In no case shall the anniversary date be earlier than the first required day of service in that school year.

- 8.1.6 A **TEMPORARY PERSON** as referred to in the Application and Placement section of this Article is one who is employed on a temporary certificated contract which includes the master contract entitlements for health and welfare benefits, salary, and sick leave.

8.3 NOTICES OF VACANCIES

8.3.1 It is the intent of these procedures that every reasonable effort shall be made to provide employees with information regarding the establishment of new positions as well as vacancies in existing positions when time permits. Positions shall be posted for a period of not less than four (4) work days. A notice of vacancy shall list all objective criteria which shall serve as the basis for selection.

8.3.1.1 After internal assignment changes, if any, vacancies for the ensuing year shall be identified and reported to the Human Resources Office and SCTA by site/program administrators in sufficient time to meet the posting timelines. Exceptions may be made for extenuating circumstances which can be documented.

8.3.1.2 To assist in early staffing, any unit member who submits his or her retirement or resignation prior to February 1 for a retirement or resignation effective at the end of that same school year, shall be paid a one-time stipend of fifteen hundred dollars (\$1500) upon Board acceptance of the retirement or resignation. By mutual agreement, the parties may agree to increase the retirement/resignation incentive. Additionally, the District and SCTA agree to the following efforts based on mutual agreement for retirees and resignees:

- a. A program that provides for substituting opportunities at the teacher's last site(s) for the purpose of continuity and in-servicing and provisioning of new teachers.
- b. A program of recognition.
- c. Development of appropriate information regarding STRS, health benefits, and other matters.

8.3.2 All notices of vacancies shall be prepared as soon as possible after vacancies and positions are known, with the exception that vacancies that become known and available as a result of early retirement/resignation notice set forth in 8.3.1.2 will be posted on February 15th. Each notice shall be advertised by Human Resources Office in the following ways:

- Post on the District website
- Email to the designated Association representative(s)
- Email to teachers

8.3.3 Except for surplus teacher placement, and contracted teachers unassigned by ~~July~~ August 1, no vacancy can be filled as a regular assignment during Steps 1 and 2 until it has been advertised in accordance with established procedures.

Formatted: Highlight

8.3.4 Notices of Vacancies will be numbered in the order of issuance.

8.3.5 Any modification to a Notice of Vacancy shall require a new posting and cancellation of any commitments based on the previous Notice of Vacancy.

8.3.6 A listing of positions filled shall be provided to the SCTA on the first and fifteenth of each month.

8.4 INVOLUNTARY TRANSFERS (SURPLUS)

8.4.1 The initial identification and notification of surplus personnel will be accomplished by the Human Resources Office no later than the Friday occurring in the first full week in April, insofar as they are known. Personnel identified for surplus shall be notified within three (3) days of the time they are

identified. Such notification shall consist of written notice mailed to address of record and an email to the work address.

Surplusing may occur for the following reasons:

- a. Over staffing at school sites (Surplus Personnel).
- b. Reduced funding in special programs.
- c. The termination of an LTA position or special funded position for a regular permanent teacher who has no immediate return rights to a position, classification or a designated position.

8.4.2 Before declaring anyone surplus, it shall be determined if there is a volunteer with the proper credential in the area being surplus who is teaching in that area and who is willing to accept surplus status. Written and email notification shall be sent to all affected staff requesting any volunteers prior to the least senior teacher being identified by the Human Resources Office. If more than one teacher volunteers for surplusing, the most senior volunteer shall be selected.

8.4.2.1 Teachers who are projected to teach in year-round schools may voluntarily declare themselves surplus at that school for the following school year if the declaration is placed in writing to the site administrator by February 1st. Such persons shall then be treated as all other involuntary surplus persons.

8.4.2.1.1 Teachers must declare their intention to self-surplus by March 15th. With the exception of teachers who have self-surplussed within the previous three (3) school years, or a teacher who is currently in a performance improvement plan, teachers may elect to self-surplus. Teachers who have self-surplussed within the previous three (3) years, or a teacher who is on a performance improvement plan may self-surplus with the approval of the District. Unless otherwise agreed by the District and the Association, self-surplusing will be limited to no more than seven (7) teachers per school year. If more than seven (7) teachers elect to self-surplus, eligibility will be determined in seniority order. Said teacher shall be placed.

8.4.3 In any elementary school or administrative unit where a surplus exists, the principal or other administrator in charge shall identify the teachers to be declared surplus. Unless there are compelling reasons for doing otherwise, the site administrator shall declare surplus the individual with the least District seniority.

8.4.4 In any secondary school or administrative unit where a surplus exists, the principal or other administrator in charge shall identify the teachers to be declared surplus. Unless there are compelling reasons for doing otherwise, the site administrator shall declare surplus the individual with the least District seniority in the subject area of the position declared surplus.

8.4.4.1 If the teacher who is declared surplus has served in another subject field within the previous five years, or has a major or minor in another subject field, the teacher may choose to be compared in any of those fields on the basis of District seniority for surplus declaration.

8.4.5 If the site administrator declares surplus an individual other than the one with the least District seniority, the site administrator shall immediately place in writing the reasons for such decision and transmit them to the Human Resources Office and to the teacher(s) involved.

8.4.6 Whenever two (2) or more persons have the same seniority ranking, the person to be declared surplus shall be determined by the casting of lots. Such casting of lots will take place in the presence of all persons who have the same seniority ranking and who could be affected by this process.

8.4.7 The Human Resources Office shall provide written notice and email notice to teachers subject to involuntary transfer, stating the nature of the transfer with reason therefore, and informing them of their right to a meeting with the District representative if the teacher so requests.

8.4.8 Within a four-year period, teachers who have been declared surplus from a regular position shall have preference in returning to the school from which they have been surplus. Teachers may complete the application any time during the four (4) year period commencing on their involuntary surplus date (July 1).

8.4.9 **Surplussing of Counselors:** The following procedures shall be used except where in conflict with compelling reasons. However, these provisions do not apply to declaration of surplus staff at a school and an involuntary transfer where the total number of District positions has not been reduced. This provision would apply only if the total number of counseling positions have been reduced.

8.4.9.1 When the number of elementary counselor positions is reduced in a non-lay off situation (school closure, consolidation, or overstaffing), the least senior elementary counselor(s) who is/are credentialed and experienced as a classroom teacher will be declared surplus and placed in the surplus teacher pool.

8.4.9.1.1 If the surplus elementary counselor is credentialed and experienced at the secondary level he/she may choose to be compared on the basis of seniority with secondary counselors.

8.4.9.2 When the number of secondary school counselor positions is reduced in a non-layoff situation (school closure, consolidation, or overstaffing), the least senior secondary counselor(s) who is/are credentialed and experienced as a classroom teacher will be placed in the surplus teacher pool. The vacancy(ies) created will be filled by the more senior counselor(s) unassigned as a result of the surplus.

8.4.9.2.1 If the surplus secondary counselor is credentialed and experienced at the elementary level he/she may choose to be compared on the basis of seniority with elementary counselors.

8.4.9.3 **Vocational Specialists:** When the number of vocational specialist positions is reduced in a non-layoff situation (school closure, consolidation, or overstaffing), the least senior vocational specialist who is credentialed as a counselor and experienced as a counselor shall replace the least senior secondary counselor who has less seniority than the vocational specialist and who is credentialed and experienced as a classroom teacher. This counselor shall then be declared surplus.

8.4.9.4 **Psychologists:** When the number of psychologist positions is reduced in a non-layoff situation (school closure, consolidation, or overstaffing), the least senior psychologist who is credentialed as a counselor and experienced as a counselor or classroom teacher shall replace, depending on credential and experience, the least senior elementary or secondary counselor who has less seniority than the psychologist and who is credentialed and experienced as a classroom teacher. This counselor shall then be declared surplus.

8.4.9.5 **Social Workers:** When the number of social worker positions is reduced in a non-layoff situation (school closure, consolidation, or overstaffing), the least senior person(s) shall be given the opportunity to replace, depending on their credential and experience, the least senior elementary or secondary counselor who has less seniority than the social worker and who is credentialed and experienced as a classroom teacher. This counselor shall then be declared surplus.

8.4.9.7 Other non-teaching certificated positions are not to be covered by this section.

8.4.9.8 This section shall not preclude administrative transfers under Section 8.7 et seq. of this Article.
