Article 5. Construction Cost Budget

- 5.1. Architect hereby accepts the District's established Construction Cost Budget and Project scope. In accordance with **Exhibit "A,"** the Architect shall have responsibility to further develop, review, and reconcile the Construction Cost Budget for the District at the beginning of the Project and at the completion of each design phase. The District and Construction Manager shall also have responsibility to develop, review, and reconcile the Construction Cost Budget with the Architect.

- 5.3. The District may, in its sole discretion, do one, or a combination, of the following if any of the events in Article 5.4 occur:
 - 5.3.1. Give Architect written approval on an agreed adjustment to the Construction Cost Budget.
 - 5.3.2. Authorize Architect to re-negotiate, when appropriate, and/or re-bid the Project within three (3) months' time of receipt of bids (exclusive of District and other agencies' review time) at no additional cost to the District.

 - 5.4.3. If the Construction Cost Budget increases in phases subsequent to the Schematic Design Phase due to reasonably foreseeable changes in the condition of the construction market in the county in which the District is located, in so far as these have not been caused by Acts of God, earthquakes, strikes, war, or energy shortages due to uncontrollable events in the world economy.

Article 6. Fee and Method of Payment

- 6.1. The District shall pay Architect for all Services contracted for under this Agreement an amount equal to the following ("Fee"):

A fixed fee amount of **Two Hundred Twenty-One Thousand Eight Hundred Fifty-Six Dollars (\$221,856.00)**. - 6.7. Neither the District's review, approval of, nor payment for, any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and Architect shall remain liable to the District in accordance with this Agreement for direct damages to the District caused by Architect's failure to perform any of the Services furnished under this Agreement to the standard of care under California law for architects performing similar work for California school districts in or around the same geographic area as the District.

Article 7. Payment for Extra Services or Changes

Any charges for Extra Services shall be paid by the District as described in **Exhibit "B"** only upon certification that the claimed Extra Service was authorized as indicated herein and that the Extra Services have been satisfactorily completed. If any service is done by Architect without prior written authorization by the Construction Manager or the District's authorized representative, the District will not be obligated to pay for such service. The foregoing provision notwithstanding, Architect will be paid by the District as described in **Exhibit "B"** for Extra Services that the Construction Manager or the District's authorized representative verbally requests, provided that Architect confirms such request in writing pursuant to the notice requirements of this Agreement, and proceeds with such Extra Services not earlier than two (2) business days after the District receives confirmation of the request from the Architect.

Article 8. Ownership of Data

- 8.1. Pursuant to Education Code section 17316, this Agreement creates a non-exclusive and perpetual license for the District to use, at its discretion, all plans including, but not limited to, record drawings, specifications,

estimates and other documents that Architect or its Consultants prepare or cause to be prepared pursuant to this Agreement.

- 8.2. Architect retains all rights to all copyrights over designs and other intellectual property embodied in the plans, record drawings, specifications, estimates, and other documents that Architect or its Consultants prepare or cause to be prepared pursuant to this Agreement.
- 8.3. Architect shall perform the Services and prepare all documents under this Agreement with the assistance of Computer Aided Design Drafting Technology ("CADD") (e.g., AutoCAD). Architect shall deliver to District all drawings in DWG format. As to any drawings that Architect provides in a CADD file format, the District acknowledges that anomalies and errors may be introduced into data when it is transferred or used in a computer environment, and that the District should rely on hard copies of all documents.
- 8.4. In order to document exactly what CADD information was given to the District, Architect and District shall each date and sign a "hard" copy of reproducible documents that depict the information at the time Architect produces the CADD information. The District agrees to release Architect from all liability, damages, and/or claims that arise due to any changes made to this information by anyone other than Architect or its Consultant(s) subsequent to it being given to the District.
- 8.5. Following the termination of this Agreement, for any reason whatsoever, Architect shall promptly deliver to the District upon written request and at no cost to the District the following items (hereinafter "Instruments of Service"), which the District shall have the right to utilize in any way permitted by statute:

 - 8.5.2. One (1) set of fixed image CADD files in DXF format of the drawings that are part of the Contract Documents.
 - 8.5.3. One (1) set of non-fixed image CADD drawing files in DXF or DWG or both formats of the site plan, floor plans (architectural, plumbing, structural, mechanical and electrical), roof plan, sections and exterior elevations of the Project.

- 8.5.4. All finished or unfinished documents, studies, reports, calculations, drawings, maps, models, photographs, technology data and reports prepared by the Architect under this Agreement.
- 8.5.5. The obligation of Section 8.5 of this Agreement shall survive the termination of this Agreement for any reason whatsoever.
- 8.6. In the event the District changes or uses any fully or partially completed documents without Architect's knowledge or participation or both, the District agrees to release Architect of responsibility for such changes, and shall hold Architect harmless from and against any and all claims on account of any damages or losses to property or persons, or economic losses, arising out of that change or use, unless Architect is found to be liable in a forum of competent jurisdiction. In the event that the District uses any fully or partially completed documents without the Architect's full involvement, the District shall remove all title blocks and other information that might identify Architect and its Consultants.

Article 9. Termination of Contract

- 9.1. District's Request for Assurances: If District at any time reasonably believes that Architect is or may be in default under this Agreement, District may in its sole discretion notify Architect of this fact and request written assurances from Architect of performance of Services and a written plan from Architect to remedy any potential default under the terms this Agreement that the District may advise Architect of in writing. Architect shall, within ten (10) days of District's request, deliver a written cure plan that meets the requirements of the District's request for assurances. Architect's failure to provide such written assurances of performance and the required written plan, within ten (10) days of request, will constitute a material breach of this Agreement sufficient to justify termination for cause.
- 9.2. District's Termination of Architect for Cause: If Architect fails to perform Architect's duties to the satisfaction of the District, or if Architect fails to fulfill in a timely and professional manner Architect's material obligations under this Agreement, or if Architect shall violate any of the material terms or provisions of this Agreement, the District shall have the right to terminate this Agreement, in whole or in part, effective immediately upon the District giving written notice thereof to the Architect. In the event of a termination pursuant to this subdivision, Architect may invoice the District for all Services performed until the notice of termination, but the District shall have the right to withhold payment and deduct any amounts equal to the District's costs because of Architect's actions, errors, or omissions.

District may, at its discretion, provide the Architect time to cure its default or breach.

- 9.3. District's Termination of Architect for Convenience: District shall have the right in its sole discretion to terminate the Agreement for its own convenience. In the event of a termination for convenience, Architect may invoice District and District shall pay all undisputed invoice(s) for Services performed until the District's notice of termination for convenience.
- 9.4. Architect's Termination of Agreement for Cause: Architect has the right to terminate this Agreement if the District does not fulfill its material obligations under this Agreement and fails to cure such material default within sixty (60) days of receipt of written notice of said defaults, or if the default cannot be cured within sixty (60) days, commence to cure such default, diligently pursue such cure, and complete the cure within a reasonable time following written notice and demand from Architect. Such termination shall be effective thirty (30) days after receipt of written notice from Architect to the District. Architect may invoice the District and the District shall pay all undisputed invoice(s) for Services performed until Architect's notice of termination.
- 9.5. Effect on Pre-Termination Services: Except as indicated in this Article, termination shall have no effect upon any of the rights and obligations of the Parties arising out of any transaction occurring prior to the effective date of such termination.
- 9.6. Ceasing Services upon Termination: If, at any time in the progress of the Design of the Project, the Governing Board of the District determines that the Project should be terminated, Architect, upon written notice from the District of such termination, shall immediately cease Services on the Project. The District shall pay Architect only the fee associated with the Services provided since the last invoice that has been paid and up to the notice of termination.
- 9.7. Project Suspension: If the District suspends the Project for more than one hundred twenty (120) consecutive days, Architect shall be compensated for Services performed prior to notice of that suspension. When the Project is resumed, the schedule shall be adjusted and Architect's compensation shall be equitably adjusted to provide for expenses incurred in the resumption of the Architect's Services. Architect shall make every effort to maintain the same Project personnel after suspension. If the District suspends the Project for more than two (2) years, Architect may terminate this Agreement by giving written notice.

Article 10. Indemnity/Architect Liability

- 10.1. To the furthest extent permitted by California law and in accordance with California Civil Code section 2782.8, Architect shall indemnify and hold free and harmless the District, its Governing Board, agents, representatives, officers, consultants, employees, trustees, and members ("the Indemnified Parties") from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity ("Claim(s)") to the extent that the Claim(s) arises out of, pertains to, or relates to the negligence, recklessness, or willful misconduct of the Architect, its directors, officers, employees, subcontractors, consultants, or agents, arising out or, connected with, or resulting from the performance of the Services, the Project, of this Agreement.. Architect, to the furthest extent permitted by California law, also has the duty to defend the Indemnified Parties from Claim(s) at Architect's own expense, including attorneys' fees and costs, however, in no event shall the cost to defend charged to the Architect exceed the Architect's proportionate percentage of fault. Notwithstanding the previous sentence, in the event one or more defendants is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, the design professional shall meet and confer with other parties regarding unpaid defense costs. If a Claim arises out of, or relates in any way to the Services provided under this Agreement, upon the District's or the Architect's request, the District and the Architect agree to undertake good faith measures to allow the Architect to assist the District in resolving the dispute or litigation. The Architect's assistance, described as "Mandatory Assistance" in Exhibit A, Section B.8, shall be provided at Architect's own expense and excluded from any reimbursement calculation. At the commencement of the Mandatory Assistance Phase, District and Architect shall also negotiate in good faith as to the scope and extent of further assistance, including consideration of a joint defense agreement if appropriate. During the Mandatory Assistance Phase, each Party shall be responsible for their own attorneys' fees and costs incurred; however, each Party reserves its rights pursuant to Civil Code section 2782.8.
- 10.2. Architect shall pay and satisfy any judgment, award, or decree that may be rendered against the Indemnified Parties in any Claim as defined in Article 10.1. These amounts may be paid by Architect to District or the District may in reasonable good faith withhold those costs from amounts owing to Architect, pending resolution of the dispute.
- 10.3. Architect's duty to indemnify under this Agreement shall apply during the term of this Agreement and shall survive any expiration or termination of this Agreement until such Claim(s) are barred by the applicable statute of

limitations and is in addition to any other rights or remedies that the District may have under the law or under this Agreement.

Article 11. Fingerprinting

- 11.1. Pursuant to Education Code section 45125.2, the District has determined on the basis of scope of Services in this Agreement, that Architect, its Consultants and their employees will have only limited contact with pupils. Architect shall promptly notify the District in writing of any facts or circumstances which might reasonably lead the District to determine that contact will be more than limited as defined by Education Code section 45125.1(d).
- 11.2. For all workers on District property, the Architect shall comply with all applicable federal, state and local laws regarding COVID-19. Further, except to the extent the Order provides otherwise, the Architect and Architect's personnel shall continue to comply with all other applicable terms in the CDPH's State Public Health Officer Orders.

Article 12. Responsibilities of the District

- 12.1. The District shall examine the documents submitted by the Architect and shall render decisions so as to avoid unreasonable delay in the process of the Architect's Services.
- 12.2. The District shall verbally or in writing advise Architect if the District becomes aware of any fault or defect in the Project, including any errors, omissions or inconsistencies in the Architect's documents. Failure to provide such notice shall not relieve Architect of its responsibility therefore, if any.
- 12.3. The District shall furnish the services of a hazardous material consultant or other consultants when such services are requested in writing by Architect and deemed necessary by the District or are requested by the District. These services shall include: asbestos and lead paint survey; abatement documentation; and specifications related to said matters, which are to be incorporated into bid documents prepared by Architect. If the hazardous materials consultant is furnished by the District and is not a Consultant of the Architect, the specifications shall include a note to the effect that the hazardous materials consultant's specifications are included in the Architect's bid documents for the District's convenience and have not been prepared or reviewed by the Architect. The note shall also direct questions about the hazardous materials consultant's specifications related to

asbestos and lead paint survey and/or abatement documentation to the preparer of the hazardous materials consultant's specifications.

- 12.4. The District shall timely provide to the Architect all relevant information in its possession regarding the Project that is necessary for performance of Architect's services.

Article 13. Liability of District

- 13.1. Other than as provided in this Agreement, District's financial obligations under this Agreement shall be limited to the payment of the compensation provided in this Agreement. Notwithstanding any other provision of this Agreement, in no event shall District be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including, but not limited to, lost profits or revenue, arising out of or in connection with this Agreement or the Services performed in connection with this Agreement.
- 13.2. District shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Architect, or by its employees, even though such equipment be furnished or loaned to Architect by District.

Article 14. Nondiscrimination

Architect agrees to comply with the provisions of the California Fair Employment and Housing Act as set forth in part 2.8 of division 3 of the California Government Code, commencing at section 12900; the Federal Civil Rights Act of 1964, as set forth in Public Law 88-352, and all amendments thereto; Executive Order 11246; and all administrative rules and regulations found to be applicable to Architect and all of its subcontractors. In addition, Consultant agrees to require like compliance by all of its subcontractor(s).

Article 16. Covenant against Contingent Fees

Architect warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Architect, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Architect, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent on or resulting from the award or making of this Agreement. For breach or violation of this warranty, the District shall have the right to annul this Agreement without liability, or in its discretion, to deduct from the contract price or consideration or to recover the full amount of such fee, commission, percentage fee, gift, or contingency.

Article 17. Entire Agreement/Modification

Architect shall be entitled to no other benefits than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both Parties. Architect specifically acknowledges that in entering this Agreement, Architect relies solely upon the provisions contained in this Agreement and no others.

Article 18. Non-Assignment of Agreement

In as much as this Agreement is intended to secure the specialized Services of the Architect, Architect may not assign, transfer, delegate or sublet any interest therein without the prior written consent of District and any such assignment, transfer, delegation or sublease without the District's prior written consent shall be considered null and void. Likewise, District may not assign, transfer, delegate or sublet any interest therein without the prior written consent of Architect and any such assignment, transfer, delegation or sublease without Architect's prior written consent shall be considered null and void. If an assignment is approved, this Agreement shall be binding on the successors and assign of the parties.

Article 19. Law, Venue

- 19.1. This Agreement has been executed and delivered in the State of California and the validity, enforceability and interpretation of any of the clauses of this Agreement shall be determined and governed by the laws of the State of California.
- 19.2. To the fullest extent permitted by California law, the county in which the District administration office is located shall be the venue for any action or proceeding that may be brought or arise out of, in connection with or by reason of this Agreement.

Article 20. Alternative Dispute Resolution

- 20.1. All claims, disputes or controversies arising out of, or in relation to the interpretation, application or enforcement of this Agreement may be decided through mediation as the first method of resolution. Notice of the demand for mediation of a dispute shall be filed in writing with the other party to the Agreement. The demand for mediation shall be made within a reasonable time after written notice of the dispute has been provided to the other party, but in no case longer than ninety (90) days after initial written notice.
- 20.2. If a claim, or any portion thereof, remains in dispute upon satisfaction of all applicable dispute resolution requirements, the Architect shall comply with all claims presentation requirements as provided in Chapter 1 (commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to the Architect's right to bring a civil action against the District. For purposes of those provisions, the running of the time within which a claim must be presented to the District shall be tolled from the time the Architect submits its written claim until the time the claim is denied, including any time utilized by any applicable meet and confer process.
- 20.3. Pending resolution of the dispute, Architect agrees it will neither rescind the Agreement nor stop the performance of the Services.

Article 21. Tolling of Claims

Architect agrees to toll all statutes of limitations for District's assertion of claims against Architect that arise out of, pertain to, or relate to Contractors' or subcontractors' claims against District involving Architect's work, until the Contractors' or subcontractors' claims are finally resolved.

In the event either party shall bring any action or legal proceeding for damages for any alleged breach of any provision of or performance under this Agreement, to terminate this Agreement, or to enforce, protect or establish any term or covenant of this Agreement or right or remedy of either party, the prevailing party shall be entitled to recover, as a part of the action or proceeding, reasonable attorneys' fees and court costs, including consultants' fees, attorneys' fees and costs for appeal, as may be fixed by the court. The term "prevailing party" shall mean the party who received substantially the relief requested, whether by settlement, dismissal, summary judgment, judgment, or otherwise.

Article 23. Severability

If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

Article 24. Employment Status

- 24.1. Architect shall, during the entire term of Agreement, be an independent contractor and nothing in this Agreement is intended nor shall it be construed to create an employer-employee relationship, a joint venture relationship, or to allow the District to exercise discretion or control over the professional manner in which Architect performs the Services that are the subject matter of this Agreement; provided always, however, that the Services to be provided by Architect shall be provided in a manner consistent with all applicable standards and regulations governing such Services.

The District shall then forward those amounts to the relevant taxing authority.
- 24.4. Should a relevant taxing authority determine a liability for past services performed by Architect for the District, upon notification of such fact by the District, Architect shall promptly remit such amount due or arrange with the District to have the amount due withheld from future payments to Architect under this Agreement (again, offsetting any amounts already paid by Architect which can be applied as a credit against such liability).

- 24.5. A determination of employment status pursuant to the preceding two (2) paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Architect shall not be considered an employee of the District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Architect is an employee for any other purpose, then Architect agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined that Architect or its employees of Consultants was not an employee.
- 24.6. Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

Article 25. Certificate of Architect

- 25.1. Architect certifies that the Architect is properly certified or licensed under the laws and regulations of the State of California to provide the professional services that it has herein agreed to perform.

- 3.9 **Conflicts of Interest Prohibited:**
- 3.9.1 CM understands that District officials and employees are prohibited from involvement in decisions in which they may have a financial interest pursuant to Government Code sections 1090 and 87100 et seq., and certifies that it does not know of any facts indicating that any District official or employee has an ownership or other financial interest, direct or indirect, in this Agreement. Further, CM hereby certifies that no current District official or employee of the District, and no one who has been a District official or employee of the District within the past two years has participated in bidding, selling or promoting this Agreement. CM understands that in addition to the remedies available at law, that any failure to provide an accurate certification or any violation of this provision shall make the Agreement voidable by District.
- 3.9.2 CM shall not be permitted to submit proposals or otherwise seek contracts for the following services to be procured by the District in connection with any project covered by this Agreement: Design

Professional, IORs or Test/Inspection. If CM identifies potential Design Professionals, Project Inspectors or Test/Inspection services in connection with a project, CM shall affirmatively and unequivocally represent and warrant to the District that neither CM nor any person who holds equity interest in CM's organization is a former or current holder of any equity interest in the firm identified or has any financial interest in the firm identified. District reserves the sole discretion to waive this subsection's requirements on a case-by-case basis.

ARTICLE 4. CM Staff

4.1 The District selected CM to perform the Services because of the CM's skills and expertise of key personnel.

4.2 CM agrees that the following key personnel in CM's firm shall be associated with the Project and perform the Services in the following capacities:

Project Director during construction:	Wayne Sjolund
Project Manager:	Ryan Perry-Smith
Construction Manager:	Rami Wahhab
Project Engineer	TBD

4.3 CM shall not change any of the key personnel listed above without the District's prior written approval, unless said personnel cease to be employed by CM. Regardless of the reason for the change in key personnel, District shall be allowed to interview and retains the right to approve replacement personnel.

4.4 If any designated lead or key person fails to perform to the satisfaction of the District, then upon the District's written notice, the CM will have seven (7) calendar days to remove that person from the Project and shall provide a replacement person acceptable to the District.

4.4.1 All lead or key personnel for any Consultant must also be designated by the Consultant and are subject to all conditions stated in this Agreement.

4.5 CM represents that the Construction Manager has no existing interest and will not acquire any interest, direct or indirect, that could conflict in any manner or degree with the performance of Services required under this Agreement. CM agrees further that no person having any such interest shall be employed by CM.

ARTICLE 5. Schedule of Work

CM shall commence work under this Agreement upon receipt of a Notice to Proceed and shall prosecute the work diligently as described in **Exhibit "A"** so as to proceed

with and complete the Services in compliance with the schedule attached as **Exhibit "C."** Time is of the essence and failure of CM to perform work on time as specified in this Agreement is a material breach of this Agreement.

ARTICLE 6. Construction Cost Budget

- 6.1 CM shall have responsibility, along with the Architect, to develop, review, and reconcile the Construction Cost Budget per Project with the Architect and the District throughout the design process and construction.
- 6.2 The Construction Cost Budget shall be the total cost to District of all Project elements the Design Team designs or specifies.
- 6.3 CM shall work cooperatively with the Project Design Team throughout the Project, including but not limited to, the Schematic Design Phase, Design Development Phase, and Construction Documents Phase, as described in **Exhibit "A,"** so that the Project's construction cost as designed by the Project Design Team will not exceed the Construction Cost Budget, as may be adjusted subsequently with the District's written approval. CM shall notify the District if it believes the Project's construction cost of the work by the Project Design Team will exceed the Construction Cost Budget, and/or if it believes the construction cost as designed will exceed the Construction Cost Budget. CM, however, shall not perform or be responsible for any design or architectural services.
- 6.4 Evaluations of the District's Construction Budget, and CM's preliminary and detailed cost estimates, represent the CM's best judgment as a professional familiar with the construction industry.
- 6.5 If the Bidding Phase has not commenced within ninety (90) days after DSA approval of the plans and specifications, the Construction Cost Budget may be adjusted at District's request to reflect changes in the general level of prices in the construction industry between the date of submission of the Construction Documents to the District and the date on which proposals are sought.
- 6.6 The District may, in its sole discretion, do one, or a combination, of the following if any of the events in Article 6.7 occur:
 - 6.6.1 Give CM written approval of an agreed adjustment to the Construction Cost Budget.
 - 6.6.2 Authorize CM to re-negotiate and/or re-bid the Project, when appropriate, within three (3) months' time of receipt of bids, at no additional cost to the District (exclusive of District and other agencies' review time).
 - 6.6.3 Terminate this Agreement if the Project is abandoned by the District without further obligation by either party.
 - 6.6.4 Within three (3) months of receipt of bids, instruct Design Team to revise the drawings and specifications (in scope and quality as

approved by the District) to bring the Project within the Construction Cost Budget for re-bidding. CM will perform cost estimation, value engineering, constructability reviews, and/or bidding support at no additional cost to the District.

- 6.7 If any of the following events occur, the District may exercise any one, or any combination, of the actions set forth in Article 6.6 above:
- 6.7.1 The lowest responsive base bid received is five percent (5%) or more in excess of the Construction Cost Budget or
 - 6.7.2 The combined total of base bid and all additive alternates equal or exceed ten percent (10%) of the Construction Cost Budget; or
 - 6.7.3 The Construction Cost Budget increases in phases subsequent to the Schematic Design Phase due to reasonably foreseeable changes in the condition of the construction market in the Sacramento Area, in so far as these have not been caused by Acts of God, earthquakes, strikes, war, or energy shortages due to uncontrollable events in the world economy.

ARTICLE 7. Fee and Method of Payment for Basic Services

District shall pay CM an amount not to exceed **One Hundred Forty-Eight Thousand Five Hundred Fifty Dollars (\$148,550)** for all services contracted for under this Agreement and based on the Fee Schedule set forth in **Exhibit "D."**

- 7.1 District shall pay CM the Fee pursuant to the provisions herein and the method of payment set forth in **Exhibit "D."**
- 7.2 CM shall bill its work under this Agreement on a percent of completion basis in accordance with **Exhibit "D."**
- 7.3 No increase in fee will be due from change orders generated during the construction period to the extent caused by CM's error(s) or omission(s).
- 7.4 The CM's fee set forth in this Agreement shall be full compensation for all of CM's Services incurred in the performance hereof as indicated in **Exhibit "D,"** including, without limitation, all costs for personnel, travel within two hundred (200) miles of the Project location, offices, per diem expenses, printing, providing or shipping of deliverables in the quantities set forth in **Exhibit "A."**

ARTICLE 8. Payment for Extra Services

- 8.1 Any charges for Extra Services shall be paid by the District as described in **Exhibit "B"** at the rates set forth in **Exhibit "D"** only upon certification of the District's prior written authorization of the claimed Extra Services and the Extra Services have been satisfactorily completed.
- 8.2 CM shall submit to District a written proposal describing the proposed scope of services and listing the personnel, labor duration, rates, and cost. CM shall

proceed with Extra Services only upon receiving the District's prior written authorization. CM will not be entitled to any compensation for Extra Services performed prior to receiving District's written authorization.

- 8.3 If CM performs any Extra Services without the District's authorized representative's prior written authorization, the District will not be obligated to pay for such Extra Services. The foregoing provision notwithstanding, CM will be paid by the District as described in **Exhibit "B"** for Extra Services the District's authorized representative verbally requests, provided CM confirms such request in writing pursuant to the notice requirements of this Agreement, and proceeds with such Extra Services not earlier than two (2) business days after the District receives CM's written confirmation of the request.

ARTICLE 9. Ownership of Data

- 9.1 All of CM's work product prepared or generated in connection with this Agreement is the District's property.
- 9.2 Upon the District's request, the CM shall make available to the District all work product completed or in progress at the time of such a request.
- 9.3 After Project completion or, if the District exercises the right to terminate this Agreement pursuant to the Agreement terms, CM shall assemble and deliver to District within five (5) calendar days of the District's written request, all of CM's work product of the generated, prepared, reviewed or compiled in connection with this Agreement and the Services and authorized Extra Services hereunder. This includes, without limitation, all CM generated documents, copies of all documents CM exchanged with or copied to or from all other Project participants, and all closeout documents. CM shall be index and organize appropriately said Project records for easy use by District personnel.
- 9.4 All Project records are District property, whether or not those records are in the CM's possession. District retains all rights to all copyrights, designs, and other intellectual property embodied in the plans, record drawings, specifications, estimates, and other documents that CM or its Consultants prepare or cause to be prepared pursuant to this Agreement. Notwithstanding the preceding sentence, CM and its Consultants shall be entitled to reuse work product generated under this Agreement.

ARTICLE 10. Termination of Contract

- 10.1 District's Request for Assurances: If District at any time reasonably believes CM is or may be in default under this Agreement, District may in its sole discretion notify CM of this fact and request written assurances from CM of performance of Services and a written plan from CM to remedy any potential default under the terms this Agreement that the District may advise CM of in writing. CM shall, within ten (10) calendar days of District's request, deliver a written cure plan that meets the District's requirements in its request for assurances. CM's failure to provide such written assurances of performance and the required

written plan, within ten (10) calendar days of request, will constitute a material breach of this Agreement sufficient to justify termination for cause.

- 10.2 District's Termination of CM for Cause: If CM fails to perform CM's duties to the District's satisfaction, or if CM fails to fulfill in a timely and professional manner CM's material obligations under this Agreement, or if CM violates any of the material terms or provisions of this Agreement, the District shall have the right to terminate this Agreement effective immediately upon the District giving CM written notice thereof. In the event of a termination pursuant to this subdivision, CM may invoice District for all work performed until the notice of termination, but District shall have the right to withhold payment and deduct any amounts equal to the District's costs because of CM's actions, errors, or omissions.
- 10.3 District's Termination of CM for Convenience: District shall have the right in its sole discretion to terminate this Agreement for its own convenience. In the event of a termination for convenience, CM may invoice District and District shall pay all undisputed invoice(s) for work performed until the notice of termination. This shall be the only amount(s) potentially owing to CM if there is a termination for convenience.
- 10.4 CM's Termination of Agreement for Cause: CM has the right to terminate this Agreement if the District does not fulfill its material obligations under this Agreement and fails to cure such material default within sixty (60) days of receipt of written notice of said defaults, or if the default cannot be cured within sixty (60) days, commence to cure such default, diligently pursue such cure, and complete the cure within a reasonable time following written notice and demand from CM. Such termination shall be effective after receipt of written notice from CM to the District.
- 10.5 Effect on Pre-Termination Services: Except as indicated in this Article, termination shall have no effect upon any of the rights and obligations of the Parties arising out of any transaction occurring prior to the effective date of such termination.
- 10.6 Ceasing Services upon Termination: If, at any time in the progress of performing Services under this Agreement, the District determines that CM's Services should be terminated, the CM, upon the District's written notice of such termination, shall immediately cease providing Services, except to transfer files as directed by the District. The District shall pay CM only the fee associated with the Services provided and approved by District since the last paid invoice and up to the notice of termination.
- 10.7 Project Suspension: If the Project is suspended by the District for more than one hundred and eighty (180) consecutive days, the CM shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the schedule shall be adjusted and the CM's compensation shall be equitably adjusted to provide for expenses incurred in the resumption of the CM's Services. CM shall make every effort to maintain the same Project personnel after suspension.

ARTICLE 11. Indemnity

- 11.1 To the furthest extent permitted by California law, CM shall indemnify and hold free and harmless the District, its Governing Board, agents, representatives, officers, consultants, employees, trustees, and volunteers (“the Indemnified Parties”) from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity (“Claim”) that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the CM, its officers, employees, subcontractors, consultants, or agents, including without limitation, the payment of all consequential damages. CM shall also, to the furthest extent permitted by California law, defend the Indemnified Parties at CM’s own expense, including attorneys’ fees and costs, from any and all Claim(s) and allegations relating thereto with counsel approved by District where such approval is not to be unreasonably withheld.
- 11.2 CM shall pay and satisfy any judgment, award, or decree that may be rendered against the Indemnified Parties in any Claim. CM’s obligation pursuant to Article 11.1 includes reimbursing the District for the cost of any settlement paid by the Indemnified Parties and for any and all fees and costs, including but not limited to, legal fees and costs, expert witness fees, and consultant fees, incurred by the Indemnified Parties in the defense of any Claim(s), or to enforce the indemnity herein. CM’s obligation to indemnify shall not be restricted to insurance proceeds.
- 11.3 District may withhold from amounts owing to CM any and all costs that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the CM.

ARTICLE 12. Conduct on Project Site and Fingerprinting

- 12.1 Unacceptable and/or loud language will not be tolerated. “Cat calls” or other derogatory language toward students or public will not be allowed.
- 12.2 Drugs, alcohol, and smoking on District property are strictly prohibited. No drugs, alcohol and/or smoking are allowed at any time in any building and/or grounds on District’s property. No students, staff, visitors or contractors are to use drugs on District’s property.
- 12.3 Pursuant to Education Code section 45125.2, the District has determined on the basis of the scope of Services in this Agreement that CM and its subcontractors and employees will have only limited contact with pupils. CM will promptly notify the District in writing of any facts or circumstances which might reasonably lead the District to determine that contact will be more than limited. Should there be more than limited contact, CM shall comply with the provisions of Education Code section 45125.1 regarding the submission of employee fingerprints to the California Department of Justice and the completion of criminal background investigations of its employees. CM shall not permit any employee to have any contact with District pupils until such time as the CM has verified in writing to the governing board of the District

that the employee has not been convicted of a felony, as defined in Education Code section 45122.1. CM's responsibility shall extend to all employees, agents, and employees or agents of its Consultants regardless of whether those individuals are paid or unpaid, concurrently employed by the District, or acting as CM's independent contractors. CM shall provide to District verification of compliance with this section by submitting an executed Criminal Background Investigation Certification (**Exhibit "E"**).

- 12.4 For all workers on District property, CM shall comply with all applicable federal, state and local laws regarding COVID-19, including but not limited to the CDPH's State Public Health Officer Orders.

ARTICLE 13. Responsibilities of the District

- 13.1 The District shall examine the documents submitted by the CM and shall render decisions so as to avoid unreasonable delay in the process of the CM's Services.
- 13.2 The District shall provide to the CM as complete information as is available to District regarding the District's Project requirements.
- 13.3 The District shall retain design professional(s) whose services, duties and responsibilities will be described in written agreement(s) between the District and design professional(s).
- 13.4 Unless the contract documents require that Contractor provide any of the following, the District shall, in a timely manner, and with CM's assistance, secure, submit and pay for necessary approvals, easements, assessments, permits and charges required for the construction, use, or occupancy of permanent structures or for permanent changes in existing facilities, subject to CM's and/or the Design Team's duties to recommend or provide same.
- 13.5 The District, its representatives, and consultants shall communicate with the Contractor either directly or through the CM.
- 13.6 The District shall designate an officer, employee and/or other authorized representatives to act on the District's behalf with respect to the Project. The District's Project representative shall be available during working hours and as often as may be required to render decisions and to furnish information in a timely manner.

ARTICLE 14. Liability of District

- 14.1 Other than as provided in this Agreement, District's obligations under this Agreement shall be limited to the payment of the compensation as provided in this Agreement. Notwithstanding any other provision of this Agreement, in no event shall District be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including but not limited to, lost profits or revenue, arising out of or in

connection with this Agreement for the services performed in connection with this Agreement.

- 14.2 CM shall pay to District any and all costs incurred by District, or for which District may become liable, to the extent caused by negligent delays, acts, or omissions of CM in its performance of its Services.
- 14.3 District shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by CM, or by its employees, even though such equipment be furnished or loaned to CM by District.
- 14.4 CM hereby waives any and all claim(s) for recovery from the District under this Agreement, which loss or damage is covered by valid and collectible insurance policies. CM agrees to have its required insurance policies endorsed to prevent the invalidation of insurance coverages by reason of this waiver. This waiver shall extend to claims paid, or expenses incurred, by CM's insurance company on the District's behalf.

ARTICLE 15. Insurance

- 15.1 CM shall procure, prior to commencement of Services, and will maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the CM, their agents, representatives, employees and sub-consultant(s). CM's liabilities, including but not limited to, CM's indemnity or defense obligations under this Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Agreement and CM's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Agreement, as required or when requested, may be treated by the District, subject to its sole discretion, as a material breach of contract.
- 15.2 **Minimum Scope and Limits of Insurance:** Coverage shall be at least as broad as the following scopes and limits:
 - 15.2.1 **Commercial General Liability.** Two million dollars (\$2,000,000) per occurrence for bodily injury, personal injury, property damage, death, advertising injury, and medical payments arising from the performance of any portion of the Services. If Commercial General Liability or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this Project/location or the general aggregate limit shall be twice the required occurrence limit.
 - 15.2.2 **Commercial Automobile Liability, Any Auto.** Two million dollars (\$2,000,000) per occurrence.

- 15.2.3 **Workers' Compensation.** Statutory limits required by the State of California. For all of the CM's employees who are subject to this Agreement and to the extent required by the applicable state or federal law, CM shall keep in full force and effect, a Workers' Compensation policy. CM shall provide an endorsement that the insurer waives the right of subrogation against the District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.
- 15.2.4 **Employer's Liability.** One million dollars (\$1,000,000) per accident for bodily injury or disease. For all of the CM's employees who are subject to this Agreement, CM shall keep in full force and effect, an Employers' Liability policy. That policy shall provide employers' liability coverage with minimum liability coverage of Two million dollars (\$2,000,000) per occurrence. CM shall provide an endorsement that the insurer waives the right of subrogation against the District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.
- 15.2.5 **Professional Liability.** This insurance shall cover the CM and its sub-consultant(s), if any, for two million dollars (\$2,000,000) aggregate limit subject to no claim deductible, coverage to continue through completion of construction plus two years thereafter. The policy must contain terms or endorsements extending coverage that requires the insurer to defend and indemnify for acts which happen before the effective date of the policy provided the claim is first made during the policy period.
- 15.3 The District reserves the right to modify the limits and coverages described herein, with appropriate credits or charges to be negotiated for such changes.
- 15.4 **Deductibles and Self-Insured Retention:** Any deductibles or self-insured retention exceeding Twenty-Five Thousand Dollars (\$25,000) must be declared to and approved by the District. At the option of the District, either:
- 15.4.1 The District can accept the higher deductible;
- 15.4.2 CM's insurer shall reduce or eliminate such deductibles or self-insured retention as respects the District, its officers, officials, employees and volunteers; or
- 15.4.3 CM shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- 15.5 **Other Insurance Provisions:** The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

- 15.5.1 All policies except for the worker's compensation, employer's liability and professional liability insurance policy shall be written on an occurrence form.
- 15.5.2 The District, its representatives, consultants, trustees, officers, officials, employees, agents, and volunteers ("Additional Insureds") are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the CM; Instruments of Service and completed operations of the CM; premises owned, occupied or used by the CM; or automobiles owned, leased, hired or borrowed by the CM. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. All endorsements shall waive any right to subrogation against any of the Additional Insureds.
- 15.5.3 Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the Additional Insureds.
- 15.5.4 CM shall pay all insurance premiums, including any charges for required waivers of subrogation or the endorsement of additional insureds. If CM fails to maintain insurance, District may take out comparable insurance, and deduct and retain amount of premium from any sums due CM under the Agreement.
- 15.5.5 The CM's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- 15.5.6 Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled, not renewed, or material change in coverage except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the District.
- 15.5.7 CM's insurance coverage shall be primary and non-contributory insurance as respects the Additional Insureds with respect to any claims related to, arising out of, or connected with the Project. Any insurance or self-insurance maintained by the Additional Insureds shall be in excess of the CM's insurance and shall not contribute with it.
- 15.5.8 Construction Manager shall provide an endorsement that the insurer waives the right of subrogation against the District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.
- 15.5.9 CM shall require all subconsultants to maintain the level of insurance CM deems appropriate with respect to the consultant's scope of the Work unless otherwise indicated in the Agreement.

CM shall cause the subconsultants to furnish proof thereof to District within ten (10) days of District's request. Should CM not require subconsultants to provide the same level of insurance as is required of CM, as provided in this Agreement, CM is not relieved of its indemnity obligations to District or fulfilling its insurance requirements as provided in this Agreement.

15.5.10 If CM normally carries insurance in an amount greater than the minimum amounts required herein, that greater amount shall become the minimum required amount of insurance for purposes of the Agreement. Therefore, CM hereby acknowledges and agrees that all insurance carried by it shall be deemed liability coverage for all actions it performs in connection with the Agreement.

15.6 **Acceptability of Insurers:** Insurance is to be placed with insurers admitted in California with a current A.M. Best's rating of no less than A:VII. CM shall inform the District in writing if any of its insurer(s) have an A.M. Best's rating less than A:VII. At the option of the District, the District may either:

15.6.1 Accept the lower rating; or

15.6.2 Require CM to procure insurance from another insurer.

15.7 **Verification of Coverage:** Prior to commencing with its provision of Services under this Agreement, but no later than three (3) calendar after the Notice of Award, CM shall furnish the District with:

15.7.1 Certificates of insurance showing maintenance of the required insurance coverage;

15.7.2 Original endorsements affecting coverage. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received and approved by the District before work commences.

15.8 **Copy of Insurance Policy(ies):** Upon the District's request, CM will furnish District with a copy of all insurance policies related to its provision of Services under this Agreement.

ARTICLE 16. Nondiscrimination

CM agrees to comply with the provisions of the California Fair Employment and Housing Act as set forth in part 2.8 of division 3 of the California Government Code, commencing at section 12900; the Federal Civil Rights Act of 1964, as set forth in Public Law 88-352, and all amendments thereto; Executive Order 11246; and all administrative rules and regulations found to be applicable to Consultant and all of its subcontractors. In addition, Consultant agrees to require like compliance by all of its subcontractor(s).

ARTICLE 17. Covenant Against Contingent Fees

CM warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CM, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CM, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent on or resulting from the award or making of this Agreement. For breach or violation of this warranty, the District shall have the right to annul this Agreement without liability, or in its discretion, to deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage fee, gift, or contingency.

ARTICLE 18. Entire Agreement/Modification

This Agreement, including the Exhibits hereto, supersedes all previous contracts and constitutes the entire understanding of the Parties hereto. CM shall be entitled to no benefit other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both Parties. CM specifically acknowledges that in entering into this Agreement, CM relies solely upon the provisions contained in this Agreement and no others.

ARTICLE 19. Non-Assignment of Agreement

This Agreement is intended to secure the CM's specialized services. CM may not assign, transfer, delegate or sublet any interest therein without the District's prior written consent. Any assignment, transfer, delegation or sublease without the District's prior written consent shall be considered null and void.

ARTICLE 20. Law, Venue

- 20.1 This Agreement has been executed and delivered in the State of California and the validity, enforceability and interpretation of any of the clauses of this Agreement shall be determined and governed by the laws of the State of California.
- 20.2 To the fullest extent permitted by California law, Sacramento County shall be the venue for any action or proceeding that may be brought or arise out of, in connection with or by reason of this Agreement.

ARTICLE 21. Alternative Dispute Resolution

- 21.1 All claims, disputes or controversies arising out of, or in relation to the interpretation, application or enforcement of this Agreement may be decided through mediation as the first method of resolution. Notice of the demand for mediation of a dispute shall be filed in writing with the other party to the Agreement. The demand for mediation shall be made within a reasonable time after written notice of the dispute has been provided to the other party, but in no case longer than ninety (90) days after initial written notice.
- 21.2 If a claim, or any portion thereof, remains in dispute upon satisfaction of all applicable dispute resolution requirements, the Consultant shall comply with

all claims presentation requirements as provided in Chapter 1 (commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to the Consultant's right to bring a civil action against the District. For purposes of those provisions, the running of the time within which a claim must be presented to the District shall be tolled from the time the Consultant submits its written claim until the time the claim is denied, including any time utilized by any applicable meet and confer process.

- 21.3 Notwithstanding any disputes, claims or other disagreements between the CM and the District, CM shall continue to provide and perform Services hereunder pending a subsequent resolution of such disputes.

ARTICLE 22. Tolling of Claims

CM agrees to toll all statutes of limitations for District's assertion of claims against CM that arise out of, pertain to, or relate to Contractors' or subcontractors' claims against District involving CM's work, until the Contractors' or subcontractors' claims are finally resolved.

ARTICLE 23. Severability

If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

ARTICLE 24. Employment Status

- 24.1 CM shall, during the entire term of Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall it be construed to create an employer-employee relationship, a joint venture relationship, or to allow District to exercise discretion or control over the professional manner in which CM performs the Services which are the subject matter of this Agreement; provided always, however, that the Services to be provided by CM shall be provided in a manner consistent with all applicable standards and regulations governing such Services.
- 24.2 CM understands and agrees that CM's personnel are not and will not be eligible for: membership in, or to receive any benefits from, any District group plan for hospital, surgical or medical insurance; membership in any District retirement program; paid vacation, paid sick leave or other leave, with or without pay; or any other benefits which accrue to a District employee.
- 24.3 Should District, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Department, or both, determine that CM or any employee of CM is an employee of District for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for

amounts already paid by CM which can be applied against this liability). District shall then forward those amounts to the relevant taxing authority.

- 24.4 Should a relevant taxing authority determine a liability for past services performed by CM for District, upon notification of such fact by District, CM shall promptly remit the amount due or arrange with District to have the amount due withheld from future payments to CM under this Agreement (again, offsetting any amounts already paid by CM which can be applied as a credit against that liability).
- 24.5 A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, CM shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine CM is an employee for any other purpose, then CM agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined CM was not an employee.
- 24.6 Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

ARTICLE 25. Warranty of CM

- 25.1 CM warrants that CM is properly licensed and/or certified under the laws and regulations of the State of California to provide the Services that it has herein agreed to perform.
