#### Part B- BIDDERS QUESTIONS

#### **REFER TO FOLLOWING BIDDER'S RFIs:**

Question #1: Will the district be awarding this project line by line or the full project to one vendor?

**<u>Response</u>**: Please see Project Manual, Attachment D – Special Provisions, Section 01 Proposal Form Instructions, 1.02.A.4.

**Question #2**: ST6 is called out in the Furniture Catalog but not specified in the spreadsheet. Can you confirm the correct location and quantity?

**<u>Response</u>**: Please see the attached sheets and spreadsheet which correct the locations and quantities of ST6 in rooms B101, B106, B112, B113 and B120.(AD1.10).

Question #3: For all upholstered pieces do you have a minimum fabric grade you want specified?

**<u>Response</u>**: S3-Price Group 5 vinyl or less, S5-Grade 8 fabric or less, S9-Grade 4 fabric or less, L1-P2 Grade fabric or less.

**Question #4** For products that have options listed do you want the furniture price to include the options or just note that they are available? For example, S3 list an option for casters, do you want the cost for the casters to be included?

**Response:** Yes, we want all listed options to be priced.

**Question #5** T1 states integrated power as an option, do you want that included in the pricing? If so can you please provide the required information.

**<u>Response</u>**: Yes, pricing for integrated power should be provided. Please price power that includes two plugs and two USB type A.

**Question #6** Please confirm if labor is to be quoted at Prevailing wage.

**Response:** Please see Project Manual, Purchases Contract, Paragraph 9 Labor Compliance.

**Question #7** Please confirm if Normal business hours.

**Response:** Yes, assume "straight-time" for pricing. The site will not be occupied by staff/students during the install phase, but construction will be on-going. Installers have a set period for install. (See Attachment D, Section 05 Schedule). How a Vendor gets the furniture installed in that period is up to Vendor, I.E. Enough people to complete as straight-time, or less people and pay them overtime, does not matter to Owner.

#### Project No: 0262-461-1 Nicholas New Furniture Package <u>ADDENDUM NO. 1</u>

**Question #8** Can you provide the construction schedule for overall duration for install? Is the plan to release a building at a time?

<u>**Response:**</u> Please see Project Manual, Attachment D, Section 04 - Scope and Section 05 - Schedule.

**Question #9** We are respectfully requesting that you waive Section 3.01 Substitutions, #6. The vendor must provide at least Fifty-one percent (51%) of total cost, excluding the Owner Allowance, of furniture specified in Attachment A Proposal Form Furniture Quantities, or the Vendor's Bid will be deemed unresponsive.

**<u>Response</u>**: The District will not waive the substitution requirement outlined in Attachment D, Special Provisions, Section 3.01 Substitutions, Item #6.
