Recommendation: The SAC recommends that their policy initiatives be taken into consideration for implementation in the 2024-25 school year.

Background/Rationale: The Student Advisory Council is a youth led organization comprised of high school students from across SCUSD. Each year, these students learn about data and evaluation strategies, grass roots organizing, and policy advocacy. As part of their culminating project, students present their data and research findings to the SCUSD board of education. The 23-24 Student Advisory Council has multiple policy recommendations ranging from menstrual and campus hygiene, gender neutral restroom accessibility, environmental sustainability, and improving dual enrollment access and supports.
