Every system is perfectly designed to get the results that it gets

SCUSD Core Values

We recognize that our system is inequitable by design and we vigilantly work to confront and interrupt inequities that exist to level the playing field and provide opportunities for everyone to learn, grow and reach their greatness.

SCUSD GUIDING PRINCIPLE

All students are given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options.

Communication and Outreach

- We are working with the Communications Department to finalize the communication regarding Summer Matters 2025.
 - To ensure parents are aware of the programs taking place at SCUSD during the summer, the following steps will be taken:
 - Site Leader Communication (Robo calls, text, emails)
 - Expanded Learning Providers (Texts, flyer distribution, support with summer enrollment on site)
 - ParentSquare (Emails & Texts) & SCUSD Landing Page & Facebook
 - Translated flyers in various languages
 - Communication will go out to the sites, parents and communities on March 31st.
- Here are samples of the flyers in various languages from last summer. The finalized version for this year will go on on March 31st.

Summer School Enrollment

- Summer Matters online applications will officially open from April 1 - April 30 for the Summer Matters programs for TK-8
 - Expanded Learning Providers will help parents enroll for summer school at the site
- High School and Site Designed Academic Programs are actively pre-identifying students through their counselors and support services teams to enroll students
- ESY students are all identified through the IEP process -- SPED team at each site will submit eligible students to the ESY Team to ensure the students' IEP direct services are in place during the ESY program timeline

It's summer school enrollment time!
APPLY by April 30th!
