitled to up to twenty-five (25) District badges. Lost or stolen badges shall be replaced at a cost of \$5.00 per badge.

(f) Civic Center Act. The Charter School agrees to comply with the provisions of the Civic Center Act (Ed. Code, § 38131, *et seq.*) in making use of the Facilities accessible to members of the community. The Parties understand that the Facilities are to be primarily used for school programs and activities and as such any use of the Facilities by members of the community shall not interfere with school activities. District Board Policy and

Administrative Regulations related to the Civic Center Act shall control scheduling, use and collection of fees related to use of the Facilities by members of the public. Consistent with that policy and the regulations, the District shall be solely responsible for coordinating access to the Facilities under the Civic Center Act and shall require users to provide appropriate proof of insurance related to use of the Facilities and to indemnify and hold harmless the District and Charter School for injury, risk of loss, or damage to property as a result of that access by members of the community. The District agrees to promptly clean and repair, if necessary, any portion of the Facilities used by members of the community immediately following such use. All requests for use of the Facilities made directly to the Charter School shall be forwarded to the District for coordination of use consistent with Board Policy and Administrative Regulations.

(g) Alarms. The Charter School shall have access to activate burglar alarms and intruder alerts corresponding to the Facilities provided at the Site. The Charter School agrees that in the event that any of Charter School's employees, directors, trustees, officers, agents, students, visitors, or contractors, trigger a false alarm at the Site, Charter School shall be responsible for costs incurred.

8. Furnishings and Equipment. The furnishings and equipment to be provided by the District for the Facilities are those furnishings and equipment that exist at the Facilities as of July 1, 2016. Said furnishings and equipment will include sufficient desks, chairs and a white board for each classroom. The Charter School is responsible for any furnishings and equipment over and above those provided by the District. The Charter School shall return all such furniture, fixtures and equipment to the District in like condition at the termination of this Agreement, excepting ordinary wear and tear. Upon return of the furniture, fixtures, and equipment, the District will inspect said items within sixty (60) calendar days. The Charter School shall be responsible for costs to repair or replace furniture, fixtures, and equipment to like condition, excepting ordinary wear and tear. All furniture, fixtures, and equipment that are not the property of the District or are not otherwise reimbursed by the District shall remain the property and under the ownership of Charter School and shall be disposed of according to the provisions of the approved Charter petition.
9. Utilities. District agrees to furnish or cause to be furnished to the Facilities necessary utilities. Utilities include, but are not limited to, are electrical, natural gas, sewer, waste disposal/recycling and water services. Due to cost containment efforts by the District, the number of bins associated with the Site(s), the bin capacities and the number of removals per week shall not increase during the Term. The District's failure to furnish or cause to be furnished necessary utilities when such failure is caused by (i) Acts of God or other acts beyond the control or fault of the District; (ii) strikes, lockouts, or other labor disturbances or labor disputes of any kind; (iii) any laws, rules, orders, ordinances, directions, regulations, requirements, or any other action by federal, state, county or municipal authority; (iv) inability despite the exercise of reasonable diligence by the District to obtain electricity, water, or fuel; or (v) any other unavoidable delay, shall not cause the District to be in default, shall not constitute a breach of this Agreement, and shall not result in any liability of the District.

The Charter School shall reimburse the District for the cost of utilities at the Site, as charged to the District by its utility providers, pro-rated to reflect use by other users of the Site. Thirty (30) days prior to the commencement of the 2016-2017 school year, the District shall endeavor to notify the Charter School of its estimated monthly charge for utilities. The Charter School shall pay such charge to the District throughout the Term on a monthly basis concurrent with the Charter School's payment of the Facilities Use Fee to the District pursuant to Section 4 of this Agreement. Within one hundred twenty (120) days after the expiration or earlier termination of this Agreement, the District shall provide the Charter School with a reconciliation of the Charter School's actual utility usage throughout the Term and the cost thereof. The District shall either refund the Charter School for any overpayment or shall invoice the Charter School for any underpayment. The Charter School shall reimburse the District for such underpayment, if any, within thirty (30) days after receipt of said invoice.

The Charter School shall comply with all District energy conservation policies in regard to use of the Facilities, as amended from time to time, including, but not limited to, Board Policy 3511 and the District's Energy Education program.

10. Proposition 39/Conditions Reasonably Equivalent.

(a) Charter School acknowledges by execution of the Agreement that the Facilities provided by the Agreement are "reasonably equivalent," as that term is defined by Proposition 39 and Education Code section 47614. Charter School and Non-Profit agree that this Agreement is a negotiated agreement, and that upon execution of this Agreement all obligations of the District to the Charter School under Proposition 39 have been satisfied for the Term of this Agreement. Charter School and Non-Profit waive their right to bring legal action for the Term of the Agreement based on any claims arising out of or relating to alleged compliance or noncompliance with Education Code section 47614 and the Proposition 39 regulations. This waiver does not extend to the obligations set forth in the Agreement.

(b) Charter School and Non-Profit acknowledge and agree that neither the District nor any of its agents have made, and the District hereby disclaims any representations or warranties, express or implied, concerning the premises, the physical or environmental condition of the premises or any other property beneath, adjacent to, or otherwise related to the premises.

11. Custodial Services.

Custodial services shall be provided pursuant to the terms and conditions as defined in Exhibit D.

12. Signage. The Charter School shall be allowed to place signage on the exterior of the Facilities. The District will keep its own signage exhibited at the Site, identifying the school as operated or formerly operated by the District. The District shall have final approval over the design, content and location of the Charter School's signage, but shall not unreasonably deny such design, content or location. The Charter School must remove

the signage upon termination of this Agreement. The Charter School must restore the Facilities, following removal of the signage, to the condition existing prior to installation of the signage to District's reasonable satisfaction. All such signage shall be subject to compliance with all applicable laws at Charter School's sole cost.

13. Operations and Maintenance.

(a) The District shall maintain the Facilities, furnishings and equipment, in good order, condition, and repair. The Charter School will reimburse the District for the costs, including time, labor and materials, to maintain the Facilities in good order, condition and repair. Said costs to the Charter School will be the sum total of: 1) The Facilities Use Fee of Section 4 of the Agreement, and, 2) the actual costs, including salary and benefits, of one District employed Plant Manager assigned to the Site. The District will invoice the Charter School quarterly for the actual costs including salary and benefits, of the District employed Plant manager assigned to the Site. The Charter School will pay said invoice within thirty (30) days of receipt.

(b) The Charter School will provide reasonable workspace for the Plant Manager assigned to the Site.

(c) The District shall be responsible for any modifications necessary to maintain the Facility in accordance with Education Code Sections 47610(d) or 47610.5. Projects eligible to be included in the District's deferred maintenance plan established pursuant to Education Code Section 17582 and the replacement of furnishings and equipment supplied by the District in accordance with the District's schedules and practices shall remain the responsibility of the District. The Charter School shall comply with the District's policies regarding the operations and maintenance of the school facility and furnishings and equipment, except to the extent renovation is approved by the District. However, the Charter School need not comply with policies in cases where actual District practice substantially differs from official policies.

(d) The District shall be responsible for providing the wiring/MIS infrastructure and maintaining it in its condition as of July 1, 2016. Any upgrades or improvements to the wiring/MIS infrastructure shall be the responsibility of the Charter School, in compliance with Section 14 ("Alterations and Additions"). The Charter School is responsible for the cost of internet service provided at the commercial rate.

(e) Upon the expiration or earlier termination of this Agreement, Charter School shall surrender the Exclusive Facilities and furnishings and equipment in the same condition as received, ordinary wear and tear excepted.

14. Alterations and Additions. The Charter School shall only make alterations, additions, or improvements ("Improvements") to the Facilities after obtaining the prior written consent of the District's Superintendent or his designee. Any Improvements to the Facilities made by the Charter School shall be paid for by the Charter School, and shall be contracted for and performed in accordance with all applicable building code standards, including Title

24 of the California Code of Regulations, the Field Act, Americans with Disabilities Act, the Fair Employment and Housing Act and all applicable District policies relating to facilities construction (the "Construction Standards"). The District or his designee will identify persons with whom the Charter School can communicate to seek information regarding District policies and to obtain consent for Improvements.

The District may impose as a condition to the aforesaid consent to such requirements as the District may deem necessary in its sole discretion, including without limitation, the manner in which the work is done, a right of approval of the contractor by whom the work is to be performed, and the times during which it is to be accomplished.

Should the Charter School fail to obtain the prior written consent of the District's Superintendent or his designee for Improvements, the Charter School shall, upon written request by the District, immediately cease making Improvements until such written consent is obtained, and the Charter School shall bear any costs, expenses and liabilities associated with the work stoppage.

Should the Charter School fail to contract and perform the Improvements in accordance with the Construction Standards or fail to adhere to the conditions to the District's consent as described above, the District may, at its sole option, direct that the Charter School immediately cease making such Improvements, and the District may alter, repair, or improve the Facilities pursuant to paragraph 15 herein, to bring the Facilities into compliance with the Construction Standards and/or the conditions to the District's consent, and Charter School shall be responsible for all such costs and expenses incurred by the District for such alterations, repairs or improvements. No Improvement shall be commenced until Charter School has first obtained and paid for all required permits and authorizations of all governmental authorities having jurisdiction with respect to such Improvements. All Improvements shall be made in good workmanlike manner and in compliance with all laws, ordinances, regulations, codes and permits.

Upon written reasonable request of the District prior to the expiration or earlier termination of the Agreement, Charter School will remove any and all improvements to the Facilities, at its own cost, that can be done without damage to the Facilities. In the event of charter termination or closure of the Charter School, all property shall be disposed of in accordance with the provision of the approved Charter School's petition. Unless the Parties agree otherwise in writing on an item by item basis, Charter School maintains its ownership rights in any alterations, additions or improvements and may be allowed to remove at termination of this Agreement and restore the Facilities to the condition existing prior to alteration, addition or improvement. Notwithstanding the foregoing, any addition to the Facilities that the Charter School does not remove prior to vacating the Facilities, shall vest in the District.

15. Entry by District. The District may enter the facility at any time to inspect the Facilities, to supply any service to be provided by the District to the Charter School hereunder and to alter, improve or repair the Facilities, or in the case of an emergency, consistent with Education Code Section 47607(a)(1). The District may erect scaffolding and other necessary structures where reasonably required by the character of the work to be

performed so long as the Charter School operations do not suffer unreasonable interference. The District agrees to use its best efforts at all times to keep any interference to the academic programs at Charter School to a minimum. The Charter School waives any claim for damages for any inconvenience to or interference with the Charter School's business, any loss or use of quiet enjoyment of the Facilities related to District's entry for the purposes identified in this Section.

16. Employees, Contractors and Independent Contractors. The Charter School and the District, their employees, agents, contractors and subcontractors shall comply with the requirements of Education Code Sections 45125.1 and 45125.2 related to access to the Facilities and protection of minor students.

17. Indemnity.

The Charter School shall indemnify, hold harmless, and defend the District, its Board of Trustees, the members of its Board of Trustees, officers, employees and agents against and from any and all claims, demands, actions, suits, losses, liabilities, expenses and costs for any injury, death or damage to any person or property arising from the Charter School's use of the Facilities, excepting those claims, demands, actions, suits, losses, liabilities, expenses and costs arising from the negligent or intentional acts of the District, its employees, agents, officers and invitees.

The Charter School shall further indemnify, hold harmless, and defend the District, its Board of Trustees, the members of its Board of Trustees, officers, employees and agents against and from any and all claims arising from any breach or default in the performance of any obligation on the Charter School's part to be performed under the terms of this Agreement, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon.

The District shall indemnify, hold harmless, and defend the Charter School, its trustees, officers, and agents against and from any and all claims, demands, actions, suits, losses, liabilities, expenses and costs for any injury, death or damage to any person or property arising from the District's conduct of business at the Facilities, excepting those claims, demands, actions, suits, losses, liabilities, expenses and costs arising from the negligent or intentional acts of the Charter School, its employees, agents, officers and invitees.

The District shall further indemnify, hold harmless, and defend the Charter School against and from any and all claims arising from any breach or default in the performance of any obligation on the District's part to be performed under the terms of this Agreement, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon.

Upon becoming aware of any casualty or accident in or on the Facilities, each Party to this Agreement shall give prompt written notice thereof to the other Party.

In the event of a third party claim or potential claim covered by these provisions, the Parties agree to take all steps reasonable or necessary to cooperate in defending and

protecting their joint interests, and in expediting all reasonable or necessary efforts to gain coverage for the Parties under any liability policy or indemnity agreement issued in favor of the Non-Profit, including indemnity rights or agreements existing in contracts between the Non-Profit and any third party (such as contract with a supplier of goods or services), and further including efforts to reduce defense costs (through joint representation whenever possible), expenses and potential liability exposures.

18. Insurance. The Charter School shall comply with insurance provisions contained within its charter and any Memoranda of Understanding between the Parties.

19. Damage to or Destruction of School Site.

(a) Cost. The cost of restoring the Facilities under this Section shall be borne by the Charter School if the cause of the casualty is the negligence or intentional act of the Charter School, its employees, agents, students or invitees. The cost of restoring the Facilities under this Section shall be borne by the District if the cause of the casualty is the negligence or intentional act of the District, its employees, agents, or invitees. The Parties shall tender the cost of restoring the Facilities to their respective insurance carriers if the casualty is caused by a third party.

(b) Partial Damage – Insured. If the Facilities are damaged by any casualty which is covered under fire and extended coverage insurance carried by District, then District may restore such damage provided insurance proceeds are available to pay eighty percent (80%) or more of the cost of restoration and provided such restoration can be completed within ninety (90) days after the commencement of the work in the opinion of a registered architect or engineer appointed by District. In such event this Agreement shall continue in full force and effect, except that Charter School shall be entitled to proportionate reduction of use payments while such restoration takes place, such proportionate reduction to be based upon the extent to which the restoration efforts interfere with Charter School's business in the Facilities. The District shall provide the Charter School alternative space in the District for any part of the Charter School program that is displaced by the partial damage and/or the repair work of the same. If the Charter School secures alternative space then there shall be no diminution in the use payments during the period of the restoration.

(c) Total Destruction. If the Facilities are totally destroyed (defined as the destruction of more than fifty percent (50%) of the usable classroom space) or the Facilities cannot be restored as required herein under applicable laws and regulations, notwithstanding the availability of insurance proceeds, then this Agreement shall be terminated effective the date of the damage. Immediately upon the effective date of the damage, the District must provide a reasonably equivalent school facility to the Charter School as soon as reasonable so as to avoid any interruption in the educational program of the Charter School.

20. Liens. Charter School shall keep the Facilities free from any liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Charter School.

Notwithstanding anything stated herein to the contrary, if Charter School fails to promptly release and remove any such lien, District, at its sole option, may immediately (but shall not be obligated to) take all action necessary to release and remove such lien, without any duty to investigate the validity thereof, and all sums, costs and expenses, including reasonable attorneys' fees and costs, incurred by District in connection with such lien shall be immediately due and payable by Charter School.

21. Holding Over. Charter School shall not remain in possession of the Facilities or any part thereof after the expiration of this Agreement or after termination thereof without the express written consent of District. Notwithstanding the foregoing, if the Charter School holds over, the Charter School shall pay the monthly Facilities Use Fee plus all other charges payable required by this Agreement. Any holdover by Charter School requires the Charter School to comply with all terms of this Agreement. A holdover by the Charter School shall not trigger any additional term. The District shall have the right to remove the Charter School at any time after the expiration of the Term or termination of this Agreement.
22. Assignment and Subletting. The Charter School may not assign its rights under this Agreement or sublet any portion of the Facilities without the prior written consent of the District.
23. Rules, Regulations and Law. The Charter School and the Charter School's agents, employees, students, visitors and invitees shall observe and comply fully and faithfully with all reasonable and nondiscriminatory policies, rules, and regulations adopted by the District for the care, protection, cleanliness, and operation of the Facilities, and the Facilities' furnishings and equipment, and shall comply with all applicable laws.
24. Smoking. Smoking or the consumption of alcohol in any form shall not be allowed in or on District property and Facilities, including but not limited to all courtyards, walkways, and parking areas.
25. Default by Charter School. The occurrence of any one or more of the following events shall constitute a default and material breach of this Agreement by Charter School:
 - (a) The failure by Charter School to utilize the Facilities for the sole purpose of operating a charter school.
 - (b) The failure by Charter School to make timely payments required under this Agreement.
 - (c) The failure by Charter School to observe or perform any of the express covenants, conditions or provisions of this Agreement.
 - (d) The revocation or non-renewal of the Charter School's charter. Notwithstanding the foregoing, this Agreement shall not be terminated pursuant to this provision provided that the Charter School continues to operate in accordance with the terms of this Agreement

and is diligently pursuing a statutory appeal of the revocation or nonrenewal of its charter.

(e) The failure by Charter School to maintain ADA of eighty (80) or more in-District students as the term “in-District students” is defined in Proposition 39.

- i. In the event of any material default or breach by Charter School, District may, but shall not be obligated to, terminate this Agreement and Charter School’s right to possession of the Facilities. To terminate the Agreement, District must provide Charter School with thirty (30) days written notice (“notice to cure period”) of default or material breach. If Charter School fails to cure the breach after the notice to cure period, the District may immediately terminate the Agreement.
- ii. If the nature of the default is such that the same cannot reasonably be cured within the notice to cure period, the Charter School shall not be in default if Charter School shall within the notice to cure period commences to cure and thereafter, diligently prosecute the same to completion. In no event shall such period to cure exceed sixty (60) days.
- iii. Upon termination, District shall retain the right to recover from Charter School, without limitation, any amounts due under this Agreement or applicable law. Unpaid Facilities Use Fees shall bear interest from the date due at the maximum legal rate. In the event of termination by the District by reason of Charter School’s default or breach of this Agreement, the District shall not be obligated to provide facilities to Charter School pursuant to Proposition 39 for the remainder of that school year.

26. Default by District. District shall be in default of this Agreement if District fails to perform any material obligation required by this Agreement. In the event of any default by District, Charter School may terminate this Agreement upon thirty (30) days written notice thereof to the District if the District has failed to cure the default within thirty (30) days, unless the nature of the default is such that the same cannot reasonably be cured within said thirty (30) day period, in which event District shall not be in default (and Charter School may not terminate this Agreement) if District commences to cure such default within such thirty (30) day period and thereafter, diligently prosecutes the same to completion.

27. Miscellaneous.

(a) Waiver. FIRST AMENDMENT TO FACILITIES USE AGREEMENT

This FIRST AMENDMENT TO FACILITIES USE AGREEMENT ("First Amendment") is entered into by and between the SACRAMENTO CITY UNIFIED SCHOOL DISTRICT ("District"), and Sol Aureus College Preparatory ("Charter School"). District and Charter School may be referred to collectively herein as the "Parties." All capitalized terms used in this First Amendment shall have the same meanings given such terms in the Original Agreement (as hereinafter defined), unless expressly superseded by the terms of this First Amendment.

RECITALS

A. On or about September 19, 2013, District and Charter School entered into that certain Facilities Use Agreement ("Original Agreement"), pursuant to the terms of which District, in satisfaction of its obligations under Education Code section 47614 and Title 5 of the California Code of Regulations section 11969, *et seq.*, granted to Charter School the right to use those certain facilities located at Bear Flag Elementary School, 6620 Gloria Drive, Sacramento, California ("Site"), as such facilities are more particularly described in the Original Agreement.

B. District and Charter School now desire to amend the Original Agreement as hereinafter set forth.

AGREEMENT

NOW THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. Effective Date. The effective date of this First Amendment is September 5, 2014 ("Effective Date").

2. Facilities. Notwithstanding anything stated in the Original Agreement to the contrary, as of the Effective Date, Charter School shall have the right to use one additional classroom located at the Site, specifically Room 1. This room is comprised of approximately one thousand fifty-one (1,051) square feet. Charter School shall use Room 1 solely for the purposes set forth in the Charter School's charter and on the terms and conditions set forth in the Original Agreement. From and after the Effective Date, the term "Facilities", as such term is defined in the Original Agreement, shall include Room 1. Usage of the playground next to Rooms 1 and 2 is available for usage only when the District's Child Development Program is not using the playground next to Rooms 1 and 2.

3. Facilities Use Fee. The parties agree and acknowledge that with the addition of Room 1, the total square footage of the Facilities shall be approximately forty thousand five (40,005) square feet. From and after the Effective Date, District shall use forty thousand five (40,005) square feet to calculate Charter School's monthly Facilities Use Fee pursuant to Section 4 of the Original Agreement.

4. Custodial Services. The Charter School shall be responsible for providing and paying directly for custodial services for the Facilities. Said services shall result in a level of performance consistent with custodial services maintained by the District for its other District schools. The Charter School shall bear the cost of such custodial services, including the salary and benefits of the Custodian and the cost of any cleaning supplies and tools necessary for the Custodian to provide services. The Charter School shall purchase, store and provide all consumable materials which the custodian shall use in provisioning the facilities' restrooms, including but not limited to toilet paper, soap, and paper towels. In the event that Charter School fails to meet these standards, the District may, at its sole option, provide custodial services for the Facilities, and the Charter School will become responsible for the salary and benefits of the District-supplied custodian and materials used by the custodian.

5. Subject to Approval by Governing Board. This First Amendment confers no legal or equitable rights until it is approved by the District's Governing Board at a lawfully conducted public meeting.

6. Binding Effect. This First Amendment shall inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns.

7. Severability. If any provision of this First Amendment shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this First Amendment.

8. Governing Law. This First Amendment shall be governed by and construed in accordance with the laws of the State of California and venue shall be in the appropriate court in Sacramento County, California.

9. Warranty of Authority. Each of the persons signing this First Amendment represents and warrants that such person has been duly authorized to sign this First Amendment on behalf of the Party indicated, and each of the Parties by signing this First Amendment warrants and represents that such Party is legally authorized and entitled to enter into this First Amendment.

10. Execution in Counterparts. This First Amendment may be executed in counterparts such that the signatures may appear on separate signature pages. A copy, facsimile, or an original, with all signatures appended together, shall be deemed a fully executed agreement.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

11. Miscellaneous. Except as set forth in this First Amendment, all of the terms and provisions of the Original Agreement shall remain unmodified and in full force and effect.

IN WITNESS WHEREOF, the Parties have caused this First Amendment to be duly executed by their duly authorized representatives as of the last date set forth below.

Recommendation: Approve the First Amendment to Facilities Use Agreement (FUA) for Sol Aureus College Preparatory (SAC Prep) (K-8) at Bear Flag, 6620 Gloria Drive.

Background/Rationale: Pursuant Education Code Section 47614 ("Proposition 39"), public school facilities should be shared fairly among all public school pupils, including those in Charter Schools. Each school district shall make available, facilities sufficient for the charter school to accommodate all of the charter schools' in-district students in conditions reasonably equivalent to those in other public schools of the district. The Charter Schools pay the District "Facilities Use Fees" based on a pro rata share facilities cost for the use of District facilities. The District and the Charter Schools have collaboratively worked together to define the specific terms of the Facility Use Agreements.

Financial Considerations: The District will receive from the Charter School the pro rata share of the facilities costs.

FACILITIES USE AGREEMENT

This Facilities Use Agreement (“Agreement”) is made by and between Sacramento City Unified School District (“District”) and Sol Aureus College Preparatory, a California non-profit public benefit corporation (“Non-Profit”), which operates S.A.C. Prep, a charter school (“Charter School”). The Non-Profit and District are collectively referred to as the “Parties.”

RECITALS

- A. WHEREAS, the District and its charter schools are partners in the public education of students and it is the District’s intent to ensure that its facilities are shared equally with all of its students, including those students who attend its charter schools housed in District facilities.
- B. WHEREAS, District is the owner of real property located at Bear Flag Elementary School, 6620 Gloria Drive, Sacramento, California (“Site”).
- C. WHEREAS, Charter School is a charter school duly formed and approved by the District under the laws of the Charter Schools Act of 1992 (Education Code §§ 47600, *et seq.*) serving students in grades Kinder through eight in the 2013-2018 school year.
- D. WHEREAS, Charter School desires to use certain District facilities located on the Site for its public charter school program.
- E. WHEREAS, the Parties intend this Agreement to satisfy their obligations under Education Code Section 47614 and Title 5 of the California Code of Regulations Section 11969, *et seq.*, adopted by the State Board of Education (“Proposition 39”), which among other things require a written agreement regarding the allocating of facilities under Proposition 39, for the 2013-2018 school year.

AGREEMENT

NOW THEREFORE, in consideration of the covenants and conditions of this Agreement, the Parties hereby agree as follows. All obligations imposed hereby on the Charter School are equally imposed on the Non-Profit.

- 1. Recitals. The recitals set forth above are incorporated herein and made part of this Agreement.
- 2. Facilities. Use of the Facilities shall be for the purposes set forth in the Charter School’s charter and on the terms and conditions set forth herein. The Charter School shall not have exclusive use of the Site. The District grants use of the following facilities (“Facilities”) located on the Site as described and/or depicted in Exhibits A and B, which are attached hereto and incorporated herein by reference, to the Charter School under the terms and conditions set forth in this Agreement.

3. Term. The term of this Agreement shall be from July 31, 2013, to July 31, 2018 (“Term”), unless earlier terminated as provided herein.

4. Facilities Use Fee. Each and every school year, Non-Profit shall pay District a Facilities Use Fee. Facilities Use Fees shall be paid out in equal installments each month throughout the respective school year within the Term. Beginning on September 1, 2013 payments shall be payable on or in advance on the first day of each month (“Due Date”) in lawful money of the United States. For each subsequent school year, payments shall be payable starting July 1.

The calculation for the 2013-2014 school year, and terms of Facilities Use Fee payments, are further described with more particularity in Exhibit C, attached hereto and incorporated herein. These fees will be calculated and adjusted annually by the District. The Facility Use Fee shall be based on a pro rata cost estimate per square foot for the Facilities provided. The dollar amount to be paid by Non-Profit, per square foot, for use of the Facilities during the Term will be calculated by the District pursuant to Title 5, California Code of Regulations, section 11969.7. To calculate the fee, the District must determine actual facilities costs and total space figures in the year preceding the fiscal year in which facilities are provided. Such amounts may only become available to the District after each fiscal year ends. Therefore, within ninety (90) days of the beginning of each fiscal year, or as soon as the actual facilities costs and total space figures for the prior fiscal year become available, whichever is later, the District shall provide notice to the Non-Profit of any amended Facilities Use Fee calculations based on the actual data for the prior fiscal year. Amounts owed to or by the Non-Profit due to this calculation will be credited or added to subsequent remaining monthly installment payments of the Facilities Use Fees.

If any payment is made more than fifteen (15) days after the Due Date, a late fee of one percent (1%) shall apply and interest shall accrue thereafter on such late payment commencing thirty (30) days after the Due Date, provided however that no interest shall accrue on said late fee. The interest charged shall be computed at the then-current discount rate established by the Federal Reserve Bank of San Francisco plus five percent (5%), or the maximum rate permitted by law. The payment by Non-Profit of any late fees or interest shall in no event excuse or cure any default by Non-Profit nor waive District’s legal rights and remedies with respect to such default.

The Parties agree that the Facilities Use Fee is in lieu of Non-Profit paying a pro rata share for in-district students and any actual costs for out-of-district students.

5. Over-Allocation. The District reserves the right to collect over-allocation and other applicable fees and reimbursements from the Charter School, pursuant to Title 5, California Code of Regulations, Section 11969.8. The Charter School’s projected in-District Average Daily Attendance (“ADA”) for the 2013-2014 school year, and upon which the Facilities are provided, is 229.

6. Dispute Resolution. The Parties agree to attempt to resolve all disputes regarding this

Agreement, including the alleged violation, misinterpretation, or misapplication of the Agreement, pursuant to the dispute resolution procedures identified in the Charter School's charter. Notwithstanding the foregoing, those disputes that may result in revocation of Charter School's charter, pursuant to Education Code section 47607, are not required to go through the dispute resolution process.

7. Use.

(a) Public Charter School. The Facilities shall be used and occupied by the Charter School for the sole purpose of operating a California public charter school and for no other purpose without the prior written consent of the District. The Charter School's enrollment must not exceed the safe and legal limit for the classroom space it occupies.

(b) Insurance Risk. The District shall maintain first party property insurance for the Facilities. The Charter School shall not do or permit anything to be done in or about the Facilities nor bring or keep anything therein which will in any way increase the existing insurance rate or affect any fire or other insurance upon the Facilities, or any of the contents of the Facilities (unless the District gives its prior approval and the Charter School pays any increased premium as a result of such use or acts), or cause a cancellation of any insurance policy covering the Facilities or any part thereof or any of its contents, nor shall the Charter School sell or permit to be kept, used, or sold in or about the Facilities any articles which may be prohibited by a standard form policy of fire insurance. The Charter School shall provide adequate and appropriate supervision for Charter School students and employees using the Facilities.

(c) Rights of the District. The Charter School shall not do or permit anything to be done in or about the Facilities that will in any way obstruct or interfere with the rights of the District or injure the District or use or allow the Facilities to be used for any unlawful purpose, nor shall the Charter School cause, maintain or permit any nuisance in or about the Facilities. The Charter School shall not commit or suffer to be committed any waste in or upon the Facilities.

(d) Illegal Uses. The Charter School shall not use the Facilities or permit anything to be done in or about the Facilities that will in any way conflict with any applicable law, statute, ordinance or governmental rule, or regulation. The Charter School agrees to comply with its charter as it relates to District Facilities.

(e) Security Badges. The District will provide security badges to the Charter School for its staff. The Charter School will pay for the cost of the security badges. Charter School staff shall wear these badges to use as evidence that they are lawfully on the premises. Charter School is entitled to up to twenty-five (25) District badges. Lost or stolen badges shall be replaced at a cost of \$5.00 per badge.

(f) Civic Center Act. The Charter School agrees to comply with the provisions of the Civic Center Act (Education Code Section 38131, *et seq.*) in making use of the Facilities accessible to members of the community. The Parties understand that the Facilities are to

be primarily used for school programs and activities and as such any use of the Facilities by members of the community shall not interfere with school activities. District Board Policy and Administrative Regulations related to the Civic Center Act shall control scheduling, use and collection of fees related to use of the Facilities by members of the public. Consistent with that policy and the regulations, the District shall be solely responsible for coordinating access to the Facilities under the Civic Center Act and shall require users to provide appropriate proof of insurance related to use of the Facilities and to indemnify and hold harmless the District and Charter School for injury, risk of loss, or damage to property as a result of that access by members of the community. The District agrees to promptly clean and repair, if necessary, any portion of the Facilities used by members of the community immediately following such use. All requests for use of the Facilities made directly to the Charter School shall be forwarded to the District for coordination of use consistent with Board Policy and Administrative Regulations.

(g) Alarms. The Charter School shall have access to activate burglar alarms and intruder alerts corresponding to the Facilities provided at the Site. The Charter School agrees that in the event that any of Charter School's employees, directors, trustees, officers, agents, students, visitors, or contractors, trigger a false alarm at the Site, Charter School shall be responsible for costs incurred.

8. Furnishings and Equipment. The furnishings and equipment to be provided by the District for the Facilities are those furnishings and equipment that exist at the Facilities as of July 1, 2011. Said furnishings and equipment will include sufficient desks, chairs and a white board for each classroom. The Charter School is responsible for any furnishings and equipment over and above those provided by the District. The Charter School shall return all such furniture, fixtures and equipment to the District in like condition at the termination of this Agreement, excepting ordinary wear and tear. Upon return of the furniture, fixtures, and equipment, the District will inspect said items within sixty (60) calendar days. The Charter School shall be responsible for costs to repair or replace furniture, fixtures, and equipment to like condition, excepting ordinary wear and tear. All furniture, fixtures, and equipment that are not the property of the District or are not otherwise reimbursed by the District shall remain the property and under the ownership of Charter School and shall be disposed of according to the provisions of the approved Charter petition.
9. Utilities. District agrees to furnish or cause to be furnished to the Facilities necessary utilities. Utilities include, but are not limited to, are electrical, natural gas, sewer, waste disposal/recycling and water services. Due to cost containment efforts by the District, the number of bins associated with the Site(s), the bin capacities and the number of removals per week shall not increase during the Term. The District's failure to furnish or cause to be furnished necessary utilities when such failure is caused by (i) Acts of God or other acts beyond the control or fault of the District; (ii) strikes, lockouts, or other labor disturbances or labor disputes of any kind; (iii) any laws, rules, orders, ordinances, directions, regulations, requirements, or any other action by federal, state, county or municipal authority; (iv) inability despite the exercise of reasonable diligence by the District to obtain electricity, water, or fuel; or (v) any other unavoidable delay, shall not

cause the District to be in default and shall not result in any liability of the District.

The Charter School shall reimburse the District for the cost of utilities at the Site, as charged to the District by its utility providers, pro-rated to reflect use by other users of the Site. Prior to the commencement of the 2013-2014 school year, the District shall endeavor to notify the Charter School of its estimated monthly charge for utilities. The Charter School shall pay such charge to the District throughout the Term on a monthly basis concurrent with the Charter School's payment of the Facilities Use Fee to the District pursuant to Section 4 of this Agreement. Within one hundred twenty (120) days after the expiration or earlier termination of this Agreement, the District shall provide the Charter School with a reconciliation of the Charter School's actual utility usage throughout the Term and the cost thereof. The District shall either refund the Charter School for any overpayment or shall invoice the Charter School for any underpayment. The Charter School shall reimburse the District for such underpayment, if any, within thirty (30) days after receipt of said invoice.

The Charter School shall comply with all District energy conservation policies in regard to use of the Facilities, as amended from time to time, including, but not limited to, Board Policy 3511 and the District's Energy Education program.

10. Proposition 39/Conditions Reasonably Equivalent.

(a) Charter School acknowledges by execution of the Agreement that the Facilities provided by the Agreement are "reasonably equivalent," as that term is defined by Proposition 39. Charter School agrees that upon execution of this Agreement, all obligations of the District to the Charter School under Proposition 39 have been satisfied for the Term of this Agreement.

(b) Charter School acknowledges and agrees that neither the District nor any of its agents have made, and the District hereby disclaims any representations or warranties, express or implied, concerning the premises, the physical or environmental condition of the premises or any other property beneath, adjacent to, or otherwise related to the premises.

11. Custodial Services.

Custodial services shall be provided pursuant to the terms and conditions as defined in Exhibit D.

12. Signage. The Charter School shall be allowed to place signage on the exterior of the Facilities. The District will keep its own signage exhibited at the Site, identifying the school as operated or formerly operated by the District. The District shall have final approval over the design, content and location of the Charter School's signage, but shall not unreasonably deny such design, content or location. The Charter School must remove the signage upon termination of this Agreement. The Charter School must restore the Facilities, following removal of the signage, to the condition existing prior to installation

of the signage to District's reasonable satisfaction. All such signage shall be subject to compliance with all applicable laws at Charter School's sole cost.

13. Operations and Maintenance.

(a) The cost for the ongoing operations and maintenance of the Facilities and furnishings and equipment is calculated into the Facilities Use Fee of Section 4 of this Agreement. The District shall be responsible for providing the wiring/MIS infrastructure and maintaining it in its condition as of July 1, 2011. Any upgrades or improvements to the wiring/MIS infrastructure shall be the responsibility of the Charter School, in compliance with Section 14 ("Alterations and Additions"). The Charter School is responsible for the cost of internet service provided at the commercial rate.

(b) The District shall be responsible for any modifications necessary to maintain the Facility in accordance with Education Code Sections 47610(d) or 47610.5. Projects eligible to be included in the District's deferred maintenance plan established pursuant to Education Code Section 17582 and the replacement of furnishings and equipment supplied by the District in accordance with the District's schedules and practices shall remain the responsibility of the District. The Charter School shall comply with the District's policies regarding the operations and maintenance of the school facility and furnishings and equipment, except to the extent renovation is approved by the District. However, the Charter School need not comply with policies in cases where actual District practice substantially differs from official policies.

(c) Upon the expiration or earlier termination of this Agreement, Charter School shall surrender the Facilities and furnishings and equipment in the same condition as received, ordinary wear and tear excepted.

14. Alterations and Additions. The Charter School shall only make alterations, additions, or improvements ("Improvements") to the Facilities after obtaining the prior written consent of the District's Superintendent or his designee. Any Improvements to the Facilities made by the Charter School shall be paid for by the Charter School, and shall be contracted for and performed in accordance with all applicable building code standards, including Title 24 of the California Code of Regulations, the Field Act, Americans with Disabilities Act and the Fair Employment and Housing Act.

The District may impose as a condition to the aforesaid consent to such requirements as the District may deem necessary in its sole discretion, including without limitation, the manner in which the work is done, a right of approval of the contractor by whom the work is to be performed, and the times during which it is to be accomplished.

Upon written reasonable request of the District prior to the expiration or earlier termination of the Agreement, Charter School will remove any and all improvements to the Facilities, at its own cost, that can be done without damage to the Facilities. In the event of charter termination or closure of the Charter School, all property shall be disposed of in accordance with the provision of the approved Charter School's petition.

Unless the Parties agree otherwise in writing on an item by item basis, Charter School maintains its ownership rights in any alterations, additions or improvements and may be allowed to remove at termination of this Agreement and restore the Facilities to the condition existing prior to alteration, addition or improvement. Notwithstanding the foregoing, any addition to the Facilities that the Charter School does not remove prior to vacating the Facilities, shall vest in the District.

15. Entry by District. The District may enter the facility at any time to inspect the Facilities, to supply any service to be provided by the District to the Charter School hereunder and to alter, improve or repair the Facilities, or in the case of an emergency, consistent with Education Code Section 47607(a)(1). The District may erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed so long as the Charter School operations do not suffer unreasonable interference. The District agrees to use its best efforts at all times to keep any interference to the academic programs at Charter School to a minimum. The Charter School waives any claim for damages for any inconvenience to or interference with the Charter School's business, any loss or use of quiet enjoyment of the Facilities related to District's entry for the purposes identified in this Section.

16. Employees, Contractors and Independent Contractors. The Charter School and the District, their employees, agents, contractors and subcontractors shall comply with the requirements of Education Code Sections 45125.1 and 45125.2 related to access to the Facilities and protection of minor students.

17. Indemnity.

The Charter School shall indemnify, hold harmless, and defend the District, its Board of Trustees, the members of its Board of Trustees, officers, employees and agents against and from any and all claims, demands, actions, suits, losses, liabilities, expenses and costs for any injury, death or damage to any person or property arising from the Charter School's use of the Facilities, excepting those claims, demands, actions, suits, losses, liabilities, expenses and costs arising from the negligent or intentional acts of the District, its employees, agents, officers and invitees.

The Charter School shall further indemnify, hold harmless, and defend the District, its Board of Trustees, the members of its Board of Trustees, officers, employees and agents against and from any and all claims arising from any breach or default in the performance of any obligation on the Charter School's part to be performed under the terms of this Agreement, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon.

The District shall indemnify, hold harmless, and defend the Charter School, its trustees, officers, and agents against and from any and all claims, demands, actions, suits, losses, liabilities, expenses and costs for any injury, death or damage to any person or property arising from the District's conduct of business at the Facilities, excepting those claims,

demands, actions, suits, losses, liabilities, expenses and costs arising from the negligent or intentional acts of the Charter School, its employees, agents, officers and invitees.

The District shall further indemnify, hold harmless, and defend the Charter School against and from any and all claims arising from any breach or default in the performance of any obligation on the District's part to be performed under the terms of this Agreement, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon.

Upon becoming aware of any casualty or accident in or on the Facilities, each Party to this Agreement shall give prompt written notice thereof to the other Party.

In the event of a third party claim or potential claim covered by these provisions, the Parties agree to take all steps reasonable or necessary to cooperate in defending and protecting their joint interests, and in expediting all reasonable or necessary efforts to gain coverage for the Parties under any liability policy or indemnity agreement issued in favor of the Non-Profit, including indemnity rights or agreements existing in contracts between the Non-Profit and any third party (such as contract with a supplier of goods or services), and further including efforts to reduce defense costs (through joint representation whenever possible), expenses and potential liability exposures.

18. Insurance. The Charter School shall comply with insurance provisions contained within its charter and any Memoranda Of Understanding between the Parties.

19. Damage to or Destruction of School Site.

(a) Cost. The cost of restoring the Facilities under this Section shall be borne by the Charter School if the cause of the casualty is the negligence or intentional act of the Charter School, its employees, agents, students or invitees. The cost of restoring the Facilities under this Section shall be borne by the District if the cause of the casualty is the negligence or intentional act of the District, its employees, agents, or invitees. The Parties shall tender the cost of restoring the Facilities to their respective insurance carriers if the casualty is caused by a third party.

(b) Partial Damage – Insured. If the Facilities are damaged by any casualty which is covered under fire and extended coverage insurance carried by District, then District may restore such damage provided insurance proceeds are available to pay eighty percent (80%) or more of the cost of restoration and provided such restoration can be completed within ninety (90) days after the commencement of the work in the opinion of a registered architect or engineer appointed by District. In such event this Agreement shall continue in full force and effect, except that Charter School shall be entitled to proportionate reduction of use payments while such restoration takes place, such proportionate reduction to be based upon the extent to which the restoration efforts interfere with Charter School's business in the Facilities. The District shall provide the Charter School alternative space in the District for any part of the Charter School program that is displaced by the partial damage and/or the repair work of the same. If the

Charter School secures alternative space then there shall be no diminution in the use payments during the period of the restoration.

(c) Total Destruction. If the Facilities are totally destroyed (defined as the destruction of more than fifty percent (50%) of the usable classroom space) or the Facilities cannot be restored as required herein under applicable laws and regulations, notwithstanding the availability of insurance proceeds, then this Agreement shall be terminated effective the date of the damage. Immediately upon the effective date of the damage, the District must provide a reasonably equivalent school facility to the Charter School as soon as reasonable so as to avoid any interruption in the educational program of the Charter School.

20. Liens. Charter School shall keep the Facilities free from any liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Charter School. Notwithstanding anything stated herein to the contrary, if Charter School fails to promptly release and remove any such lien, District, at its sole option, may immediately (but shall not be obligated to) take all action necessary to release and remove such lien, without any duty to investigate the validity thereof, and all sums, costs and expenses, including reasonable attorneys' fees and costs, incurred by District in connection with such lien shall be immediately due and payable by Charter School.
21. Holding Over. Charter School shall not remain in possession of the Facilities or any part thereof after the expiration of this Agreement or after termination thereof without the express written consent of District. Notwithstanding the foregoing, if the Charter School holds over, the Charter School shall pay the monthly Facilities Use Fee plus all other charges payable required by this Agreement. Any holdover by Charter School requires the Charter School to comply with all terms of this Agreement. A holdover by the Charter School shall not trigger any additional term. The District shall have the right to remove the Charter School at any time after the expiration of the Term or termination of this Agreement.
22. Assignment and Subletting. The Charter School may not assign its rights under this Agreement or sublet any portion of the Facilities without the prior written consent of the District.
23. Rules, Regulations and Law. The Charter School and the Charter School's agents, employees, students, visitors and invitees shall observe and comply fully and faithfully with all reasonable and nondiscriminatory policies, rules, and regulations adopted by the District for the care, protection, cleanliness, and operation of the Facilities, and the Facilities' furnishings and equipment, and shall comply with all applicable laws.
24. Smoking. Smoking or the consumption of alcohol in any form shall not be allowed in or on District property and Facilities, including but not limited to all courtyards, walkways, and parking areas.
25. Default by Charter School. The occurrence of any one or more of the following events

shall constitute a default and material breach of this Agreement by Charter School:

- (a) The failure by Charter School to utilize the Facilities for the sole purpose of operating a charter school.
- (b) The failure by Charter School to make timely payments required under this Agreement.
- (c) The failure by Charter School to observe or perform any of the express covenants, conditions or provisions of this Agreement.
- (d) The revocation or non-renewal of the Charter School's charter. Notwithstanding the foregoing, this Agreement shall not be terminated pursuant to this provision provided that the Charter School continues to operate in accordance with the terms of this Agreement and is diligently pursuing a statutory appeal of the revocation or nonrenewal of its charter.
- (e) The failure by Charter School to maintain ADA of eighty (80) or more in-District students as the term "in-District students" is defined in Proposition 39.

In the event of any material default or breach by Charter School, District may, but shall not be obligated to, terminate this Agreement and Charter School's right to possession of the Facilities upon thirty (30) days written notice thereof to the Charter School if the default is not cured within the thirty (30) day period. If the nature of the default is such that the same cannot reasonably be cured within said thirty (30) day period, the Charter School shall not be in default if Charter School shall within such thirty (30) day period commence such cure and thereafter, diligently prosecute the same to completion. In no event shall such period to cure exceed sixty (60) days. Upon termination, District shall retain the right to recover from Charter School, without limitation, any amounts due under this Agreement or applicable law. Unpaid Facilities Use Fees shall bear interest from the date due at the maximum legal rate. In the event of termination by the District by reason of Charter School's default or breach of this Agreement, the District shall not be obligated to provide facilities to Charter School pursuant to Proposition 39 for the remainder of that school year.

26. Default by District. District shall be in default of this Agreement if District fails to perform any material obligation required by this Agreement. In the event of any default by District, Charter School may terminate this Agreement upon thirty (30) days written notice thereof to the District if the District has failed to cure the default within thirty (30) days, unless the nature of the default is such that the same cannot reasonably be cured within said thirty (30) day period, in which event District shall not be in default (and Charter School may not terminate this Agreement) if District commences to cure such default within such thirty (30) day period and thereafter, diligently prosecutes the same to completion.

27. Miscellaneous.

(a) Waiver. The waiver by either Party of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of any charge hereunder by District or payment of any charge by Charter School shall not be deemed to be a waiver of any preceding default by Charter School or District of any term, covenant or condition of this Agreement, other than the failure of the Charter School to pay the particular charge so accepted, regardless of District's knowledge of such preceding default at the time of the acceptance of such charge.

(b) Marginal Headings. The marginal headings and article titles to the articles of this Agreement are not a part of the Agreement and shall have no effect upon the construction or interpretation of any part hereof.

(c) Successors and Assigns. The covenants and conditions herein contained, subject to the provisions as to assignment, apply and bind the heirs, successors, executors, administrators and assigns of the Parties hereto.

(d) Amendment. No provision of this Agreement may be amended or modified except by an agreement in writing signed by the Parties hereto.

(e) Construction. Each of the Parties acknowledges and agrees that this Agreement is to be construed as a whole according to its fair meaning and not in favor of nor against any of the Parties as draftsman or otherwise.

(f) Venue. Any action or proceeding by any Party to enforce the terms of this Agreement shall be brought solely in the Superior Court of the State of California for the County of Sacramento.

(g) Applicable Law. This Agreement shall be governed by and interpreted under the laws of the State of California applicable to instruments, persons, transactions and subject matter that have legal contacts and relationships exclusively within the State of California.

(h) Severability. If any provision or any part of this Agreement is for any reason held to be invalid, unenforceable or contrary to public policy, law, or statute and/or ordinance, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.

(i) Prevailing Authority. In the event of a conflict between the law and the terms of this Agreement, the law shall prevail, and any such conflicting terms shall be severed from this Agreement and nullified. In the event of a conflict between the terms of the charter and the terms of this Agreement, the terms of this Agreement shall prevail and shall be deemed an amendment to the charter, replacing any conflicting terms therein. In the event

of a conflict between the terms of the charter and any other agreement between the Charter School and the District, the terms of this Agreement shall prevail and shall be deemed an amendment to any other such agreement, replacing any conflicting terms therein.

(j) No Admission. Except as expressly agreed herein, nothing contained herein shall constitute an admission of fact or law.

(k) Binding Obligation. If and to the extent that the Charter School is a separate legal entity from the District, the Charter School expressly agrees that this Agreement is a binding obligation on the Charter School and the District agrees that this Agreement is a binding obligation on the District.

(l) Prior Agreements. This Agreement contains all of the agreements of the Parties hereto with respect to any matter covered or mentioned in this Agreement, and no prior agreements or understanding pertaining to any such matters shall be effective for any purpose.

(m) Subject to Approval by Governing Board. This Agreement shall become effective upon ratification by the District's Governing Board.

(n) Notices. All notices and demands that may be or are to be required or permitted to be given by either Party to the other hereunder shall be in writing. The Charter School shall pay the District for custodial services, at the Facilities, that result in a level of performance consistent with custodial services maintained by the District for its other District schools. The Charter School will reimburse the District for the actual costs, including time, labor and supplies to provide the custodial services for the Facilities. The Charter School shall also release the employee, performing the custodial services, to allow him/her to attend mandatory training provided by the District.

The Charter School shall bear; (1) the actual cost of such custodial services and mandatory trainings, including the salary and benefits of the Custodian; and (2) the cost of any cleaning supplies and tools including but not limited to toilet paper, soap and paper towels, necessary for the Custodian to provide these services.

However, for the 2013-2014 school year, the reimbursement, owed to the District, in-lieu of the actual time for labor, will be at the minimum rate of 3.5 hours per day of custodial services (0.4375 FTE).

The District will invoice the Charter School quarterly for the costs of these custodial services, supplies and tools. The Charter School will pay said invoice within thirty (30) days of receipt.

The District shall inspect the facility at least once annually for compliance with the District's standard of care and cleaning of the facility. The Parties shall meet and confer at least sixty (60) days before July 1 to review the inspection and determine whether an increase in the hours of daily custodial service is necessary for subsequent school years. Should the Parties be unable to agree on the necessary increase, the District may increase the hours to a reasonable and necessary amount to correspond with either: (1) any increase in the amount of students served by the Charter School; (2) any increase in the amount of facilities the custodian must maintain on behalf of the Charter School; or (3) the need to ensure proper care of the facility. The District reserves the right to increase the level of service by replacing the custodian with a Plant Manager if the Charter School does not adequately maintain the facility. The Charter School will pay the Plant Manager's rate under the terms of this Exhibit D.

Additional Services: Should the Charter School require additional custodial services, in any year covered in this agreement including 2013-2014, that are above the District's standard practices and policies, or for special events, those costs to the Charter School will be assessed separately as requested.

FACILITIES USE AGREEMENT

This Facilities Use Agreement (“Agreement”) is made by and between Sacramento City Unified School District (“District”) and St. HOPE Public Schools, a California non-profit public benefit corporation (“Non-Profit”), which operates Sacramento Charter High School, Public School No. 7, and Oak Park Preparatory School, charter schools (Singularly or collectively, the “Charter Schools”). The Non-Profit and District are collectively referred to as the “Parties.”

RECITALS

- A. WHEREAS, the District and its charter schools are partners in the public education of students and it is the District’s intent to ensure that its facilities are shared equally with all of its students, including those students who attend its charter schools housed in District facilities.
- B. WHEREAS, District is the owner of certain real property located at 5201 Strawberry Lane and 2315 34th Street, Sacramento, California (“Sites”).
- C. WHEREAS, the Charter Schools are charter schools duly formed and approved by the District under the laws of the Charter Schools Act of 1992 (Education Code §§ 47600, *et seq.*) PS7 serves students in grades Kindergarten through 8th grade in the 2012-2013 to 2016-2017 school years; Oak Park Preparatory School serves students in 7th through 8th grade in the 2012-2013 to 2014-2015 school years; and, Sacramento Charter High School serves grades 9th through 12th in the 2012-2013 to 2016-2017 school years.
- D. WHEREAS, the Charter Schools desire to use certain District facilities located on the Sites for its public charter school programs.
- E. WHEREAS, the Parties intend this Agreement to satisfy their obligations for the 2012-2013 to 2016-2017 school years, under Education Code Section 47614 and Title 5 of the California Code of Regulations Section 11969, *et seq.*, adopted by the State Board of Education (“Proposition 39”), which among other things require a written agreement regarding the allocation of facilities.

AGREEMENT

NOW THEREFORE, in consideration of the covenants and conditions of this Agreement, the Parties hereby agree as follows. All obligations imposed hereby on the Charter Schools are equally imposed on the Non-Profit.

1. Recitals.

The recitals set forth above are incorporated herein and made part of this Agreement.

2. Facilities.

Use of the Facilities shall be for the purposes set forth in the Charter Schools' charter, and on the terms and conditions set forth herein. The Charter Schools shall not have exclusive use of the Sites. The District grants use to the Non-Profit of the facilities located at the 34th Street Site, as identified in Exhibits A and B attached to this Agreement and incorporated herein by reference, and the facilities at the Strawberry Lane Site (Collectively, "Facilities") under the terms and conditions set forth in this Agreement. In regard to the housing of PS7, the Facilities at the 5201 Strawberry Lane Site are designated for grades K-5. The Facilities at the 2315 34th Street Site are designated for PS7's grades 6-8. Charter Schools use of the Facilities shall be made available for the entire calendar year through the Term of this Agreement.

Notwithstanding the above, the District specifically reserves the right to have exclusive access to, and exclusive use of, Rooms P16-P20 and E33-E39 ("Co-location Space") at the 34th Street Site (as reflected in Exhibit B) including but not limited to placement of another educational program ("co-location"). Should the District choose to use some or all of the Co-location Space at the 34th Street Site, the District will also have shared access and use of the following areas of this Site (as reflected in Exhibit B): Annex 1, 2 and 3; the Auditorium building (including Auditorium classrooms 1, 2 and 3); the Mel Lawson Theater; the pool house, the field house and locker rooms; the pavilion gym building and locker rooms; a reasonable number of parking spaces; and a reasonable number of faculty and student rest rooms located in the east wing of the building ("Shared Use Areas"). The District's right to co-locate is limited to the Co-location Space and Shared Use Areas above.

As of August 1, 2012, the pool house and Auditorium building (including Auditorium classrooms 1, 2 and 3) are not available for use by the Charter Schools. Therefore, the Charter Schools will not be charged a fee for the pool house and Auditorium building (including Auditorium classrooms 1, 2 and 3) until these areas do become available for use by the Charter Schools. When and if the pool house and Auditorium building become available, the Charter Schools will have the option of using the pool house and Auditorium building or any subpart thereof, and will only be charged a fee should they choose to do so. The Charter School must provide the District with Sixty (60) days written notice if it will use the pool house and/or Auditorium building.

The District shall give written notice to the Non-Profit of the District's use of the Co-location Space or Shared Use Areas ("Notice of Use") at least sixty (60) days before it will begin such use.

For scheduling purposes related to the Shared Use Areas, the District will meet and confer with the Non-Profit, as follows:

- a. An initial scheduling meeting will occur within ten (10) days of the Notice of Use. At the initial scheduling meeting, the Parties will submit and discuss tentative schedules of use of the Shared Use Areas.

b. A master scheduling meeting (“Master Scheduling Meeting”) shall occur no later than thirty (30) days prior to the District’s use of the Co-location Space or Shared Use Areas. At the Master Scheduling Meeting, the Parties shall agree upon a master schedule. The Master Scheduling Meeting will consist of the Charter Schools’ Superintendent designee of the schools, and the District’s Chief Accountability Officer or his/her designee. The agreed-upon master schedule will supersede any previously developed schedules.

c. When creating the tentative and master schedules, (i) the Charter Schools will receive priority for regular use of the Shared Use Areas of the field house and locker rooms and the pavilion gym building and locker rooms, but the District would have use for no less than 2 hours per day between 8 a.m. and 3 p.m.; and (ii) the District will receive priority for regular use of the Shared Use Areas of the Annex 1, 2 and 3, the Auditorium building (including Auditorium classrooms 1, 2 and 3), and the Mel Lawson Theater, but the Charter Schools, collectively, would have use for no less than 2 hours per day between 8 a.m. and 3 p.m.. Any remaining time for these Shared Use Areas will be available for third-party use consistent with the District’s procedures and policies.

d. To the extent that there are times when the Shared Use Areas are not scheduled for use by either party, the Shared Use Areas will be made available on a first-come, first-serve basis from the time a request is submitted. Requests for use of the Shared Use Areas will be submitted by a party in writing to the other party and shall designate the time, date, number of hours, number of participants and type of use of the Shared Use Areas. No requests shall be made more than sixty (60) days in advance. The District shall confirm that the requested use is approved in a timely manner. Under mutual consent, the Parties will re-open the master calendar for any scheduling exceptions that may occur.

3. Term.

The term of this Agreement shall be from July 1, 2012 to June 30, 2017 (“Term”), unless earlier terminated as provided herein.

4. Facilities Use Fee.

Each and every school year, Non-Profit shall pay District a Facilities Use Fee. Facilities Use Fees shall be paid out in equal installments each month throughout the respective school year within the Term. Beginning on July 1, 2012, payments shall be payable on or in advance on the first day of each month (“Due Date”) in lawful money of the United States.

The calculation for the 2012-2013 school year, and terms of Facilities Use Fee payments, are further described with more particularity in Exhibit C, attached hereto and incorporated herein. These fees will be calculated and adjusted annually by the District.

The Facility Use Fee shall be based on a pro rata cost estimate per square foot for the Facilities provided. The dollar amount to be paid by Non-Profit, per square foot, for use of the Facilities during the Term will be calculated by the District pursuant to Title 5, California Code of Regulations, section 11969.7. To calculate the fee, the District must determine actual facilities costs and total space figures in the year preceding the fiscal year in which facilities are provided. Such amounts may only become available to the District after each fiscal year ends. Therefore, within ninety (90) days of the beginning of each fiscal year, or as soon as the actual facilities costs and total space figures for the prior fiscal year become available, whichever is later, the District shall provide notice to the Non-Profit of any amended Facilities Use Fee calculations based on the actual data for the prior fiscal year. Amounts owed to or by the Non-Profit due to this calculation will be credited or added to subsequent remaining monthly installment payments of the Facilities Use Fees.

If any payment is made more than fifteen (15) days after the Due Date, a late fee of one percent (1%) shall apply and interest shall accrue thereafter on such late payment commencing thirty (30) days after the Due Date, provided however that no interest shall accrue on said late fee. The interest charged shall be computed at the then-current discount rate established by the Federal Reserve Bank of San Francisco plus five percent (5%), or the maximum rate permitted by law. The payment by Non-Profit of any late fees or interest shall in no event excuse or cure any default by Non-Profit nor waive District's legal rights and remedies with respect to such default.

The Parties agree that the Facilities Use Fee is in lieu of Non-Profit paying a pro rata share for in-district students and any actual costs for out-of-district students.

5. [Not used.]

6. Dispute Resolution.

The Parties agree to attempt to resolve all disputes regarding this Agreement, including the alleged violation, misinterpretation, or misapplication of the Agreement and/or a schedule conflict for Shared Use Areas, pursuant to the dispute resolution procedures identified in the Charter Schools' charter.

7. Use.

a. Public Charter School. The Facilities shall be used and occupied by the Charter Schools for the sole purpose of operating a California public charter school and for no other purpose without the prior written consent of the District. The Charter Schools' enrollment must not exceed the safe and legal limit for the classroom space it occupies.

b. Insurance Risk. The District shall maintain first party property insurance for the Facilities. The Charter Schools shall not do or permit anything to be done in or about the Facilities nor bring or keep anything therein which will in any way increase the existing insurance rate or affect any fire or other insurance upon the Facilities, or any of the

contents of the Facilities (unless the District gives its prior approval and the Non-Profit pays any increased premium as a result of such use or acts), or cause a cancellation of any insurance policy covering the Facilities or any part thereof or any of its contents, nor shall the Charter Schools sell or permit to be kept, used, or sold in or about the Facilities any articles which may be prohibited by a standard form policy of fire insurance. The Charter Schools shall provide adequate and appropriate supervision for Charter School students and employees using the Facilities.

c. Rights of the District. The Charter Schools shall not do or permit anything to be done in or about the Facilities that will in any way obstruct or interfere with the rights of the District or injure the District, or use or allow the Facilities to be used for any unlawful purpose, nor shall the Charter Schools cause, maintain or permit any nuisance in or about the Facilities. The Charter Schools shall not commit or suffer to be committed any waste in or upon the Facilities.

d. Illegal Uses. The Charter Schools shall not use the Facilities or permit anything to be done in or about the Facilities that will in any way conflict with any applicable law, statute, ordinance or governmental rule, or regulation. The Charter Schools agree to comply with their respective charters as they relate to District Facilities.

e. Security Badges. The Charter Schools will provide identification cards to its staff. The identification cards will be pictured with school name, logo, staff names, and titles. In the event a Co-location with a District program occurs, both the Charter Schools' staff and District staff shall carry said cards at all times that they are at the Site.

f. Civic Center Act. The Charter Schools agree to comply with the provisions of the Civic Center Act (Education Code Section 38131, *et seq.*) in making use of the Facilities accessible to members of the community. The Parties understand that the Facilities are to be primarily used for school programs and activities and as such any use of the Facilities by members of the community shall not interfere with school activities at any time. District Board Policy and Administrative Regulations related to the Civic Center Act shall control scheduling, use and collection of fees related to use of the Facilities by members of the public. Consistent with that policy and the regulations, the District shall be solely responsible for coordinating access to the Facilities under the Civic Center Act and shall require users to provide appropriate proof of insurance related to use of the Facilities and to indemnify and hold harmless the District and Charter Schools for injury, risk of loss, or damage to property as a result of that access by members of the community. The District agrees to promptly clean and repair, if necessary, any portion of the Facilities used by members of the community immediately following such use. All requests for use of the Facilities made directly to the Charter Schools shall be forwarded to the District for coordination of use consistent with Board Policy and Administrative Regulations.

g. Alarms. The Charter Schools shall have access to activate burglar alarms and intruder alerts corresponding to the Facilities provided at the Site. The Charter Schools agree that in the event that any of Charter Schools' employees, directors, trustees, officers, agents,

students, visitors, or contractors, trigger a false alarm at the Site, the Charter Schools shall be responsible for costs incurred.

8. Furnishings and Equipment.

The furnishings and equipment to be provided by the District for the Facilities are those furnishings and equipment that exist at the Facilities as of July 1, 2012. Said furnishings and equipment will be provided pursuant to Education Code section 47614(b), and Title 5, California Code of Regulations, section 11969.2. The Non-Profit is responsible for any furnishings and equipment over and above those provided by the District, except the District shall be responsible for providing Charter Schools additional furnishings and equipment, consistent with the District's policies, that are reasonably equivalent to meet the increase in in-District ADA, when it occurs, throughout the term of this Agreement.

The Non-Profit shall return all such furniture, fixtures and equipment to the District in like condition at the termination of this Agreement, excepting ordinary wear and tear. Upon return of the furniture, fixtures, and equipment, the District will inspect said items within sixty (60) calendar days. The Non-Profit shall be responsible for costs to repair or replace furniture, fixtures, and equipment to like condition, excepting ordinary wear and tear. All furniture, fixtures, and equipment that are not the property of the District or are not otherwise reimbursed by the District shall remain the property and under the ownership of Non-Profit and shall be disposed of according to the provisions of the approved Charter petitions.

9. Utilities.

District agrees to furnish or cause to be furnished to the Facilities necessary utilities. Utilities include, but are not limited to, electrical , natural gas, sewer, waste disposal/recycling and water services. Due to cost containment efforts by the District, the number of bins associated with the Site(s) and the number of removals per week shall only increase during the Term proportionally based on an increase in ADA. The District's failure to furnish or cause to be furnished necessary utilities when such failure is caused by (i) Acts of God or other acts beyond the control or fault of the District; (ii) strikes, lockouts, or other labor disturbances or labor disputes of any kind; (iii) any laws, rules, orders, ordinances, directions, regulations, requirements, or any other action by federal, state, county or municipal authority; (iv) inability despite the exercise of reasonable diligence by the District to obtain electricity, water, or fuel; or (v) any other unavoidable delay, shall not cause the District to be in default and shall not result in any liability of the District.

The Non-Profit shall reimburse the District for the cost of utilities at the Sites, as charged to the District by its utility providers, pro-rated to reflect use by other users of the Sites. Thirty (30) days prior to the commencement of the 2012-2013 school year, and every subsequent school year during the Term of this Agreement, the District shall endeavor to notify the Non-Profit of its estimated monthly charge for utilities. The Non-Profit shall pay such charge to the District throughout the Term on a monthly basis concurrent with

the Non-Profit payment of the Facilities Use Fee to the District pursuant to Section 4 of this Agreement. Within one hundred twenty (120) days after the expiration of each school year, or earlier termination of this Agreement, the District shall provide the Non-Profit with a reconciliation of the Non-Profit's actual utility usage throughout the Term and the cost thereof. The District shall either refund the Non-Profit for any overpayment or shall invoice the Non-Profit for any underpayment. The Non-Profit shall reimburse the District for such underpayment, if any, within thirty (30) days after receipt of said invoice.

The Charter Schools shall comply with all District energy conservation policies in regard to use of the Facilities, as amended from time to time, including, but not limited to, Board Policy 3511 and the District's Energy Education program.

10. Proposition 39/Conditions Reasonably Equivalent.

a. Non-Profit acknowledges by execution of the Agreement that the Facilities provided by the Agreement are "reasonably equivalent," as that term is defined by Proposition 39. Non-Profit agrees that upon execution of this Agreement, all obligations of the District to the Non-Profit and Charter Schools under Proposition 39 have been satisfied for the Term of the Agreement.

b. Non-Profit acknowledges and agrees that neither the District nor any of its agents have made, and the District hereby disclaims any representations or warranties, express or implied, concerning the premises, the physical or environmental condition of the premises or any other property beneath, adjacent to, or otherwise related to the premises.

11. Custodial Services.

Custodial services shall be provided by the District pursuant to the terms and conditions as defined in Exhibit D.

12. Signage.

The Charter Schools shall be allowed to place signage on the exterior of the Facilities. The District will keep its own signage exhibited at the Site, identifying the school as operated or formerly operated by the District. The District shall have final approval over the design, content and location of the Charter Schools' signage, but shall not unreasonably deny such design, content or location. The Charter Schools must remove the signage upon termination of this Agreement. The Charter Schools must restore the Facilities, following removal of the signage, to the condition existing prior to installation of the signage to District's reasonable satisfaction. All such signage shall be subject to compliance with all applicable laws at Non-Profit's sole cost.

13. Maintenance and Repairs.

a. The District shall maintain the Facilities, furnishings and equipment, in good order, condition, and repair. The Non-Profit will reimburse the District for the costs, including

time, labor and materials, to maintain the Facilities in good order, condition and repair. Said costs to the Non-Profit will be the sum total of: 1) The Facilities Use Fee of Section 4 of the Agreement; 2) the costs of custodial services per Section 11 and Exhibit D of the Agreement; and 3) the actual costs, including salary, benefits and payroll taxes, of the equivalent of one full time (1.0 FTE) District-employed Plant Manager (SPOM III) assigned to the Sites for all 12 months of the year. The District will invoice the Non-Profit quarterly for these actual costs of the District employed custodian and Plant Manager assigned to the Site. The Non-Profit will pay said invoice within thirty (30) days of receipt.

b. The Charter Schools will provide reasonable workspace for the Plant Manager assigned to the Sites.

c. The District will be responsible for any modifications necessary to maintain the Facility in accordance with Education Code sections 47610, subd.(d) or 47610.5. District shall be responsible for the major maintenance of the facilities used by Charter Schools. For purposes of this section, "major maintenance" includes the major repair or replacement of plumbing, heating, air conditioning, electrical, roofing, and floor systems, exterior and interior painting, and any other items considered deferred maintenance under Education Code section 17582.

d. The District shall be responsible for providing the wiring / MIS infrastructure and maintaining it in its condition as of July 1, 2012. Any upgrades or improvements to the wiring / MIS infrastructure shall be the responsibility of the Charter Schools, in compliance with Section 14 ("Alterations and Additions"). The Charter Schools are responsible for the cost of internet services provided at the commercial rate.

e. Upon the expiration or earlier termination of this Agreement, the Charter Schools shall surrender the Facilities and furnishings and equipment in the same condition as received, ordinary wear and tear excepted.

14. Alterations and Additions.

The Charter Schools shall only make alterations, additions, or improvements ("Improvements") to the Facilities after obtaining the prior written consent of the District's Superintendent or his designee, which shall not be unreasonably withheld. Any Improvements to the Facilities made by the Charter Schools shall be paid for by the Charter Schools, and shall be contracted for and performed in accordance with federal, state and local law, and all applicable building code standards, including without limitation Title 24 of the California Code of Regulations, the Field Act, Americans with Disabilities Act and the Fair Employment and Housing Act and all applicable District policies relating to facilities construction (the "Construction Standards"). The District Superintendent or his designee will identify persons with whom the Charter Schools can communicate to seek information regarding District policies and to obtain consent for Improvements.

The District may impose, as a condition to the aforesaid consent, such requirements as the District may deem necessary in its sole discretion, including without limitation, the manner in which the work is done, a right of approval of the contractor by whom the work is to be performed, and the times during which it is to be accomplished.

Should the Charter Schools fail to obtain the prior written consent of the District's Superintendent or his designee for Improvements, the Charter Schools shall, upon written request by the District, immediately cease making Improvements until such written consent is obtained, and the Charter Schools shall bear any costs, expenses and liabilities associated with the work stoppage.

Should the Charter Schools fail to contract and perform the Improvements in accordance with the Construction Standards or fail to adhere to the conditions to the District's consent as described above, the District may, at its sole option, direct that the Charter Schools immediately cease making such Improvements, and the District may alter, repair, or improve the Facilities pursuant to paragraph 15 hereunder, to bring the Facilities into compliance with the Construction Standards and/or the conditions to the District's consent, and Charter Schools shall be responsible for all such costs and expenses incurred by the District for such alterations, repairs or improvements. No Improvement shall reduce or otherwise impair the value of the Facilities. No Improvements shall be commenced until Charter Schools have first obtained and paid for all required permits and authorizations of all governmental authorities having jurisdiction with respect to such Improvements. All Improvements shall be made in a good workmanlike manner and in compliance with all laws, ordinances, regulations, codes and permits.

Upon written reasonable request of the District prior to the expiration or earlier termination of the Agreement, Charter Schools will remove any and all improvements to the Facilities, at its own cost, that can be done without damage to the Facilities. In the event of charter termination or closure of one or more of Charter Schools, all property shall be disposed of in accordance with the provision of the approved individual Charter School's petition. Unless the Parties agree otherwise in writing on an item by item basis, Charter Schools maintains their ownership rights in any alterations, additions or improvements and may be allowed to remove at termination of this Agreement and restore the Facilities to the condition existing prior to alteration, addition or improvement. Notwithstanding the foregoing, any addition to the Facilities that the Charter Schools do not remove prior to vacating the Facilities, shall vest in the District.

15. Entry by District.

The District may enter the facility at any time to inspect the Facilities, to supply any service to be provided by the District to the Charter Schools hereunder and to alter, improve or repair the Facilities, or in the case of an emergency, consistent with Education Code Section 47607(a)(1).

The District may erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed so long as the Charter Schools'

operations do not suffer unreasonable interference. The District agrees to use its best efforts at all times to keep any interference to the academic programs at Charter Schools to a minimum. The Charter Schools waive any claim for damages for any inconvenience to or interference with the Charter Schools' business, any loss or use of quiet enjoyment of the Facilities related to District's entry for the purposes identified in this Section.

16. Employees, Contractors and Independent Contractors.

The Charter Schools and the District, their employees, agents, contractors and subcontractors shall comply with the requirements of Education Code Sections 45125.1 and 45125.2 related to access to the Facilities and protection of minor students.

17. Indemnity.

The Charter Schools, individually and collectively, shall indemnify, hold harmless, and defend the District, its Board of Trustees, the members of its Board of Trustees, officers, employees and agents against and from any and all claims, demands, actions, suits, losses, liabilities, expenses and costs for any injury, death or damage to any person or property arising from the Charter Schools' use of the Facilities, excepting those claims, demands, actions, suits, losses, liabilities, expenses and costs arising from the negligent or intentional acts of the District, its employees, agents, officers and invitees.

The Charter Schools shall further indemnify, hold harmless, and defend the District, its Board of Trustees, the members of its Board of Trustees, officers, employees and agents against and from any and all claims arising from any breach or default in the performance of any obligation on the individual or collective Charter Schools' part to be performed under the terms of this Agreement, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon.

The District shall indemnify, hold harmless, and defend the Charter Schools, their trustees, officers, and agents against and from any and all claims, demands, actions, suits, losses, liabilities, expenses and costs for any injury, death or damage to any person or property arising from the District's conduct of business at the Facilities, excepting those claims, demands, actions, suits, losses, liabilities, expenses and costs arising from the negligent or intentional acts of the Charter Schools, their employees, agents, officers and invitees.

The District shall further indemnify, hold harmless, and defend the Charter Schools against and from any and all claims arising from any breach or default in the performance of any obligation on the District's part to be performed under the terms of this Agreement, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon.

Upon becoming aware of any casualty or accident in or on the Facilities, each Party to this Agreement shall give prompt written notice thereof to the other Party.

In the event of a third party claim or potential claim covered by these provisions, the Parties agree to take all steps reasonable or necessary to cooperate in defending and protecting their joint interests, and in expediting all reasonable or necessary efforts to gain coverage for the Parties under any liability policy or indemnity agreement issued in favor of the Non-Profit, including indemnity rights or agreements existing in contracts between the Non-Profit and any third party (such as contract with a supplier of goods or services), and further including efforts to reduce defense costs (through joint representation whenever possible), expenses and potential liability exposures.

18. Insurance.

The Charter Schools shall comply with insurance provisions contained within its charter and any Memoranda Of Understanding between the Parties.

19. Damage to or Destruction of School Site.

a. Cost. The cost of restoring the Facilities under this Section shall be borne by the Non-Profit if the cause of the casualty is the negligence or intentional act of one or more of the Charter Schools, its employees, agents, students or invitees. The cost of restoring the Facilities under this Section shall be borne by the District if the cause of the casualty is the negligence or intentional act of the District, its employees, agents, or invitees. The Parties shall tender the cost of restoring the Facilities to their respective insurance carriers if the casualty is caused by a third party.

b. Partial Damage – Insured. If the Facilities are damaged by any casualty which is covered under fire and extended coverage insurance carried by District, then District may restore such damage provided insurance proceeds are available to pay eighty percent (80%) or more of the cost of restoration and provided such restoration can be completed within ninety (90) days after the commencement of the work in the opinion of a registered architect or engineer appointed by District. In such event this Agreement shall continue in full force and effect, except that Charter Schools shall be entitled to proportionate reduction of use payments while such restoration takes place, such proportionate reduction to be based upon the extent to which the restoration efforts interfere with Charter Schools' business in the Facilities. The District shall provide the Charter Schools alternative space in the District for any part of the respective Charter Schools' program that is displaced by the partial damage and/or the repair work of the same. If one or more of the effected Charter Schools secure alternative space then there shall be no diminution in the use payments during the period of the restoration.

c. Total Destruction. If the Facilities are totally destroyed (defined as the destruction of more than fifty percent (50%) of the usable classroom space) or the Facilities cannot be restored as required herein under applicable laws and regulations, notwithstanding the availability of insurance proceeds, then this Agreement shall be terminated effective the date of the damage. Immediately upon the effective date of the damage, the District must provide a reasonably equivalent school facility to the effected Charter Schools as soon as

reasonable so as to avoid any interruption in the educational program of the effected Charter Schools.

20. Liens.

Non-Profit shall keep the Facilities free from any liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Non-Profit. Notwithstanding anything stated herein to the contrary, if the Non-Profit fails to promptly release and remove any such lien, District, at its sole option, may immediately (but shall not be obligated to) take all action necessary to release and remove such lien, without any duty to investigate the validity thereof, and all sums, costs and expenses, including reasonable attorneys' fees and costs, incurred by District in connection with such lien shall be immediately due and payable by Non-Profit.

21. Holding Over.

Non-Profit shall not remain in possession of the Facilities or any part thereof after the expiration of this Agreement or after termination thereof without the express written consent of District. Notwithstanding the foregoing, if the Non-Profit holds over, the Non-Profit shall pay the monthly Facilities Use Fee plus all other charges payable required by this Agreement. Any holdover by Non-Profit requires the Non-Profit and the Charter Schools to comply with all terms of this Agreement. A holdover by the Charter School shall not trigger any additional term. The District shall have the right to remove the Charter Schools at any time after the expiration of the Term or termination of this Agreement.

22. Assignment and Subletting.

The Non-Profit may not assign its rights under this Agreement or sublet any portion of the Facilities without the prior written consent of the District.

23. Rules, Regulations and Law.

The Charter Schools and the Charter Schools' agents, employees, students, visitors and invitees shall observe and comply fully and faithfully with all reasonable and nondiscriminatory policies, rules, and regulations adopted by the District for the care, protection, cleanliness, and operation of the Facilities, and the Facilities' furnishings and equipment, and shall comply with all applicable laws. The District will provide the Non-Profit with copies of the relevant written custodial and maintenance policies. The District will provide any such written policies that are amended during the term of the Agreement.

24. Smoking.

Smoking or the consumption of alcohol in any form shall not be allowed in or on District property and Facilities, including but not limited to all courtyards, walkways, and parking

areas.

25. Default by Non-Profit.

The occurrence of any one or more of the following events shall constitute a default and material breach of this Agreement by Non-Profit:

- a. The failure by Non-Profit to utilize the Facilities for the sole purpose of operating the Charter Schools.
- b. The failure by Non-Profit to make timely payments required under this Agreement.
- c. The failure by Non-Profit to observe or perform any of the material express covenants, conditions or provisions of this Agreement.

d. The revocation or non-renewal of one or more of the Charter School' charters. Notwithstanding the foregoing, this Agreement shall not be terminated pursuant to this provision provided that the Charter School continues to operate in accordance with the terms of this Agreement and is diligently pursuing a statutory appeal of the revocation or nonrenewal of its charter. In the event of any material default or breach by Non-Profit, District may, but shall not be obligated to, terminate this Agreement and Non-Profit's right to possession of the Facilities upon thirty (30) days written notice thereof to the Non-Profit if the default is not cured within the thirty (30) day period. If the nature of the default is such that the same cannot reasonably be cured within said thirty (30) day period, the Non-Profit shall not be in default if Non-Profit shall within such thirty (30) day period commence such cure and thereafter, diligently prosecute the same to completion. In no event shall such period to cure exceed sixty (60) days.

In the instance of a default pursuant to part (d) of this provision, the District may impose the following remedy: The specific Facilities allocated to the respective charter school(s) that has been revoked or not renewed shall revert back to District possession and use. Upon termination, District shall retain the right to recover from Non-Profit, without limitation, any amounts due under this Agreement or applicable law. Unpaid Facilities Use Fees shall bear interest from the date due at the maximum legal rate. In the event of termination by the District by reason of Non-Profit default or breach of this Agreement, the District shall not be obligated to provide facilities to the Charter Schools pursuant to Proposition 39 for the remainder of that school year.

26. Default by District.

District shall be in default of this Agreement if District fails to perform any material obligation required by this Agreement. In the event of any default by District, Charter School may perform the action that is the obligation of the District and invoice the District for the reasonable costs thereof. Prior to taking such action, the Non-Profit must provide thirty (30) days written notice thereof to the District if the District has failed to cure the default within thirty (30) days, unless the nature of the default is such that the

same cannot reasonably be cured within said thirty (30) day period, in which event District shall not be in default (and Charter School may not terminate this Agreement) if District commences to cure such default within such thirty (30) day period and thereafter, diligently prosecutes the same to completion.

27. Miscellaneous.

a. Waiver. The waiver by either Party of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of any charge hereunder by District or payment of any charge by Non-Profit shall not be deemed to be a waiver of any preceding default by Non-Profit or District of any term, covenant or condition of this Agreement, other than the failure of the Non-Profit to pay the particular charge so accepted, regardless of District's knowledge of such preceding default at the time of the acceptance of such charge.

b. Marginal Headings. The marginal headings and article titles to the articles of this Agreement are not a part of the Agreement and shall have no effect upon the construction or interpretation of any part hereof.

c. Successors and Assigns. The covenants and conditions herein contained, subject to the provisions as to assignment, apply and bind the heirs, successors, executors, administrators and assigns of the Parties hereto.

d. Amendment. No provision of this Agreement may be amended or modified except by an agreement in writing signed by the Parties hereto.

e. Construction. Each of the Parties acknowledges and agrees that this Agreement is to be construed as a whole according to its fair meaning and not in favor of nor against any of the Parties as draftsman or otherwise.

f. Venue. Any action or proceeding by any Party to enforce the terms of this Agreement shall be brought solely in the Superior Court of the State of California for the County of Sacramento.

g. Applicable Law. This Agreement shall be governed by and interpreted under the laws of the State of California applicable to instruments, persons, transactions and subject matter that have legal contacts and relationships exclusively within the State of California.

h. Severability. If any provision or any part of this Agreement is for any reason held to be invalid, unenforceable or contrary to public policy, law, or statute and/or ordinance, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.

i. Prevailing Authority. In the event of a conflict between the law and the terms of this

Agreement, the law shall prevail, and any such conflicting terms shall be severed from this Agreement and nullified. In the event of a conflict between the terms of the charter and the terms of this Agreement, the terms of this Agreement shall prevail. The Parties shall meet and confer to determine how to correct any conflicts so this Agreement complies with the Charter.

j. No Admission. Except as expressly agreed herein, nothing contained herein shall constitute an admission of fact or law.

k. Binding Obligation. If and to the extent that the Non-Profit is a separate legal entity from the District, the Non-Profit expressly agrees that this Agreement is a binding obligation on the Non-Profit and the Charter Schools and the District agrees that this Agreement is a binding obligation on the District.

l. Prior Agreements. This Agreement contains all of the agreements of the Parties hereto with respect to any matter covered or mentioned in this Agreement, and no prior agreements or understanding pertaining to any such matters shall be effective for any purpose.

m. Subject to Approval by Governing Board. This Agreement shall become effective upon ratification by the District's Governing Board.

Exhibit C – Facilities Use Fee

For the 2012-2013 school year, Non-Profit shall pay District an initial estimated Facilities Use Fee of Five Hundred Forty-Three Thousand Nine Hundred Four Dollars and Twenty Cents (\$543,904.20) based on a pro rata Facilities cost estimate of Two Dollars and Ten Cents (\$2.10) per square foot for the use of approximately Two Hundred Fifty Nine Thousand and Two (259,002) square feet of the Facilities (237,180 square feet at Sacramento High School site plus 21,822 square feet at the Strawberry Lane Site) during that time. The Facilities Use Fee shall be paid out in equal installments of Forty-Five Thousand Three Hundred Twenty-Five Dollars and Thirty-Five Cents (\$45,325.35) each month throughout the fiscal year. Beginning on July 1, 2012, payments shall be payable on or in advance on the first day of each month (“Due Date”), without deduction, offset, prior notice or demand, in lawful money of the United States.

The District will re-calculate and adjust these fees annually for the remaining fiscal years for the Term of this Agreement.

In the event that there are adjustments made to the allocation of space, the Facilities Use Fee will be calculated according to the square feet allocated.

Exhibit D – Custodial Services

a. Routine Services. The District shall be responsible for providing the “routine” or regularly scheduled daily or weekly custodial services for the Strawberry Lane facility. The level of said services will be consistent with the District’s standard practices and policies. The District’s standard policies will be provided to the Charter schools. Said services will be provided by District employees, and Charter Schools have the right to report dissatisfaction with the custodial services so the District will take any corrective action that may be appropriate. Charter Schools shall have the right to direct the custodian to perform specific duties that are within the scope of the custodian’s job duties. The Charter Schools will reimburse the District for the actual costs, including time and labor (including salary, benefits and payroll taxes), to provide custodial services for the Strawberry Lane facility. In order to provide more comprehensive coverage of services, Charter Schools will employ two (2) 3.5 hour custodians on separate shifts.

Said reimbursement shall also include actual costs to the District for any cleaning supplies and tools necessary for those District personnel to provide Custodial Services, including but not limited to toilet paper, soap and paper towels. The District will invoice the Charter Schools quarterly for these services. The Charter Schools will pay said invoice within thirty (30) days of receipt.

This Amendment ("Amendment") is entered into by and between Sacramento City Unified School District ("District") and Urban Charter Collective, a California non-profit public benefit corporation ("Non-Profit"), as operator of Yav Pem Suab Academy, on the effective date as set forth below. WHEREAS, the District and the Non-Profit entered into an Agreement for an extension of the term July 1, 2019, to June 30, 2020, which became effective on October 18, 2018.

WHEREAS, the District and the Non-Profit entered into an Agreement for an extension of the term July 1, 2020, to June 30, 2021, which became effective on August 20, 2020.

WHEREAS, the District and the Non-Profit entered into an Agreement for an extension of the term July 1, 2021, to June 30, 2022, which became effective on June 24, 2021.

WHEREAS, the District and the Non-Profit entered into an Agreement for an extension of the term July 1, 2022, to June 30, 2023, which became effective on June 10, 2022.

FACILITIES USE AGREEMENT

This Facilities Use Agreement (“Agreement”) is made by and between Sacramento City Unified School District (“District”) and Urban Charter Schools Collective, a California non-profit public benefit corporation (“Non-Profit”), which operates Yav Pem Suab—Preparing for the Future Charter School, a charter school (“Charter School”). The Non-Profit and District are collectively referred to as the “Parties.”

RECITALS

- A. WHEREAS, the District and its charter schools are partners in the public education of students and it is the District’s intent to ensure that its facilities are shared equally with all of its students, including those students who attend its charter schools housed in District facilities.
- B. WHEREAS, District is the owner of real property located at Lisbon Elementary School, 7555 South Land Park Drive, Sacramento, California (“Site”).
- C. WHEREAS, Charter School is a charter school duly formed and approved by the District under the laws of the Charter Schools Act of 1992 (Education Code §§ 47600, *et seq.*) serving students in grades kinder through 6th grade in the 2015-16, 2016-17, and 2016-17 school year.
- D. WHEREAS, Charter School desires to use certain District facilities located on the Site for its public charter school program.
- E. WHEREAS, the Parties intend this Agreement to satisfy their obligations under Education Code Section 47614 and Title 5 of the California Code of Regulations Section 11969, *et seq.*, adopted by the State Board of Education (“Proposition 39”), which among other things require a written agreement regarding the allocating of facilities under Proposition 39, for the 2015-2016, 2016-2017, and 2017-18 school years.

AGREEMENT

NOW THEREFORE, in consideration of the covenants and conditions of this Agreement, the Parties hereby agree as follows. All obligations imposed hereby on the Charter School are equally imposed on the Non-Profit.

- 1. Recitals. The recitals set forth above are incorporated herein and made part of this Agreement.
- 2. Facilities. Use of the Facilities shall be for the purposes set forth in the Charter School’s charter and on the terms and conditions set forth herein. The Charter School shall not have exclusive use of the Site. The District grants use of the following facilities (“Facilities”) located on the Site as described and/or depicted in Exhibits A and B, which are attached hereto and incorporated herein by reference, to the Charter School under the terms and conditions set forth in this Agreement.

3. Term. The term of this Agreement shall be from July 1, 2015, to July 31, 2018 (“Term”), unless earlier terminated as provided herein.

4. Facilities Use Fee.

Each and every school year, Non-Profit shall pay District a Facilities Use Fee. Facilities Use Fees shall be paid out in equal installments each month throughout the respective school year within the Term. Beginning on July 1, 2015, payments shall be payable on or in advance on the first day of each month (“Due Date”) in lawful money of the United States.

The calculation for the 2015-2016 school year, and terms of Facilities Use Fee payments, are further described with more particularity in Exhibit C, attached hereto and incorporated herein. These fees will be calculated and adjusted annually by the District. The Facility Use Fee shall be based on a pro rata cost estimate per square foot for the Facilities provided. The dollar amount to be paid by Non-Profit, per square foot, for use of the Facilities during the Term will be calculated by the District pursuant to Title 5, California Code of Regulations, section 11969.7. To calculate the fee, the District must determine actual facilities costs and total space figures in the year preceding the fiscal year in which facilities are provided. Such amounts may only become available to the District after each fiscal year ends. Therefore, within ninety (90) days of the beginning of each fiscal year, or as soon as the actual facilities costs and total space figures for the prior fiscal year become available, whichever is later, the District shall provide notice to the Non-Profit of any amended Facilities Use Fee calculations based on the actual data for the prior fiscal year. Amounts owed to or by the Non-Profit due to this calculation will be credited or added to subsequent remaining monthly installment payments of the Facilities Use Fees.

If any payment is made more than fifteen (15) days after the Due Date, a late fee of one percent (1%) shall apply and interest shall accrue thereafter on such late payment commencing thirty (30) days after the Due Date, provided however that no interest shall accrue on said late fee. The interest charged shall be computed at the then-current discount rate established by the Federal Reserve Bank of San Francisco plus five percent (5%), or the maximum rate permitted by law. The payment by Non-Profit of any late fees or interest shall in no event excuse or cure any default by Non-Profit nor waive District’s legal rights and remedies with respect to such default.

The Parties agree that the Facilities Use Fee is in lieu of Non-Profit paying a pro rata share for in-district students and any actual costs for out-of-district students.

5. Over-Allocation. The District reserves the right to collect over-allocation and other applicable fees and reimbursements from the Charter School, pursuant to Title 5, California Code of Regulations, Section 11969.8. The Charter School’s projected in-District Average Daily Attendance (“ADA”) for the 2015-2016 school year, and upon which the Facilities are provided, is **298.7**.

6. Dispute Resolution. The Parties agree to attempt to resolve all disputes regarding this Agreement, including the alleged violation, misinterpretation, or misapplication of the Agreement, pursuant to the dispute resolution procedures identified in the Charter School's charter. Notwithstanding the foregoing, those disputes that may result in revocation of Charter School's charter, pursuant to Education Code section 47607, are not required to go through the dispute resolution process.

7. Use.

(a) Public Charter School. The Facilities shall be used and occupied by the Charter School for the sole purpose of operating a California public charter school and for no other purpose without the prior written consent of the District. The Charter School's enrollment must not exceed the safe and legal limit for the classroom space it occupies.

(b) Insurance Risk. The District shall maintain first party property insurance for the Facilities. The Charter School shall not do or permit anything to be done in or about the Facilities nor bring or keep anything therein which will in any way increase the existing insurance rate or affect any fire or other insurance upon the Facilities, or any of the contents of the Facilities (unless the District gives its prior approval and the Charter School pays any increased premium as a result of such use or acts), or cause a cancellation of any insurance policy covering the Facilities or any part thereof or any of its contents, nor shall the Charter School sell or permit to be kept, used, or sold in or about the Facilities any articles which may be prohibited by a standard form policy of fire insurance. The Charter School shall provide adequate and appropriate supervision for Charter School students and employees using the Facilities.

(c) Rights of the District. The Charter School shall not do or permit anything to be done in or about the Facilities that will in any way obstruct or interfere with the rights of the District or injure the District or use or allow the Facilities to be used for any unlawful purpose, nor shall the Charter School cause, maintain or permit any nuisance in or about the Facilities. The Charter School shall not commit or suffer to be committed any waste in or upon the Facilities.

(d) Illegal Uses. The Charter School shall not use the Facilities or permit anything to be done in or about the Facilities that will in any way conflict with any applicable law, statute, ordinance or governmental rule, or regulation. The Charter School agrees to comply with its charter as it relates to District Facilities.

(e) Security Badges. The District will provide security badges to the Charter School for its staff. The Charter School will pay for the cost of the security badges. Charter School staff shall wear these badges to use as evidence that they are lawfully on the premises. Charter School is entitled to up to twenty-five (25) District badges. Lost or stolen badges shall be replaced at a cost of \$5.00 per badge.

(f) Civic Center Act. The Charter School agrees to comply with the provisions of the Civic Center Act (Education Code Section 38131, *et seq.*) in making use of the Facilities

accessible to members of the community. The Parties understand that the Facilities are to be primarily used for school programs and activities and as such any use of the Facilities by members of the community shall not interfere with school activities. District Board Policy and Administrative Regulations related to the Civic Center Act shall control scheduling, use and collection of fees related to use of the Facilities by members of the public. Consistent with that policy and the regulations, the District shall be solely responsible for coordinating access to the Facilities under the Civic Center Act and shall require users to provide appropriate proof of insurance related to use of the Facilities and to indemnify and hold harmless the District and Charter School for injury, risk of loss, or damage to property as a result of that access by members of the community. The District agrees to promptly clean and repair, if necessary, any portion of the Facilities used by members of the community immediately following such use. All requests for use of the Facilities made directly to the Charter School shall be forwarded to the District for coordination of use consistent with Board Policy and Administrative Regulations.

(g) Alarms. The Charter School shall have access to activate burglar alarms and intruder alerts corresponding to the Facilities provided at the Site. The Charter School agrees that in the event that any of Charter School's employees, directors, trustees, officers, agents, students, visitors, or contractors, trigger a false alarm at the Site, Charter School shall be responsible for costs incurred.

8. Furnishings and Equipment. The furnishings and equipment to be provided by the District for the Facilities are those furnishings and equipment that exist at the Facilities as of July 1, 2011. Said furnishings and equipment will include sufficient desks, chairs and a white board for each classroom. The Charter School is responsible for any furnishings and equipment over and above those provided by the District. The Charter School shall return all such furniture, fixtures and equipment to the District in like condition at the termination of this Agreement, excepting ordinary wear and tear. Upon return of the furniture, fixtures, and equipment, the District will inspect said items within sixty (60) calendar days. The Charter School shall be responsible for costs to repair or replace furniture, fixtures, and equipment to like condition, excepting ordinary wear and tear. All furniture, fixtures, and equipment that are not the property of the District or are not otherwise reimbursed by the District shall remain the property and under the ownership of Charter School and shall be disposed of according to the provisions of the approved Charter petition.
9. Utilities. District agrees to furnish or cause to be furnished to the Facilities necessary utilities. Utilities include, but are not limited to, are electrical, natural gas, sewer, waste disposal/recycling and water services. Due to cost containment efforts by the District, the number of bins associated with the Site(s), the bin capacities and the number of removals per week shall not increase during the Term. The District's failure to furnish or cause to be furnished necessary utilities when such failure is caused by (i) Acts of God or other acts beyond the control or fault of the District; (ii) strikes, lockouts, or other labor disturbances or labor disputes of any kind; (iii) any laws, rules, orders, ordinances, directions, regulations, requirements, or any other action by federal, state, county or municipal authority; (iv) inability despite the exercise of reasonable diligence by the

District to obtain electricity, water, or fuel; or (v) any other unavoidable delay, shall not cause the District to be in default and shall not result in any liability of the District.

The Charter School shall reimburse the District for the cost of utilities at the Site, as charged to the District by its utility providers, pro-rated to reflect use by other users of the Site. Thirty (30) days prior to the commencement of the 2015-2016 school year, the District shall endeavor to notify the Charter School of its estimated monthly charge for utilities. The Charter School shall pay such charge to the District throughout the Term on a monthly basis concurrent with the Charter School's payment of the Facilities Use Fee to the District pursuant to Section 4 of this Agreement. Within one hundred twenty (120) days after the expiration or earlier termination of this Agreement, the District shall provide the Charter School with a reconciliation of the Charter School's actual utility usage throughout the Term and the cost thereof. The District shall either refund the Charter School for any overpayment or shall invoice the Charter School for any underpayment. The Charter School shall reimburse the District for such underpayment, if any, within thirty (30) days after receipt of said invoice.

The Charter School shall comply with all District energy conservation policies in regard to use of the Facilities, as amended from time to time, including, but not limited to, Board Policy 3511 and the District's Energy Education program.

10. Proposition 39/Conditions Reasonably Equivalent.

(a) Charter School acknowledges by execution of the Agreement that the Facilities provided by the Agreement are "reasonably equivalent," as that term is defined by Proposition 39. Charter School agrees that upon execution of this Agreement, all obligations of the District to the Charter School under Proposition 39 have been satisfied for the Term of this Agreement.

(b) Charter School acknowledges and agrees that neither the District nor any of its agents have made, and the District hereby disclaims any representations or warranties, express or implied, concerning the premises, the physical or environmental condition of the premises or any other property beneath, adjacent to, or otherwise related to the premises.

11. Custodial Services.

Custodial services shall be provided pursuant to the terms and conditions as defined in Exhibit D.

12. Signage. The Charter School shall be allowed to place signage on the exterior of the Facilities. The District will keep its own signage exhibited at the Site, identifying the school as operated or formerly operated by the District. The District shall have final approval over the design, content and location of the Charter School's signage, but shall not unreasonably deny such design, content or location. The Charter School must remove the signage upon termination of this Agreement. The Charter School must restore the Facilities, following removal of the signage, to the condition existing prior to installation

of the signage to District's reasonable satisfaction. All such signage shall be subject to compliance with all applicable laws at Charter School's sole cost.

13. Operations and Maintenance.

(a) The cost for the ongoing operations and maintenance of the Facilities and furnishings and equipment is calculated into the Facilities Use Fee of Section 4 of this Agreement. The District shall be responsible for providing the wiring/MIS infrastructure and maintaining it in its condition as of July 1, 2011. Any upgrades or improvements to the wiring/MIS infrastructure shall be the responsibility of the Charter School, in compliance with Section 14 ("Alterations and Additions"). The Charter School is responsible for the cost of internet service provided at the commercial rate.

(b) The District shall be responsible for any modifications necessary to maintain the Facility in accordance with Education Code Sections 47610(d) or 47610.5. Projects eligible to be included in the District's deferred maintenance plan established pursuant to Education Code Section 17582 and the replacement of furnishings and equipment supplied by the District in accordance with the District's schedules and practices shall remain the responsibility of the District. The Charter School shall comply with the District's policies regarding the operations and maintenance of the school facility and furnishings and equipment, except to the extent renovation is approved by the District. However, the Charter School need not comply with policies in cases where actual District practice substantially differs from official policies.

(c) Upon the expiration or earlier termination of this Agreement, Charter School shall surrender the Facilities and furnishings and equipment in the same condition as received, ordinary wear and tear excepted.

14. Alterations and Additions. The Charter School shall only make alterations, additions, or improvements ("Improvements") to the Facilities after obtaining the prior written consent of the District's Superintendent or his designee. Any Improvements to the Facilities made by the Charter School shall be paid for by the Charter School, and shall be contracted for and performed in accordance with all applicable building code standards, including Title 24 of the California Code of Regulations, the Field Act, Americans with Disabilities Act and the Fair Employment and Housing Act.

The District may impose as a condition to the aforesaid consent to such requirements as the District may deem necessary in its sole discretion, including without limitation, the manner in which the work is done, a right of approval of the contractor by whom the work is to be performed, and the times during which it is to be accomplished.

Upon written reasonable request of the District prior to the expiration or earlier termination of the Agreement, Charter School will remove any and all improvements to the Facilities, at its own cost, that can be done without damage to the Facilities. In the event of charter termination or closure of the Charter School, all property shall be disposed of in accordance with the provision of the approved Charter School's petition.

Unless the Parties agree otherwise in writing on an item by item basis, Charter School maintains its ownership rights in any alterations, additions or improvements and may be allowed to remove at termination of this Agreement and restore the Facilities to the condition existing prior to alteration, addition or improvement. Notwithstanding the foregoing, any addition to the Facilities that the Charter School does not remove prior to vacating the Facilities, shall vest in the District.

15. Entry by District. The District may enter the facility at any time to inspect the Facilities, to supply any service to be provided by the District to the Charter School hereunder and to alter, improve or repair the Facilities, or in the case of an emergency, consistent with Education Code Section 47607(a)(1). The District may erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed so long as the Charter School operations do not suffer unreasonable interference. The District agrees to use its best efforts at all times to keep any interference to the academic programs at Charter School to a minimum. The Charter School waives any claim for damages for any inconvenience to or interference with the Charter School's business, any loss or use of quiet enjoyment of the Facilities related to District's entry for the purposes identified in this Section.

16. Employees, Contractors and Independent Contractors. The Charter School and the District, their employees, agents, contractors and subcontractors shall comply with the requirements of Education Code Sections 45125.1 and 45125.2 related to access to the Facilities and protection of minor students.

17. Indemnity.

The Charter School shall indemnify, hold harmless, and defend the District, its Board of Trustees, the members of its Board of Trustees, officers, employees and agents against and from any and all claims, demands, actions, suits, losses, liabilities, expenses and costs for any injury, death or damage to any person or property arising from the Charter School's use of the Facilities, excepting those claims, demands, actions, suits, losses, liabilities, expenses and costs arising from the negligent or intentional acts of the District, its employees, agents, officers and invitees.

The Charter School shall further indemnify, hold harmless, and defend the District, its Board of Trustees, the members of its Board of Trustees, officers, employees and agents against and from any and all claims arising from any breach or default in the performance of any obligation on the Charter School's part to be performed under the terms of this Agreement, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon.

The District shall indemnify, hold harmless, and defend the Charter School, its trustees, officers, and agents against and from any and all claims, demands, actions, suits, losses, liabilities, expenses and costs for any injury, death or damage to any person or property arising from the District's conduct of business at the Facilities, excepting those claims,

demands, actions, suits, losses, liabilities, expenses and costs arising from the negligent or intentional acts of the Charter School, its employees, agents, officers and invitees.

The District shall further indemnify, hold harmless, and defend the Charter School against and from any and all claims arising from any breach or default in the performance of any obligation on the District's part to be performed under the terms of this Agreement, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon.

Upon becoming aware of any casualty or accident in or on the Facilities, each Party to this Agreement shall give prompt written notice thereof to the other Party.

In the event of a third party claim or potential claim covered by these provisions, the Parties agree to take all steps reasonable or necessary to cooperate in defending and protecting their joint interests, and in expediting all reasonable or necessary efforts to gain coverage for the Parties under any liability policy or indemnity agreement issued in favor of the Non-Profit, including indemnity rights or agreements existing in contracts between the Non-Profit and any third party (such as contract with a supplier of goods or services), and further including efforts to reduce defense costs (through joint representation whenever possible), expenses and potential liability exposures.

18. Insurance. The Charter School shall comply with insurance provisions contained within its charter and any Memoranda Of Understanding between the Parties.

19. Damage to or Destruction of School Site.

(a) Cost. The cost of restoring the Facilities under this Section shall be borne by the Charter School if the cause of the casualty is the negligence or intentional act of the Charter School, its employees, agents, students or invitees. The cost of restoring the Facilities under this Section shall be borne by the District if the cause of the casualty is the negligence or intentional act of the District, its employees, agents, or invitees. The Parties shall tender the cost of restoring the Facilities to their respective insurance carriers if the casualty is caused by a third party.

(b) Partial Damage – Insured. If the Facilities are damaged by any casualty which is covered under fire and extended coverage insurance carried by District, then District may restore such damage provided insurance proceeds are available to pay eighty percent (80%) or more of the cost of restoration and provided such restoration can be completed within ninety (90) days after the commencement of the work in the opinion of a registered architect or engineer appointed by District. In such event this Agreement shall continue in full force and effect, except that Charter School shall be entitled to proportionate reduction of use payments while such restoration takes place, such proportionate reduction to be based upon the extent to which the restoration efforts interfere with Charter School's business in the Facilities. The District shall provide the Charter School alternative space in the District for any part of the Charter School program that is displaced by the partial damage and/or the repair work of the same. If the

Charter School secures alternative space then there shall be no diminution in the use payments during the period of the restoration.

(c) Total Destruction. If the Facilities are totally destroyed (defined as the destruction of more than fifty percent (50%) of the usable classroom space) or the Facilities cannot be restored as required herein under applicable laws and regulations, notwithstanding the availability of insurance proceeds, then this Agreement shall be terminated effective the date of the damage. Immediately upon the effective date of the damage, the District must provide a reasonably equivalent school facility to the Charter School as soon as reasonable so as to avoid any interruption in the educational program of the Charter School.

20. Liens. Charter School shall keep the Facilities free from any liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Charter School. Notwithstanding anything stated herein to the contrary, if Charter School fails to promptly release and remove any such lien, District, at its sole option, may immediately (but shall not be obligated to) take all action necessary to release and remove such lien, without any duty to investigate the validity thereof, and all sums, costs and expenses, including reasonable attorneys' fees and costs, incurred by District in connection with such lien shall be immediately due and payable by Charter School.
21. Holding Over. Charter School shall not remain in possession of the Facilities or any part thereof after the expiration of this Agreement or after termination thereof without the express written consent of District. Notwithstanding the foregoing, if the Charter School holds over, the Charter School shall pay the monthly Facilities Use Fee plus all other charges payable required by this Agreement. Any holdover by Charter School requires the Charter School to comply with all terms of this Agreement. A holdover by the Charter School shall not trigger any additional term. The District shall have the right to remove the Charter School at any time after the expiration of the Term or termination of this Agreement.
22. Assignment and Subletting. The Charter School may not assign its rights under this Agreement or sublet any portion of the Facilities without the prior written consent of the District.
23. Rules, Regulations and Law. The Charter School and the Charter School's agents, employees, students, visitors and invitees shall observe and comply fully and faithfully with all reasonable and nondiscriminatory policies, rules, and regulations adopted by the District for the care, protection, cleanliness, and operation of the Facilities, and the Facilities' furnishings and equipment, and shall comply with all applicable laws.
24. Smoking. Smoking or the consumption of alcohol in any form shall not be allowed in or on District property and Facilities, including but not limited to all courtyards, walkways, and parking areas.
25. Default by Charter School. The occurrence of any one or more of the following events

shall constitute a default and material breach of this Agreement by Charter School:

- (a) The failure by Charter School to utilize the Facilities for the sole purpose of operating a charter school.
- (b) The failure by Charter School to make timely payments required under this Agreement.
- (c) The failure by Charter School to observe or perform any of the express covenants, conditions or provisions of this Agreement.
- (d) The revocation or non-renewal of the Charter School's charter. Notwithstanding the foregoing, this Agreement shall not be terminated pursuant to this provision provided that the Charter School continues to operate in accordance with the terms of this Agreement and is diligently pursuing a statutory appeal of the revocation or nonrenewal of its charter.
- (e) The failure by Charter School to maintain ADA of eighty (80) or more in-District students as the term "in-District students" is defined in Proposition 39.

In the event of any material default or breach by Charter School, District may, but shall not be obligated to, terminate this Agreement and Charter School's right to possession of the Facilities upon thirty (30) days written notice thereof to the Charter School if the default is not cured within the thirty (30) day period. If the nature of the default is such that the same cannot reasonably be cured within said thirty (30) day period, the Charter School shall not be in default if Charter School shall within such thirty (30) day period commence such cure and thereafter, diligently prosecute the same to completion. In no event shall such period to cure exceed sixty (60) days. Upon termination, District shall retain the right to recover from Charter School, without limitation, any amounts due under this Agreement or applicable law. Unpaid Facilities Use Fees shall bear interest from the date due at the maximum legal rate. In the event of termination by the District by reason of Charter School's default or breach of this Agreement, the District shall not be obligated to provide facilities to Charter School pursuant to Proposition 39 for the remainder of that school year.

- 26. Default by District. District shall be in default of this Agreement if District fails to perform any material obligation required by this Agreement. In the event of any default by District, Charter School may terminate this Agreement upon thirty (30) days written notice thereof to the District if the District has failed to cure the default within thirty (30) days, unless the nature of the default is such that the same cannot reasonably be cured within said thirty (30) day period, in which event District shall not be in default (and Charter School may not terminate this Agreement) if District commences to cure such default within such thirty (30) day period and thereafter, diligently prosecutes the same to completion.
- 27. Miscellaneous.

- (a) Waiver. The waiver by either Party of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of any charge hereunder by District or payment of any charge by Charter School shall not be deemed to be a waiver of any preceding default by Charter School or District of any term, covenant or condition of this Agreement, other than the failure of the Charter School to pay the particular charge so accepted, regardless of District's knowledge of such preceding default at the time of the acceptance of such charge.
- (b) Marginal Headings. The marginal headings and article titles to the articles of this Agreement are not a part of the Agreement and shall have no effect upon the construction or interpretation of any part hereof.
- (c) Successors and Assigns. The covenants and conditions herein contained, subject to the provisions as to assignment, apply and bind the heirs, successors, executors, administrators and assigns of the Parties hereto.
- (d) Amendment. No provision of this Agreement may be amended or modified except by an agreement in writing signed by the Parties hereto.
- (e) Construction. Each of the Parties acknowledges and agrees that this Agreement is to be construed as a whole according to its fair meaning and not in favor of nor against any of the Parties as draftsman or otherwise.
- (f) Venue. Any action or proceeding by any Party to enforce the terms of this Agreement shall be brought solely in the Superior Court of the State of California for the County of Sacramento.
- (g) Applicable Law. This Agreement shall be governed by and interpreted under the laws of the State of California applicable to instruments, persons, transactions and subject matter that have legal contacts and relationships exclusively within the State of California.
- (h) Severability. If any provision or any part of this Agreement is for any reason held to be invalid, unenforceable or contrary to public policy, law, or statute and/or ordinance, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.
- (i) Prevailing Authority. In the event of a conflict between the law and the terms of this Agreement, the law shall prevail, and any such conflicting terms shall be severed from this Agreement and nullified. In the event of a conflict between the terms of the charter and the terms of this Agreement, the terms of this Agreement shall prevail and shall be deemed an amendment to the charter, replacing any conflicting terms therein. In the event of a conflict between the terms of the charter and any other agreement between the

Charter School and the District, the terms of this Agreement shall prevail and shall be deemed an amendment to any other such agreement, replacing any conflicting terms therein.

(j) No Admission. Except as expressly agreed herein, nothing contained herein shall constitute an admission of fact or law.

(k) Binding Obligation. If and to the extent that the Charter School is a separate legal entity from the District, the Charter School expressly agrees that this Agreement is a binding obligation on the Charter School and the District agrees that this Agreement is a binding obligation on the District.

(l) Prior Agreements. This Agreement contains all of the agreements of the Parties hereto with respect to any matter covered or mentioned in this Agreement, and no prior agreements or understanding pertaining to any such matters shall be effective for any purpose.

(m) Subject to Approval by Governing Board. This Agreement shall become effective upon ratification by the District's Governing Board.

(n) Notices. All notices and demands that may be or are to be required or permitted to be given by either Party to the other hereunder shall be in writing. The initial estimate Facilities Use Fee shall be paid out in equal installments of Seven Thousand Six Hundred Fifty Nine Dollars and Twenty Three Cents (\$7,659.23) each month throughout the fiscal year. Beginning on July 1, 2015, payments shall be payable on or in advance on the first day of each month ("Due Date"), without deduction, offset, prior notice or demand, in lawful money of the United States.

The District will re-calculate and adjust these fees annually for the remaining fiscal years for the Term of this Agreement

EXHIBIT D

The Charter School shall be responsible for providing and paying directly for custodial services for the Facilities. Said services shall result in a level of performance consistent with custodial services maintained by the District for its other District schools. The Charter School shall bear the cost of such custodial services, including the salary and benefits of the Custodian and the cost of any cleaning supplies and tools necessary for the Custodian to provide services. The Charter School shall purchase, store and provide all consumable materials which the custodian shall use in the provisioning of the facilities' restrooms, including but not limited to toilet paper, soap, and paper towels. The District shall provide its fair share of the paper products to the site consumed by the regular and reasonable use of the restrooms shared by the District, or the District's programs. In the event that the Charter School fails to meet these standards, the School will become responsible for the salary and benefits of the District-supplied plant manager/custodian and the cost of the cleaning supplies, tools and materials used by the custodian.
