Name:	Junior Goris
School:	Capital City School
Agenda Item #	3.5
Comment:	<p>Mr. Superintendent and Honorable Members of the Board, Thank you for allowing me to share input on item 3.5 of today's agenda regarding approval of a Principal for Capital City. As the School Site President and engaged parent, sitting on the interview panel for initial candidates, I respectfully request that you approve Ms. Kirsten Spall as our next Principal. Ms. Spall impressed me with not only her expertise with her knowledge of independent studies but as a Parent advocate. I firmly believe that Ms. Spall can help Capital City navigate to its set goals of providing quality education and assisting families in being engaged with our school site. I look forward to working alongside Ms. Spall in planning and executing our parent engagement strategies. I am confident there will be Capital City victories ahead with Ms. Spall at the helm for our community, our district and most importantly our kids.... Go Eagles! Thank you for your time</p>
