Recommendation: Approve one new Citizens' Bond Oversight Committee to fill the upcoming vacancy for taxpayer association representation:

- Jay Martinez

Background/Rationale: The purpose of a CBOC is derived from the provisions of Proposition 39 that specify the need to ensure accountability by informing the public concerning the expenditure of bond revenues. The CBOC reviews the expenditures of bond funds ensuring that they are only spent for the construction, modernization or replacement of school facilities in accordance with the bond language. The CBOC meets four times a year and works with district staff to coordinate the agenda. During those meetings, the committee will receive reports from staff on the status of bond projects and expenditures and may tour facilities. Annually, a financial audit and a performance audit will be presented for the committee's review.

The CBOC is also responsible for a year-end report to the Board of Education.

The CBOC shall consist of at least seven members from various categories, as outlined by California Education Code § 15282. One such category is a member of a bona-fide taxpayers' association. Mr. Jay Martinez would fill this requirement.

Financial Considerations: None

LCAP Goal(s): College, Career and Life Ready Graduates; Safe, Emotionally Healthy and Engaged Students; Family and Community Empowerment; Operational Excellence
