- ☐ Conference/Action
- ☐ Action
- ☐ Public Hearing

Division: Continuous Improvement and Accountability Office

Recommendation: None

Background/Rationale: The goal of this report is to provide a monthly update to the board of education on key trends in the suspension data. The data are presented in multiple views, including by grade span, school, ethnicity/race, gender, and program participation.

The report format and field descriptions are modeled after the official CDE suspension report.

The following is a glossary of the field descriptions:

- **Cumulative Enrollment:** Cumulative Enrollment consists of the total number of students who were actively enrolled from the beginning of school through the Report Month. For mobile students, they will be counted in the cumulative enrollment for each school in which they have attended during the school year.
- **Suspension Incidents:** Total count of ALL suspension incidents – off campus and on campus – issued from the beginning of school through the report month at the selected entity for the selected population.
- **Distinct Count of Suspended Students:** Total distinct count of ALL students suspended one or more times. Students who are suspended multiple times are only counted once.
- **Suspension Rate:** The Distinct Count of Suspended Students divided by Cumulative Enrollment.

- **Percent of Students Suspended with One Suspension:** The number of students with only one suspension divided by the Distinct Count of Suspended Students.
- **Percent of Students Suspended with Multiple Suspensions:** The number of students with two or more suspensions divided by the Distinct Count of Suspended Students.

Financial Considerations: None

LCAP Goal(s): Safe, Emotionally Healthy and Engaged Students
