All respondents were prequalified, as required. The District evaluated the proposals to determine whether they met the format and content requirements of the RFP and found all proposals to be responsive to all requirements of the RFP.

The District's review and selection committee evaluated the qualifications/technical responses in the responsive proposals in accordance with the evaluation and selection criteria stated in the RFP. The District is exercising its right not to conduct interviews. After completing the technical scoring, the District opened the cost proposals, and calculated the best value proposal in accordance with the evaluation and selection criteria stated in the RFP. The respondents were ranked as follows, from highest to lowest value score:

Proposer	Final Score
Landmark Constructors	270.79
Rodan Builders	232.07

No contract exists with any respondents prior to Board approval.

The selected respondent should be prepared to provide all information identified in the RFP as necessary for the District to present its recommendation to the Board as expeditiously as possible. Should the selected respondent unreasonably delay in providing such information, the District may, in its sole discretion, withdraw this Notice of Intent to Award and re-issue it in favor of the next highest scored respondent.
