**Electronic Record and Signature Disclosure**

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Sacramento County (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact Sacramento County:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [dtech-webteam@saccounty.net](mailto:dtech-webteam@saccounty.net)

**To advise Sacramento County of your new e-mail address**

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at [dtech-webteam@saccounty.net](mailto:dtech-webteam@saccounty.net) and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

**To request paper copies from Sacramento County**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [dtech-webteam@saccounty.net](mailto:dtech-webteam@saccounty.net) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with Sacramento County**

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [dtech-webteam@saccounty.net](mailto:dtech-webteam@saccounty.net) and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number. If space and funding allow, program elements may be provided to families with factors stated above who reside outside of the catchment areas.

#### **4. CORE VALUES**

CONTRACTOR shall ensure that programs, services and projects funded by the COMMISSION reflect the following core values:

1. A focus on prevention and early intervention to ensure that children have enhanced early growth experiences to reach their full potential;

3. A focus on the county's most vulnerable families to reduce disparities in access to equitable, quality services and outcomes;

The following shall be named as subcontractors and shall receive funding under this agreement. A contract amendment may be needed as a result of any approved changes.

#### **6. SYSTEMS INTEGRATION: SAC FAMILY CONNECT**

Sac Family Connect (SFC) (formerly the Home Visiting Coordinating Collaborative) is a collaborative convened by the COMMISSION to bring agencies together to create a coordinated, unified, and streamlined system to support 0-5 families with the home visiting and support services that best meet their needs. CONTRACTOR shall participate in the SFC Memorandum of Understanding, which prioritizes:

1. Building stronger cross-agency relationships

2. Developing a coordinated and streamlined cross-agency referral process
3. Collecting and sharing closed-loop referral data
4. Training agency staff on topics that strengthen the family support services workforce
5. Integrating parent involvement and decision-making on services impacting their communities.

*A key staff person, with decision-making abilities for the organization, will be required to attend quarterly SFC meetings; however, staff of all levels are encouraged to attend.*

**7. RACIAL EQUITY, DIVERSITY, INCLUSION AND CULTURAL RESPONSIVENESS (REDI+CR)**

Systems play a significant role in the contribution and the perpetuation of negative predictable outcomes for communities of color. The COMMISSION is dedicated to building a more equitable community and making sure that all children and families are supported and have the resources they need to be happy, healthy, and successful. As a result, the COMMISSION has approved a resolution on racial equity and social justice with a desire for a shared framework for equity with our funded partners. Funded partners will be required to participate in open conversation and related activities, (such as but not limited to: trainings, messaging, quantitative and qualitative tracking/data collection, or working on policies and systems change) that will be determined collectively over time.

*A key staff person, with decision-making abilities for the organization, will be required to participate in discussions with the COMMISSION on this issue and initiate steps at their organization.*

**8. COMMUNITY AND PARENT PARTNERSHIP**

Children's development is supported when families, institutions, and communities engage with each other in a regular and ongoing way. Studies show that family and community engagement are crucial for the success of family service programs and that these programs reach desired outcomes when families share power in designing and guiding them. Community members and parents/caregivers gave feedback in the selection of First 5 Sacramento's funded priorities, the selection of elements in the First 5 Sacramento Implementation Plan, and in the applications for funding from community partners.

*CONTRACTOR will be required to continue to collect and act on community feedback on the funded program(s) throughout the contract period;*

- F. CONTRACTOR shall submit reports related to data collection and evaluation in the form and frequency required by the Commission.

**10. SUSTAINABILITY**

The COMMISSION adopted a Systems Sustainability Plan with the goal of sustaining children's health, development and family empowerment outcomes and the systems that promote them. Being that tobacco tax is a declining revenue stream, First 5 has honed its investments over its 25-year history, shifting funding away from direct-services programming toward more systems improvement and policy work where impacts will be greater and longer-lasting. In this current landscape, the COMMISSION's already declining tobacco tax revenues are being dramatically impacted since Proposition 31 (the flavored tobacco ban) was implemented in 2023. It is projected that a 28% decrease in funding is impending for the 2027 Strategic Plan.

The COMMISSION continues to emphasize the importance of sustainability planning for its funded partners. In partnership, the COMMISSION continues to advocate for policies and seek new, alternate and leveraged funds to support child and family serving programs in Sacramento County. COMMISSION will provide guidance and technical assistance to contractors to develop sustainability strategies and a written sustainability plan. The goal of the COMMISSION is by the end of this 2024 three-year strategic plan period, CONTRACTOR will be able to absorb up to a 30% funding reduction with new and leveraged funding in order to maintain the same level of services in the community.

CONTRACTOR participation and minimum achievements in sustainability efforts shall include:

### **13. EVALUATION PLAN**

The evaluation procedures will support the COMMISSION and their evaluator in describing CONTRACTOR'S program efforts, immediate outcomes for participants, and how those outcomes contribute to the goals of First 5 Sacramento's 2024-2027 Strategic Plan. The COMMISSION uses a Results Based Accountability (RBA) model to evaluate the impact of their funded programs. The RBA model is structured around the following areas: "How much did we do?", "How well did we do it?", and "Is anyone better off?" Please see the information below for the detailed evaluation plan and procedures.

#### **Evaluation & First 5 Sacramento Strategic Plan**

- The following evaluation procedures will support First 5 Sacramento and Applied Survey Research (ASR) in describing your program's efforts, immediate outcomes for participants, and how those outcomes contribute to the goals of First 5 Sacramento's 2024-2027 Strategic Plan.
- Playgroups and Parent Cafés offered by school districts contribute to First 5 Sacramento's Health & Well-Being priority area to support the overarching

outcome in which “children’s basic needs are met so they can reach optimal development.”

## Evaluation Plan

- First 5 Sacramento uses a Results Based Accountability (RBA) model to evaluate the impact of their funded programs. The RBA model is structured around the following areas: “How much did we do?”, “How well did we do it?”, and “Is anyone better off?”
- Indicators for each RBA area were developed to summarize and evaluate program activities in relation to the First 5 Sacramento FY 2024-2027 Strategic Plan’s goals and desired outcomes. First 5 Staff and ASR met with district representatives to ensure the identified indicators aligned with the proposed objectives and activities. A detailed Evaluation Plan by RBA area is outlined at the end of this document, including each indicator and methods of measurement.

## Client Information Form (only if Consent for Evaluation declined in Consent Form)

<b>What and why</b>	The Client Information Form collects and informs the parent/caregiver about minimum data requirements for aggregate demographic and service data counts. This information is important for annual reporting, to accurately count the total reach of First 5 dollars. Non-consenting participants will complete the Client Information Form in place of the Family Information Form (FIF) described below.

<b>When</b>	At intake (prior to the start of services), after consent status has been determined.
<b>How</b>	The form can be completed on paper or electronically via Persimmony's Intake Portal in the parent/caregiver's preferred language (limited languages available).
<b>Data Entry</b>	Create or update Client Record in Persimmony with demographic information. Data collection/data entry will follow typical procedure for <i>services</i> provided, although no additional <i>assessment</i> (questionnaire) data will be collected/entered into Persimmony.

## First 5 Family Information Form (FIF) – Parent/Caregiver

<b>What and why</b>	The Family Information Form (FIF) gathers demographic information about First 5 clients as well as their status on overall First 5 Sacramento indicators of interest, at intake. Toward the end of each fiscal year, First 5 staff will send an electronic Follow Up FIF to all eligible participants to identify the status on the indicators of interest after receiving First 5-funded services.
<b>Who</b>	Each parent/caregiver who receives services during the fiscal year AND who consents to have their data included in the evaluation.
<b>When</b>	Clients must complete a FIF at least one time during the FY in which they are receiving services (at or before start of services). If the client already completed a FIF with another program in the same FY they do not need to complete an additional FIF.
<b>How</b>	The preferred distribution of the FIF is via the Intake Portal in Persimmony. Hard copies of the forms (in a limited number of languages) are also available. Each client will be invited to complete one follow-up FIF distributed electronically by First 5.

<b>Data Entry</b>	If completed using hard copy, staff will enter data in Persimmony using the Assessment labeled “Pre FIF – Parent.” Responses completed electronically will need to be “accepted” to appear on the parent/caregiver’s client profile. Details will be covered in training provided to all Persimmony users.

### Parent Café Follow Up Survey

<b>What and why</b>	The Parent Café Follow Up Survey will capture feedback from Parent Café participants. The survey aims to identify the impact of Parent Cafés on their behaviors and is based on the tool developed by the Be Strong Families Participant Feedback survey.
<b>Who</b>	All parent café participants will have the opportunity to participate.
<b>When</b>	Upon completion of the Café series
<b>How</b>	First 5 staff will send the survey to Parent Café participants via Persimmony. Staff should make their best effort to collect email addresses for participating caregivers and encourage survey participation when they receive the link.
<b>Data Entry</b>	Since the survey will be completed directly by participants, no data entry will be required.

### Program Services

In addition to the Assessment records described above, the following Services should be entered into the Persimmony database for each client following the activity.
