Memorandum of Understanding (MOU) # 24-J-SC
Between
Sacramento County Office of Education (SCOE)
and
Sacramento City Unified School District

Term of Agreement – July 1, 2024, through June 30, 2027

I. Purpose and Parties

The purpose of this MOU is to document the relationship and articulate roles and responsibilities between the Capital Adult Education Regional Consortium (CAERC), the fiscal agent and program manager, Sacramento County Office of Education, (SCOE) and each of the CAERC members of the consortium. This Memorandum of Understanding is entered into between SCOE and Sacramento City Unified School District (hereinafter “CAERC Member.”)

II. Background

The Sacramento County Office of Education (SCOE) serves as the fiscal agent and program manager for the Capital Adult Education Regional Consortium (CAERC), a regional delivery system for adult education programs across the greater Sacramento region. CAERC provides education and workforce development services to the adult members of our communities whose level of education is at or below high-school diploma and/or who need basic and intermediate skills for local jobs. CAERC supports courses for adults in seven program areas including 1) programs to develop elementary and secondary basic skills, 2) programs for immigrants eligible for educational services in citizenship, English as a second language, and workforce preparation, 3) programs for entry or reentry into the workforce, 4) programs to develop knowledge and skills to assist school children to succeed academically, 5) programs for adults with disabilities, 6) short-term career technical educational programs, and 7) pre-apprenticeship programs. Additionally, outcomes include adherence to the consortium governance structure, public meetings, and a three-year planning cycle to include an annual plan.

Program and Fiscal Year 2023-24

For fiscal year 2023-24 the California Adult Education Program Office allocated \$14,370,934 to the Capital Adult Education Regional Consortium. This allocation was locally designated as Fund I.

Program and Fiscal Year 2024-25

For fiscal year 2024-25, the California Adult Education Program Office allocates \$14,492,212 to the Capital Adult Education Regional Consortium. This allocation is locally designated as Fund J.

Education Code [84914](#) guides the allocation process for all members as follows:

84914.

(a) As a condition of receipt of an apportionment from the program, a consortium shall approve a distribution schedule that includes both of the following:

(1) The amount of funds to be distributed to each member of the consortium for that fiscal year.

(2) A narrative justifying how the planned allocations are consistent with the adult education plan.

(b)

(1) For any fiscal year for which the chancellor and the Superintendent allocate an amount of funds to the consortium greater than the amount allocated in the prior fiscal year, the amount of funds to be distributed to a member of that consortium shall be equal to or greater than the amount distributed in the prior fiscal year, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced:

(A) The member no longer wishes to provide services consistent with the adult education plan.

(B) The member cannot provide services that address the needs identified in the adult education plan.

(C) The member has been consistently ineffective in providing services that address the needs identified in the adult education plan and reasonable interventions have not resulted in improvements.

(2) For any year for which the chancellor and the Superintendent allocate an amount of funds to the consortium less than the amount allocated in the prior year, the amount of funds to be distributed to a member of that consortium shall not be reduced by a percentage greater than the percentage by which the total amount of funds allocated to the consortium decreased, unless the consortium makes at least one of the following findings related to the member for which the distribution would be reduced further:

(A) The member no longer wishes to provide services consistent with the adult education plan.

(B) The member cannot provide services that address the needs identified in the adult education plan.

(C) The member has been ineffective in providing services that address the needs identified in the adult education plan and reasonable interventions have not resulted in improvements.

(c) A distribution schedule shall also include preliminary projections of the amount of funds that would be distributed to each member of the consortium in each of the subsequent two fiscal years. The preliminary projections shall not constitute a binding commitment of funds.

Role and Function of CAERC

The Capital Adult Education Regional Consortium is comprised of 13 members: 10 K-12 school districts, 2 county offices of education, and the Los Rios Community College District representing 4 colleges. Members opt in to receive funds through a base allocation to provide instruction in any of the seven authorized program areas, in accordance with the regional plan.

Members collaborate with multiple regional partners to provide support services to adult learners. SCOE acts as a fiscal agent and a program manager for the consortium. Funds are allocated at the consortium-level for activities to strengthen the region and to coordinate the financial aspects of the consortium. Regional strategies in the Annual Plan for 2023-24 includes plans to address program development and expansion after the COVID-19 pandemic. SCOE-CAERC Program/Fiscal PY 2024-25 budget consists of staff salaries and other associated expenses, for the following services:

- Facilitating and carrying out consortium business and working meetings.
- Facilitating and carrying out the work defined by regional strategies.
- Facilitating annual and strategic planning processes.
- Leveraging regional resources and activities for the benefit of the adult learners.
- Carrying out administrative work in support of the overall activities.
- Additionally, 1% of the overall allocation shall be used to maintain the following services:
