**EXHIBIT B**  
**(Standard Agreement - Subvention)**  
**Budget Detail and Payment Provisions**

**1. INVOICING AND PAYMENT**

**A. Service Budget Payment of Expenditure**

1. This is a cost reimbursement Agreement for subvention services. For services satisfactorily completed by the Program consistent with those authorized by DOR, and upon receipt and approval of the invoices by DOR, DOR agrees to reimburse the Program for actual expenditures incurred subject to the approved Scope of Work, Service Budget, Budget Narrative, approved invoices, and applicable regulations as attached or referenced hereto and made a part of this Agreement.
2. All expenses shall be reviewed and approved by the DOR Contract Administrator before payment can be made to the Program.
3. The Service Budget must set forth in detail the reimbursable items, unit rates and extended total amounts for each line item. The Program's Service Budget shall include items directly related to this Agreement to include a Budget Narrative that fully explains why and how the costs are necessary, reasonable, and allocable to the Agreement.

**B. Submission of Invoice(s)**

1. Monthly invoices must be completed using the DR 801B Service Invoice form (DR801B) and shall provide an actual line-item detail of expenditure(s) that supports the approved Service Budget and Budget Narrative. The DR801B shall include the Agreement Number and be submitted in duplicate not more frequently than monthly in arrears to the DOR Contract Administrator or designee (listed in Exhibit A).
2. An original DR801B must be submitted and signed by authorized personnel as listed on the Signature Authorization (DR 325) form.
3. Supporting documentation must be available upon request at any time by DOR staff, or other State and Federal representatives.
4. Federal and State funds are time limited; therefore, invoices (service and certified match) must be submitted as soon as possible, but no later than 60 days after the service month. Final submission of all fiscal year-end invoices is due no later than November 1<sup>st</sup>, to allow for payment and draw down prior to the close out of Federal/State funds.
5. If budgetary funds revert due to failure to submit timely invoices or failure to submit a properly prepared invoice, related Federal and State funds will no longer be available for use which will require the contractor to submit a claim through the California Department of General Services' Government Claims Program, where approval to pay is not guaranteed.
6. The DOR is committed to issue payments as quickly as possible following the receipt of an accurate and complete invoice of allowable costs as approved by the DOR Contract Administrator.

### C. **Appropriate Expenditures**

Budgets must not contain line items that are or will be reimbursed/paid by another source of funding during the period covered by this Agreement. Budgeted amounts that have not been utilized during a fiscal year shall not be carried over to another fiscal year.

### D. **Invoice Claim Adjustments**

1. Budgeted amounts remaining for a given line item, within a fiscal year budget, may be used to defray allowable costs under the approved budget line items contained **within the same fiscal year**. A claim adjustment is required on the Service Invoice (DOR 801B) with an attached brief narrative explaining each line item impacted and may not exceed up to a cumulative amount of ten percent (10%) of the total annual contract Service Budget for all budget years as long, as there is neither an increase nor decrease of the total annual contract Service Budget. A formal amendment is required if it does not meet the above criteria.
2. Staff line item salary ranges and percentage of time are projected estimates and are subject to change based on actual salary and chargeable time costs. Claim adjustments are allowable as long as the annualized total line item costs do not exceed what is allowed in Item 1 above.

### E. **Budget Contract Amendments**

A contract amendment between both parties is required for any budget changes not covered in Section D above. This includes any major category or detailed line item description changes to the approved Service Budget and Budget Narrative as outlined below:

- Adding and deleting a major category budget or detailed line item.
- Line item adjustments that exceed a cumulative amount of 10%.

(Note: ALL changes must be made in **bold**.)

### F. **Travel Reimbursements**

If travel is reimbursable, the Program agrees that all travel expenses and per diem rates paid to its employees under this Agreement shall be reimbursed at actual costs not to exceed the California Department of Human Resources (CalHR) designated rates for excluded employees. Go to CalHR website at <http://www.calhr.ca.gov/employees/pages/travel-reimbursements.aspx>. No travel outside the State of California except for bordering California States shall be reimbursed without prior documented written authorization from DOR.

Upon request from DOR, the Program will provide sufficient documentation to support travel expenditures such as travel claims, mileage logs, and receipts for lodging, transportation, and meal costs. Travel costs that benefit more than one cost objective will be allocated to this agreement in proportion to the benefit received by DOR.

## 2. **BUDGET CONTINGENCY CLAUSE**

to pay any funds whatsoever to the Program or to furnish any other considerations under this Agreement and the Program shall not be obligated to perform any provisions of this Agreement.

- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State or offer an Agreement amendment to the Program to reflect the reduced amount.

### **3. BUDGET CONTINGENCY CLAUSE FOR FEDERALLY FUNDED AGREEMENTS**

- A. It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.
- B. This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the current year and/or any subsequent year for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by Congress or to any statute enacted by Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- C. The parties mutually agree that if Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.

### **4. PROMPT PAYMENT CLAUSE**

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with section 927.

- B. Certified expenditures for the costs incurred by the TPCA not directly for the provision of VR services, such as, indirect costs, depreciation, existing utilities and space donated for use under the TPCA.

For Agreements that include **CASH MATCH**:

- A. Each fiscal year the Program will pay to State, no less than quarterly and in advance, upon receipt of an invoice from the State, all those cash matching funds which are identified within the Program Budget Summary for that fiscal year. The State shall not be obligated to pay the Contractor for any contributions made by the Program in accordance with the approved budget, it being understood that all matching funds obtained by the State from the Program shall be exclusive funds of the State and no portion of the cash match shall come from Federal funds.
- B. The total Cooperative Agency cash share will be matched to Federal funds at no less than 21.3% as indicated on the "DOR Program Budget Summary."

**2. INDIRECT COSTS**

Indirect costs are allowable expenses incurred by an organization which support the activities of a program or contract but are not directly assigned to the specific program or contract and are allocated to the program or contract using a method in compliance with 2 CFR 200. The allocation method must be fully explained in the contract budget narrative and must be supported by actual costs incurred and paid by the organization. The allocation of indirect costs cannot be based on an arbitrary fixed rate and there is a 15% cap on the service budget. State

### RECITALS

WHEREAS, District desires to provide coping skills groups to certain of District's students and their families identified and referred by District.

WHEREAS, Provider is certified by COBYS Family Services as a provider of The Blues Program and is experienced in the provision of such services.

WHEREAS, the Board of Education ("Board") of the District desires to contract with Provider to provide the Services and Provider desires to render the Services pursuant to the terms of this Agreement.

### OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the above recitals and of the covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Term. This Agreement shall cover Services (as defined herein) performed during the period (the "Term") from July 1, 2024 through December 31, 2025 (the "Termination Date"). This Agreement shall automatically terminate on the Termination Date, unless earlier terminated pursuant to Section 15 hereof.
2. Services.
  - 2.1. As directed by District, Provider shall provide coping skills groups comprised of 4-8 students to certain of District's students ages 14-18 years old identified and referred by District.
  - 2.2. Provider shall provide the Services to Jacqueline Garner, LCSW, Executive Director of Student Support and Health Services and/or her designee for this matter ("District's Designee") or her successor. The scope of the Services shall be subject to the approval of District's Designee in District's Designee's sole and absolute discretion.
  - 2.3. District shall make available to Provider, as necessary and to the extent reasonably possible, District facilities suitable for the confidential nature of the Services to be provided hereunder. In the event such District facilities are not available or

appropriate at a given time for a student/family receiving Services hereunder, District shall make arrangements with Provider for a suitable alternative location approved by District's Designee in District's Designee's sole and absolute discretion.

3. Remuneration.

- 3.1. Provider shall not be entitled to any compensation or benefit from District of any kind or type for the Services to be provided hereunder. Provider understands and acknowledges that its sole source of remuneration for the Services provided hereunder is any reimbursement Provider may successfully obtain from Children and Youth Behavioral Health Initiative (CYBHI) Round 5 Cohort 1 grant.
- 3.2. Provider shall not charge families for any Services rendered under this Agreement.

4. Independent Contractor.

- 4.1. In connection with the performance of the Services, District and Provider acknowledge that Provider is an independent contractor and not an officer, agent or employee of the District. Consequently, Provider shall pay all personal State and Federal taxes as an independent contractor and acknowledges that, as an independent contractor, Provider is not covered under California workers' compensation, unemployment insurance or other employment-related laws.
- 4.2. District and Provider hereby acknowledge that Provider shall determine Provider's own hours of work and work location; purchase, lease and/or maintain Provider's own office, facilities and equipment; hire, fire, direct and control Provider's agent(s), employee(s) or other representative(s) at Provider's sole discretion; and shall be available to perform services for other school districts and/or the general public.
- 4.3. District and Provider further acknowledge that District shall not provide Provider with any training or instructions (other than job specifications) or tools and equipment (other than occasional use of District facilities and equipment). Should Provider require the use of District's facilities and equipment, Provider accepts the responsibility to coordinate with District's Designee the specific time(s) and use(s) in order to avoid any conflict of time(s) and use(s) of such District facilities and equipment.
- 4.4. - 4.6. Provider shall at all times remain solely responsible for the Services to be provided pursuant to this Agreement, regardless of whether Provider should choose to employ any agent(s), employee(s) or other representative(s) to perform any or all of such Services; provided, however, that because of Provider's special expertise and potential contact with students, Provider shall not subcontract, assign or otherwise transfer any portion of the Services or this Agreement or any interest therein, without the prior written approval of District's Designee in the District's Designee's sole and absolute discretion. Any such attempt to subcontract, assign or otherwise transfer any portion of the Services or this Agreement without District's Designee's prior written approval shall be void and without effect, and shall permit District to terminate immediately this Agreement. In the event that District's Designee delivers to Provider prior written approval of the use of subcontractors (collectively, "Subcontractors"), Provider acknowledges that all Subcontractors shall comply with Section 5 of this Agreement. Any failure of Provider's Subcontractors to comply with the terms of Section 5 of this Agreement shall subject Provider to liability under this Agreement pursuant to Section 9 of this Agreement.
- 4.7. Any Subcontractor(s) shall be at no additional expense to District, and shall be paid from Provider's own resources and billings. Provider shall pay all wages, salaries, benefits and other amounts due Provider's Subcontractors, and shall be responsible for all reports and obligations respecting Provider's Subcontractors.
- 4.8. Provider shall perform the Services under this Agreement in a skillful and competent manner, consistent with the standard generally recognized as being employed by professionals in the same discipline in the State of California. Provider represents and maintains that Provider is skilled in the professional calling necessary to perform the Services. Provider warrants that all employees and Subcontractor shall have sufficient skill and experience to perform the Services assigned to them. Provider shall perform, at its own cost and expense and without reimbursement from

District, any Services necessary to correct errors or omissions that are caused by Provider's failure to comply with the standard of care provided for herein, and shall be fully responsible to the District for all damages and other liabilities provided for in the indemnification provisions of this Agreement arising from Provider's errors and omissions.

5. Criminal Background Check.

- 5.1. Provider and all of Provider's employees and Subcontractors shall comply with all requirements related to fingerprinting set forth in California Education Code Section 45125.1 and in District Administrative Regulations related to fingerprint background checks. Provider shall ensure that Provider and any of Provider's employees and Subcontractors who interact with District students outside of the immediate supervision and control of the student's parent or a school employee, whether in person or online ("Unsupervised Contact"), or at the District's discretion as described in Section 45125.1 (c) of the California Education Code will comply with the requirements of this Section prior to the initiation of performance under this Agreement. For the purpose of this Agreement, "Parent" refers collectively to the natural or adoptive parent(s), legal guardian(s), or a surrogate parent(s) appointed by District.
- 5.2. In the event that Unsupervised Contact with District students is anticipated, then, in accordance with and as required by California Education Code Section 45125.1, upon receipt of any employee or Subcontractor criminal background checks required under Section 5.1, Provider shall certify in writing to District the following: "Neither the Provider nor any of its employees and/or Subcontractors who are required in accordance with Section 45125.1 of the California Education Code to submit or have their fingerprints submitted to the California Department of Justice and who may interact with District students have been convicted of a felony as defined in Section 45122.1 of the California Education Code." No employee or Subcontractor shall be permitted to interact with District students until the Department of Justice has ascertained that the employee or Subcontractor has not been convicted of a felony as defined in California Education Code Section 45122.1 pursuant to prohibition and exceptions described in California Education Code Section 45125.1.
- 5.3. Furthermore, in such an event, Provider shall register with the California Department of Justice for subsequent offender notification of its employees and Subcontractors who provide Services to, or may have Unsupervised Contact with, District students. Provider shall immediately provide any subsequent arrest and conviction information it receives to the District pursuant to the subsequent arrest service. It is Provider's responsibility prior to commencing Services and on an ongoing basis through the Term of this Agreement, to provide District with

updated information and changes in status on such employees and Subcontractors in full and complete compliance with California Education Code Section 45125.1.

6. Child Abuse Reporting.

- 6.1. Provider warrants and represents to District that all staff members, including volunteers, are familiar with and agree to adhere to child abuse reporting obligations and procedures under California law, including, but not limited to, California Education Code Section 49370 and California Penal Code Section 11166 et seq. Provider shall provide annual training to all its employees regarding mandated reporting of child abuse. Provider warrants and represents that all staff members will abide by such laws in a timely manner.
- 6.2. Unless prohibited by law, Provider shall submit immediately, and no later than within twenty-four (24) hours, by facsimile and mail, an accident or incident report to District when Provider becomes aware of reportable circumstances, including, but not limited to, allegations of molestation or child abuse, pertaining to children under Provider's supervision pursuant to this Agreement.

7. Confidentiality. Provider and all Subcontractors shall maintain the confidentiality of all information and records received in the course of providing the Services, in accordance with the provisions of applicable federal and state statutes and regulations including but not limited to California Welfare and Institutions Code Section 5328. This requirement shall extend beyond the effective termination or expiration date of this Agreement. This Section shall not be construed as prohibiting either party hereto from disclosing information to the extent required by law, regulation, or court order, provided such party notifies the other party promptly after becoming aware of such obligations and permits the other party to seek a protective order or otherwise to challenge or limit such required disclosure.

8. Health Insurance Portability and Accountability Act ("HIPAA"). In accordance with the Health Insurance Portability and Accountability Act and the associated HIPAA regulations (45 CFR Parts 160 and 164), the parties to this Agreement shall establish and implement appropriate safeguards for any Protected Health Information (as defined under HIPAA) that may be created, received, used or disclosed by them in connection with the Services and this Agreement.

9. Insurance.

- 9.1. - 9.2. The general liability insurance shall have a per-occurrence limit of not less than Two Million Dollars (\$2,000,000). All such insurance will be equivalent to coverage offered by a commercial general liability form, including, without implied limitation, personal injury and contractual liability coverage for the performance by Provider of the indemnity provisions set forth in this Agreement.

The automobile insurance shall be at least as broad as the latest version of the Insurance Office Business Auto Coverage form number CA 001, code I (any auto). The automobile liability policy shall be endorsed to state that: (A) the District, its Board members, superintendent, officers, employees, volunteers, agents and representatives shall be covered as additional insureds with respect to the ownership, operation, maintenance, use, loading or unloading of any auto owned, leased, hired or borrowed by Provider or for which Provider is responsible; and (B) the insurance coverage shall be primary insurance as respects the District, its Board members, superintendent, officers, employees, volunteers, agents, and representatives, or if excess, shall stand in an unbroken chain of coverage excess of the Provider's scheduled underlying coverage. Any insurance or self-insurance maintained by District, its Board members, superintendent, officers, employees, agents and volunteers shall be excess of Provider's insurance and shall not be called upon to contribute with it.
- 9.5. Provider shall procure and maintain during the Term and for a period of five (5) years following completion of the Services, professional liability insurance in an amount of not less than Two Million Dollars (\$2,000,000) per claim, which shall be endorsed to include contractual liability.

- ❖ The Service Provider shall only utilize staff restrooms and prohibited from utilizing students restrooms. The Service Provider shall only travel between the Main Office and designated area while on campus.

9.7. All commercial general liability, automobile liability, or comparable policies maintained by Provider shall name District and such other persons or firms as District specifies from time to time as additional insureds, entitling them to recover under such policies for any loss sustained by them, their agents, and employees as a result of the negligent acts or omissions of Provider. All such policies maintained by Provider shall provide that they may not be terminated, nor may coverage be reduced except after thirty (30) days' prior written notice to District. All commercial policies maintained by Provider will be written as primary policies, not contributing with and not supplemental to the coverage that District may carry. Certificates of insurance, together with originals of the endorsements that name District as an additional insured, extending coverage on a primary, non-contributory basis, shall be delivered to District prior to Provider's commencement of the Services and from time to time at least thirty (30) days prior to the expiration of the term of each such policy. The certificate(s) of insurance shall reference this Agreement by name, and the insured party named on the certificate(s) shall match the name of the Provider as identified in this Agreement. If an insurance policy is provided on a claims-made basis, then (i) the retroactive and continuity dates must begin before the Effective Date of this Service Agreement, (ii) Provider shall maintain the insurance for five (5) years after the completion of the Services under this Agreement, and (iii) if the coverage is cancelled or non-renewed and not replaced with another claims-made policy with a retroactive date prior to the effective date of this Agreement, Provider must purchase extended reporting coverage for a minimum of five (5) years after the completion of the Services under this Agreement. Certificates of insurance must be provided through the period of the extended reporting option, or a copy of the endorsement evidencing the purchase of the extended reporting option shall be provided. Provider shall not commence providing the Services under this Agreement until it has provided evidence satisfactory to District that Provider has secured all insurance required under this section. Neither District's failure to obtain a complying certificate of insurance or endorsement from Provider, nor District's receipt of or failure to object to a non-complying insurance certificate or

endorsement or any other insurance documentation provided by Provider, its insurance broker and/or insurer(s), shall be construed as a waiver of any of the insurance requirements of this Section 9; provided however, that District may, in its sole discretion and in limited circumstances, modify or waive certain of these insurance requirements pursuant to an insurance sufficiency review based on the nature and scope of the Services. Provider also shall require all of Provider's Subcontractors to procure and maintain the same insurance for the duration of the Agreement. In addition, Provider shall not allow any Subcontractor to commence work on any subcontract until the Subcontractor has provided evidence satisfactory to District that the Subcontractor has secured all insurance required under this section.

10. Indemnity.

10.1. Provider indemnifies and shall defend and hold free and harmless District, its elected and appointed Board members, superintendent, employees, volunteers, attorneys and agents from claims, demands, causes of action, costs, expenses, liability, loss, damage or injury, in law or equity, to property or persons, including wrongful death, arising out of or in connection with (i) any breaches by Provider of its representations and warranties in this Agreement (including, without limitation, those set forth in Section 13) or (ii) any alleged acts, omissions or willful misconduct of Provider, Provider's Subcontractors, officers, employees, agents and representatives arising out of or in connection with the performance of the Services or this Agreement; including, without implied limitation, the payment of all consequential damages and attorneys' fees and other related costs and expenses, and notwithstanding any limits on Provider's insurance coverage or benefits. Provider shall defend at Provider's own cost, expense and risk, any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against District, its elected and appointed Board members, superintendent, employees, volunteers, attorneys and agents. Provider shall pay and satisfy any judgment, award or decree that may be rendered against District or its elected and appointed Board members, superintendent, employees, volunteers, attorneys and agents, in any such suit, action or other legal proceeding. Provider shall reimburse District and its elected and appointed Board members, superintendent, employees, volunteers, attorneys and agents, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Provider's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by District, its elected and appointed Board members, superintendent, employees, volunteers, attorneys and agents. The indemnification obligations of this Section 10 shall survive the expiration or termination of this Agreement.

10.2. District shall indemnify and hold harmless Provider and its governing board members, officers and employees against liability, loss, damage and claims resulting from or arising out of this Agreement or District's performance hereunder, to the extent that such liability, loss, damage or claim was proximately caused by the gross negligence or willful misconduct of District, including, without limitation, its officers, employees, and agents.

12. District's Right to Employ Other Providers. District reserves the right to employ other service providers in connection with the Services.

13. Representations and Warranties of Provider. Provider hereby represents and warrants to District as follows:

13.1. Provider is duly organized, validly existing and in good standing under the laws of the State of California. Provider has the requisite power and authority to carry on its business as presently conducted, to execute and deliver this Agreement and to perform its obligations pursuant to this Agreement.

13.2. All corporate (or other entity) action on the part of Provider necessary for the authorization, execution and delivery of this Agreement by Provider and the performance of Provider's obligations under this Agreement has been taken. This Agreement, when executed and delivered by Provider, shall constitute a valid and

binding obligation of Provider, enforceable in accordance with its terms, except as may be limited by applicable laws.

- 13.3. Provider has not employed or retained any company or person, other than a bona fide employee working solely for Provider, to solicit or secure this Agreement. Further, Provider has not paid nor has it agreed to pay any company or person, other than a bona fide employee working solely for Provider, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, District shall have the right to rescind this Agreement without liability.
14. Conflicts of Interest. Provider shall not engage in any activity that conflicts with, or has the appearance of conflicting with, the District. Notwithstanding any other provision contained herein, District shall have the right to immediately terminate this Agreement in the event it is determined by District's Designee or the Superintendent of the District that a real or apparent conflict of interest exists that cannot be resolved. Provider agrees to furnish to District, upon request, a valid copy of the most recently adopted partnership agreement or bylaws of the corporation and also a complete and accurate list of the members of Provider's governing board of directors, or trustees, or partners, as applicable, and to timely update said information as changes in such governance occur. Provider shall avoid any actual or potential conflict of interest on behalf of itself or its employees providing Services hereunder, including, but not limited to, employment with District.
15. Termination. Except as provided in this Agreement, this Agreement may be terminated by either party, for any reason, during the Term of this Agreement by giving thirty (30) days' written notice to the other party. This Agreement may be terminated by District effective upon written notice to Provider if the Services can no longer be performed by Provider or are otherwise suspended due to force majeure as set forth in Section 21 of this Agreement, whereupon Provider shall within thirty (30) days of such termination refund to District any advance deposits made by District and the pro-rata amount of any prepaid fees attributable to the unexpired period of the Agreement or that are otherwise for Services not yet performed.
16. Continued Funding. Provider understands and acknowledges that this Agreement may involve Services to be performed in different fiscal years. While it is the intent of District to utilize Provider continuously throughout the Term irrespective of fiscal years, Provider and District acknowledge that all Services in fiscal years subsequent ("Subsequent Fiscal Year") to the fiscal year of Agreement execution are contingent upon availability of continued funding. If any portion(s) of District's financial budget affecting the Subsequent Fiscal Year does not appropriate sufficient funds for the Services to be performed in such fiscal year and/or related programs, or if grant funds related to the Services and/or related programs are not available for any reason whatsoever, this Agreement shall be of no further force and effect. In this event, District shall have no liability to pay any funds to

Provider under this Agreement for Services to be performed in the Subsequent Fiscal Year and Provider shall not be obligated to perform any Services in the Subsequent Fiscal Year. In such instances, particularly when partial funding remains available, District shall have the option to either terminate this Agreement with no liability occurring to District, or District may offer an amendment to this Agreement to reflect the reduced availability of funds.

17. Non-Discrimination. In the performance of the Services hereunder, Provider represents and warrants that Provider and Provider's Subcontractors, officers, employees, agents and representatives will not engage in discrimination on any basis or in any manner designated as unlawful under the following:
  - (i) Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d et seq., which prohibits discrimination on the basis of race, color, or national origin in any program or activity receiving federal financial assistance;
  - (ii) Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 et seq., which prohibits discrimination on the basis of sex in any education program or activity receiving federal financial assistance;

If the Services are being performed as part of an applicable "public works" or "maintenance" project, and if the total compensation is One Thousand Dollars (\$1,000) or more, Provider shall fully comply with the Prevailing Wage Laws. Provider shall obtain a business license from the community where Provider's independent consulting business is located.
21. Force Majeure. In the event that performance on the part of either party hereto shall be unavoidably delayed or suspended as a result of circumstances beyond said party's reasonable control (the effects of which could not be prevented, mitigated or overcome by said party through the exercise of reasonable care and foresight, including the expenditure of reasonable sums), not including changes in market conditions, and not as a result of the negligent or willful acts or omissions of said party, then neither of the parties shall incur any liability to the other party as a result of such delay or suspension. Circumstances deemed to be beyond the control of a party hereunder shall include, but not be limited to, natural phenomena (acts of God) such as fires, floods, earthquakes, or severe storms; acts of war; terrorist acts or acts of other public enemies; insurrection; civil disturbance; labor strikes; government action (including action of a government authority resulting in a moratorium on the activities relating to this Agreement); national, state or local emergency; and epidemics or quarantine restrictions. Neither of the parties has relied upon any oral or written representation or oral or written information given to the party by any representative of the other party.
24. Severability. If one or more of the provisions of this Agreement are hereafter declared invalid or unenforceable by judicial, legislative or administrative authority of competent jurisdiction, then the parties hereto agree that the invalidity or unenforceability of any of the provisions shall not in any way affect the validity or enforceability of any other provisions of this Agreement; provided that the Agreement so modified preserves the basic intent of the parties.
25. Modification. No change or modification of the terms or provisions of this Agreement shall be deemed valid unless set forth in writing and signed by both parties. If any actual or physical deletions or changes appear on the face of the Agreement, such deletions or changes shall be void and of no force or effect.
26. Construction of Agreement. This Agreement will be liberally construed to effectuate the intention of the parties with respect to the transaction described herein. In determining the meaning of, or resolving any ambiguity with respect to, any word, phrase or provision of this Agreement, neither this Agreement nor any uncertainty or ambiguity herein will be construed or resolved against either party (including the party primarily responsible for drafting and preparation of this Agreement), under any rule of construction or otherwise, it being expressly understood and agreed that the parties have participated equally or have had equal opportunity to participate in the drafting hereof.
27. Waiver. No waiver of any default shall constitute a waiver of any other default or breach, whether of the same or other covenant or condition. No waiver, benefit, privilege, or service voluntarily given or performed by a party shall give the other party any contractual rights by custom, estoppel, or otherwise.
28. Headings. The headings of sections of this Agreement have been inserted for convenience of reference only and shall not affect the interpretation of any of the provisions of this Agreement.

## Grant Award Notification (Continued)

The following grant conditions apply:

1. General Assurances are hereby incorporated by reference. The California Department of Education (CDE) has agreed to accept the assurances your agency currently provides in the Consolidated Application. The CDE will verify if your agency has submitted required certifications and assurances on the CDE Consolidated Application (ConApp) Request for Applications web page at <https://www.cde.ca.gov/fg/aa/co/ca23rfa.asp> prior to initial grant award payment.
2. Please return, within 10 days, the signed Certification of Acceptance of Grant Requirements section of the AO-400 form, which certifies that the grantee accepts and agrees to the conditions of the grant. Upon receipt, an initial payment will be issued to your County Treasurer. Please ensure that these funds are appropriately reported by using the Standardized Account Code Structure codes as indicated on this award. All approved project funds must be expended or legally obligated within the designated award period and for no more than the total amount indicated.
3. The grantee shall administer the program in accordance with the California Early Intervention Services Act, Title 14 (commencing with Section 95000) of the California Government Code, and the Individuals with Disabilities Education Act (IDEA), 20 United States Code (USC) 1471 to 1485. Expenses must: (1) be documented; (2) be required (according to Part C of IDEA); and (3) increase the costs of the program. In addition, expenses may not be attributable to activities previously required under the California *Education Code* as read on June 30, 1993.
4. Grant funds are for the purpose of providing appropriate early intervention services to all infants with “solely a visual, hearing, or severe orthopedic impairment, or any combination thereof, and who are not eligible for services under the Lanterman Developmental Disabilities Services Act” (14 GC 95014(b)(2)). Thus, the provision of appropriate early intervention services to infants and toddlers (ages 0–2) with solely low-incidence (SLI) disabilities is required and can include any innovative, family-centered, and comprehensive multidisciplinary services.
5. The grantee must submit to the CDE by **December 15, 2024**, a funding application and budget summary. The grantee must submit a Special Education State Grant Expenditure Report, marked as Interim, to the CDE no later than **February 11, 2025**, for reporting actual expenditures from July 1, 2024, through January 31, 2025.
6. The grantee must submit to the CDE a **Special Education State Grant Expenditure Report**, marked as **Final**, and the **Part C Actual Expenditure Detail Report** no later than **September 1, 2025**. Upon receipt and approval of the Final Expenditure Report and Actual Expenditure Detail Report, up to 100 percent of the grant may be reimbursed. Sacramento City Unified School District (“District”) and Community Matters (“Organization”), collectively referred to as “the Parties,” hereby enter into this Memorandum of Understanding (“MOU”) for program services effective on January 31, 2025, with respect to the following recitals.

RECITALS

Whereas District desires to partner with Community Matters to provide onsite training for 35-40 NEW Safe School Ambassadors at John Cabrillo Elementary School located at 1141 Seamas Avenue, Sacramento CA 95822 during the term of this MOU;

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. Roles and Responsibilities

A. Organization shall:

- a. Provide two (2) days of onsite training for 35-40 NEW Safe School Ambassadors
- b. Provide program materials for all training participants
- c. Provide up to two (2) hours of program implementation support by phone, web and email

B. District shall:

- a. Ensure a Sacramento City USD employee will provide supervision at all times when Community Matters has contact with pupils.
- b. Provide a suitable facility for training
- c. Provide necessary supplies and equipment

\*Once this contract is signed, if Client cancels or reschedules the service, Client will be held responsible for 50% of the regular price of the service. If Client cancels or reschedules within 2 weeks of the date of the service, Client will be held responsible for 100% of the regular price of the service. Grant funded services: The Client, not the funder, will be held responsible for the above fees. The funder will be informed of any reschedule or cancellation requests. This could affect grant funding in subsequent years.

2. Compensation. Neither Party has any financial obligation to the other Party under this MOU.

3. Term and Termination. The term of this MOU shall be from March 19, 2025, and continue through March 20, 2025. Either Party may terminate this MOU without cause and without incurring financial obligation with delivery of a written notice at least thirty (30) days in advance to the other Party at the address below:

If to District:  
Sacramento City Unified School District  
PO Box 246870  
Sacramento CA 95824-6870  
Attn: Tina Alvarez Bevens, Contracts

If to Organization:  
Community Matters  
Attn: LeeAnn Lichnovsky  
PO Box 14816  
Santa Rosa CA 95402

4. Independent Status. This MOU is by and between independent agents and does not create the relationship of agent, servant, employee, partnership, joint venture and/or association between the independent agents.

5. Fingerprinting Requirements. Organization agrees that any individual it assigns to provide services directly to, or have any contact with, pupil(s) of the District, shall be subject to the fingerprinting/background and TB requirements set forth in the California Education Code. Any individual that Organization assigns to provide services directly to, or have any contact with, pupil(s) of the District shall have undergone the background check required in §45125(b)&(c), including response by DOJ, before any service or contact with pupil(s) of the District is allowed.

Pursuant to Education Code §45125.1, Organization shall provide a complete list to the District of all individuals cleared by the DOJ who will provide services under this Agreement (or MOU) and shall certify in writing to the District that Organization has no information that any of the individuals who are required to have their fingerprints submitted to the Department of Justice (DOJ), and who may come in contact with pupils, have been convicted of a “violent or serious felony” as defined in §45122.1 or that they have been advised of any such arrest by the DOJ. Organization shall continuously monitor through DOJ, and obtain subsequent arrest notification from DOJ, regarding any individual whose fingerprints were submitted pursuant to §45125.1 and who is or will be providing service directly to, or has contact with, pupil(s) of the District. Upon receipt of a subsequent arrest notification from DOJ, Organization shall, within 24 hours, notify the District of such arrest notification and prohibit the individual from having any further contact with any pupil(s) of the District until such time as the individual’s arrest has been determined to not involve a “violent or serious felony” as defined in §45122.1 or the notification has been withdrawn by DOJ. If an individual is disqualified from working for the District pursuant to the requirements of the California Education Code, even if only temporarily, Organization agrees to provide a replacement within 15 days of receiving notification that the previous individual has been disqualified.

Organization further agrees and certifies that any individual providing services directly to any pupil(s) of the District whether qualifying as a Mandated Reporter as defined by California Penal Code §11165.7(a), or not, shall be provided annual training on child abuse and mandated reporting of child abuse or neglect utilizing an evidence-based training method which includes training on how to recognize conduct of adults which may trigger reasonable suspicion of abuse of children, i.e., “red-flag” or “grooming” behaviors.

Failure to adhere to the terms of this provision is grounds for termination of the MOU.

6. Mutual Indemnification. Each of the Parties shall defend, indemnify and hold harmless the other Party, its officers, agents and employees from any and all claims, liabilities and costs, for any damages, sickness, death, or injury to person(s) or property, including payment of reasonable attorney’s fees, and including without limitation all consequential damages, from any cause whatsoever, arising directly or indirectly from or connected with the operations or services performed under this MOU, caused in whole or in part by the negligent or intentional acts or omissions of the Parties or its agents, employees or subcontractors.

It is the intention of the Parties, where fault is determined to have been contributory, principles of comparative fault will be followed and each Party shall bear the proportionate cost of any damage attributable to fault of that Party. It is further understood and agreed that such indemnification will survive the termination of this MOU.

7. Insurance. Prior to commencement of services and during the life of this MOU, Organization shall provide the District with a certificate of insurance reflecting its comprehensive general liability insurance coverage in a sum not less than \$2,000,000 per occurrence naming District as an additional insured. Such insurance as is afforded by this policy shall be primary, and any insurance carried by District shall be excess and noncontributory.

8. Entire Agreement. This MOU contains the entire agreement between the parties and supersedes all prior understanding between them with respect to the subject matter of this agreement. There are no promises, terms, conditions or obligations, oral or written, between or among the parties relating to the subject matter of this agreement that are not fully expressed in this MOU. This MOU may not be modified, changed, supplemented or terminated, nor may any obligations under this agreement be waived, except by written instrument signed by the party to be otherwise expressly permitted in this MOU.

## **BLANKET ADDITIONAL INSURED BY CONTRACT**

This endorsement modifies insurance provided under the following:

### **BUSINESS LIABILITY COVERAGE FORM**

Except as otherwise stated in this endorsement, the terms and conditions of the Policy apply.

**A. The following is added to Section C. WHO IS AN INSURED:**

**Additional Insureds When Required By Written Contract, Written Agreement Or Permit**

The person(s) or organization(s) identified in Paragraphs a. through f. below are additional insureds when you have agreed, in a written contract or written agreement, or when required by a written permit issued by a state or governmental agency or subdivision or political subdivision that such person or organization be added as an additional insured on your Coverage Part, provided the injury or damage occurs subsequent to the execution of the contract or agreement, or the issuance of the permit.

A person or organization is an additional insured under this provision only for that period of time required by the contract, agreement or permit.

However, no such person or organization is an additional insured under this provision if such person or organization is included as an additional insured by any other endorsement issued by us and made a part of this Coverage Part.

The insurance afforded to such additional insured will not be broader than that which you are required by the contract, agreement, or permit to provide for such additional insured.

The insurance afforded to such additional insured only applies to the extent permitted by law.

The limits of insurance that apply to additional insureds are described in Section **D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE**. How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section **E. LIABILITY AND MEDICAL EXPENSES GENERAL CONDITIONS**.

**a. Vendors**

Any person(s) or organization(s) (referred to below as vendor), but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business and only if this Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

**(1)** The insurance afforded to the vendor is subject to the following additional exclusions:

This insurance does not apply to:

- (a)** "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
- (b)** Any express warranty unauthorized by you;
- (c)** Any physical or chemical change in the product made intentionally by the vendor;
- (d)** Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;
- (e)** Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;
- (f)** Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

- (g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or
- (h) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:
  - (i) The exceptions contained in Paragraphs (d) or (f); or

## **Youth Training Supplies, Equipment and Room Configuration**

*Provide this list to the person making logistical arrangements for the Youth Training.*

To ensure a successful training, please make the following arrangements. If you have any questions about any of these requirements, please contact Community Matters.

### **1. Supplies**

- 2 flipchart easels and 2 pads of flipchart paper (at least 25 total sheets of blank chart paper.)
- 12+ multi-colored markers
- 1 roll of masking or blue tape
- Name tags for each participant
- Approximately 25 sheets of scratch paper
- 6 pads of 3" x 3" post-it notes
- Writing instruments for students (sharpened pencils for elementary students OR pens for middle/high students)
- Safe School Ambassadors (SSA) Elementary School Training only:**  
Backpack or bag with several heavy/dense objects (i.e. large books) to simulate the impact of mistreatment

### **3. Audio/Visual Equipment**

- Audio Visual equipment such as **LCD Projector OR DVD player & monitor (TV)** with working remote and speakers or sound system.
  - \* Trainer will connect with you to ensure compatibility of equipment
- If masks are required during training: Voice amplification for Trainer (lapel microphone preferred)

### **4. Food and Beverages**

We recommend that you provide the following on each day:

- a. Morning snack
- b. Lunch
- c. Light snack for afternoon break
- d. Water throughout training

Since the training is so compressed, break time is limited. Therefore, if these items are not to be provided and students must bring and/or buy their own food and beverages, please note that we only have time for the following breaks:

- morning: 10 minutes
- noon/lunch: 30 minutes
- afternoon: 5 minutes

## Youth Training Room Requirements and Configuration

### 1. Location:

- a. Conveniently located and accessible to participants
- b. Isolated from external distractions
- c. Larger than a regular classroom to accommodate group activities

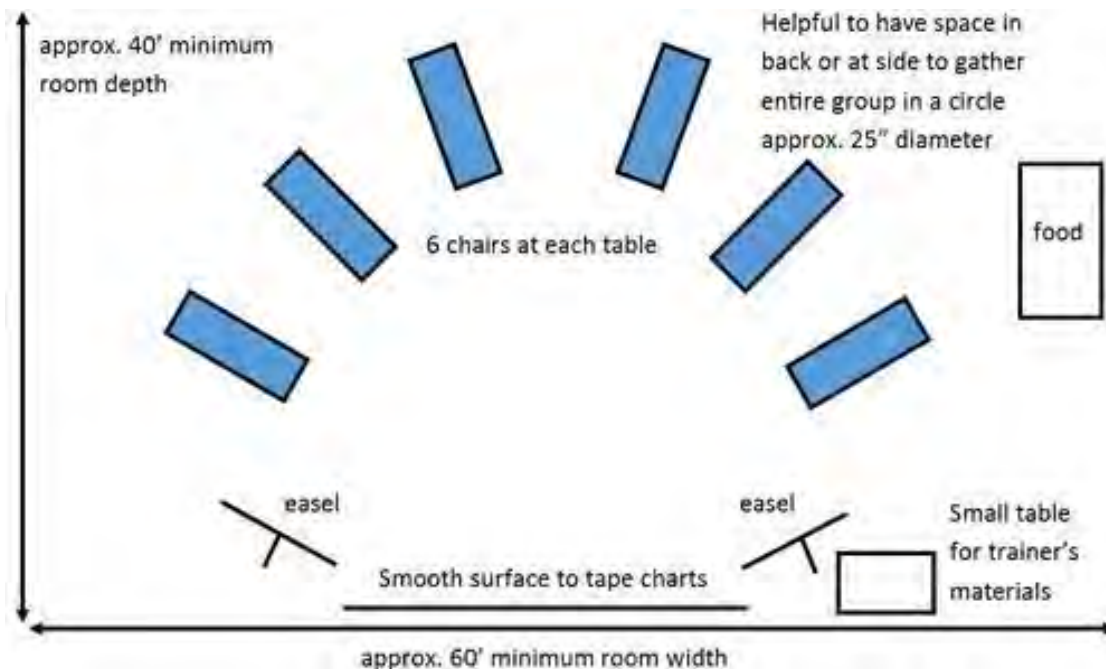

### 2. Room Requirements:

- a. Acoustics. Students need to be able to hear their peers doing role-plays, therefore a large gymnasium will not work. Carpeting is a big plus!
- b. Tables. 6-8 movable tables (6' rectangular or 4' rounds) we will do much of the work in small groups of 6-8 people.
- c. Chairs. Movable (not attached to the tables) and comfortable (ideally cushioned).
- d. Lights. Dimmable for video showing.
- e. Access. Trainer will need to access the room one hour prior to the start of the training and 30 minutes after the training.

### 3. Additional Room Preferences:

- a. In room temperature control
- b. Access to outside space
- c. Same room/space each day and the ability to leave materials overnight

### 4. Room Configuration: The following diagram is an example of a typical room layout

To Whom It May Concern,

I hereby certify that Community Matters is in compliance with Education Code Section 45125.1 and conducted the required criminal background check(s) of all persons who will be providing contracted services to the schools and districts we serve.

I understand that the responsibility for criminal background clearance extends to all employees, agents, representatives, consultants, contractors, and subcontractors coming into contact with pupils regardless of whether they are designated as employees or acting as independent contractors. Community Matters shall not allow any person who has not received satisfactory written verification of compliance to enter District property for any purpose related to or arising out of this Agreement at any time that District pupils may be present.

In addition, it is Community Matters policy and contract requirement that all employees, agents, representatives, consultants, contractors, and subcontractors coming into contact with pupils during the contracted service delivery will always be supervised by the staff from the school. At no time will students from the school have contact with our employees, agents, representatives, consultants, contractors, and subcontractors outside of the supervision of school staff.

## Standard Terms and Conditions – U.S.A. and Canada

**(1) AGREEMENT AND LIMITATIONS.** This document (the "Agreement") sets forth the terms and conditions of any sale by Seller of the specified product, equipment or services indicated on the reverse side hereof or attachment and is expressly made conditional on the assent of Buyer (hereinafter "Buyer") to these Standard Terms and Conditions. Buyer's acceptance of any part of the product, equipment or services sold or Buyer's instructions to Seller to begin work or to ship any product or equipment after receipt of these Standards Terms and Conditions shall constitute such assent, and a waiver of all terms and conditions in its purchase order or similar document which are different from or additional to those set forth herein. Seller's failure to object to provisions contained in any communication from Buyer shall not be deemed a waiver of these Standard Terms and Conditions. References to "products" or "equipment" herein shall mean the product and equipment to be furnished by Seller as identified on the applicable Seller Quotation. These Standard Terms and Conditions may be modified or rescinded only by a writing signed by authorized representatives of both Seller and Buyer.

**(2) TERMINATION OR MODIFICATION.** Accepted orders may be cancelled or modified by Buyer only with Seller's express written consent. If cancellation or modification is allowed, Buyer agrees to pay to Seller all expenses incurred and damage sustained by Seller on account of such cancellation or modification, plus a reasonable profit. If Seller's performance of its obligations becomes impracticable due to obsolescence or unavailability of systems, equipment, or products (including component parts and/or materials) or because the Seller or its supplier(s) has discontinued the manufacture or the sale of the equipment and/or products or is no longer in the business of providing the services, Seller may terminate this Agreement, or the affected portions, at its sole discretion upon notice to Buyer. Seller may terminate this Agreement, or the affected portions, at its sole discretion upon notice to the Buyer if Seller's performance of its obligations are prohibited because of changes in applicable laws, regulations or codes.

**(3) PRICE, SHIPMENT, PAYMENT AND INVOICING.** Seller may increase prices upon notice to the Buyer to reflect increases in material and labor costs. Prices for products covered by this Agreement may be adjusted by Seller, upon notice to Buyer at any time prior to shipment and regardless of Buyer's acceptance of the Seller's proposal or quotation, to reflect any increase in Seller's cost of raw materials (e.g., steel, aluminum) inability to secure Products, changes or increases in law, labor, taxes, duties, tariffs or quotas, acts of government, any similar charges, or to cover any extra, unforeseen and unusual cost elements. If Seller and Purchaser are unable to agree on such price adjustments, this Agreement may be cancelled by Seller without any liability other than Purchaser's obligation to pay for work or services rendered or equipment supplied by Seller to the date of cancellation. Price and delivery is F.O.B. point of manufacture, unless otherwise provided. Seller shall invoice Buyer for progress payments to 100% percent based upon equipment delivered or stored, and services performed. Unless otherwise agreed to in writing by Seller, all payments are due net thirty (30) days from the date of invoice. Invoices shall be paid by Buyer via electronic delivery via EFT/ACH. Seller may, at its sole option, have the right to make any delivery under this Agreement payable on a cash or payment guarantee before-shipment basis. In the case of export sales, unless otherwise agreed to in writing by Seller, all payments are to be by means of a confirmed irrevocable letter of credit. Invoicing disputes must be identified in writing within 21 days of the date of invoice. Payments of any disputed amounts are due and payable upon resolution. All undisputed amounts remain due net thirty (30) days from the date of invoice. In the event of Buyer's default, the balance of any outstanding amounts will be immediately due and payable. Buyer acknowledges and agrees that timely payments of the full amounts listed on invoices is an essential term of this Agreement and that Buyer's failure to make payment in full when due is a material breach of this Agreement, Buyer further acknowledges that if there is any amount outstanding on an invoice, it is material to Seller and will give Seller, without prejudice to any other right or remedy, the right to, without notice: (i) suspend, discontinue or terminate performing any services and/or withhold further deliveries of equipment and other materials, terminate or suspend any unpaid software licenses, and/or suspend Seller's obligations under or terminate this Agreement; and (ii) charge Buyer interest on the amounts unpaid at a rate equal to the lesser of one and one half (1.5) percent per month or the maximum rate permitted under applicable law, until payment is made in full. Seller's election to continue providing future services does not, in any way diminish Seller's right to terminate or suspend services or exercise any or all rights or remedies under this Agreement. Seller shall not be liable for any damages, claims, expenses, or liabilities arising from or relating to suspension of services for non-payment. In the event that there are exigent circumstances requiring services or the Seller otherwise performs services at the premises following suspension, those services shall be governed by the terms of this Agreement unless a separate contract is executed. If Buyer disputes any late payment notice or Seller's efforts to collect payment. Buyer shall immediately notify Seller in writing and explain the basis of the dispute. Shipments to Buyer with outstanding invoices unpaid after thirty (30) days will be suspended until all overdue invoices are paid or be made on a cash-in-advance basis only, in Seller's sole discretion. Buyer shall provide financial information requested by Seller to verify Buyer's ability to pay for goods or services. If Buyer fails to provide financial information or if Seller, in its sole discretion determines that reasonable grounds exist to question Buyer's ability or willingness to make payments when due (e.g., not making payments when due, late payments, or a reduction in Buyer's credit score), Seller may defer shipments, change payment terms, require cash in advance and/or require other security, without liability and without waiving any other remedies Seller may have against Buyer. Seller shall provide Buyer with advance written notice of changes to payment terms. This Agreement is entered into with the understanding that the services to be provided by Seller are not subject to any local, state, or federal prevailing wage statute. If it is later determined that local, state, or federal prevailing wage rates apply to the services to be provided by Seller, Seller reserves the right to issue a modification or change order to adjust the wage rates to the required prevailing wage rate. Buyer agrees to pay for the applicable prevailing wage rates.

**(4) DEPOSIT.** Buyer agrees to pay a deposit equal to 30% of the sell price (pre-tax) prior to Seller performing work. Seller will generate an invoice for the 30% deposit within three business days after Seller's receipt of a written agreement or order from Buyer. Seller will not commence work until receipt of the deposit.

**(5) TAXES.** All stated prices are exclusive of and Buyer agrees to pay any taxes, fees, duties, tariffs, and levies or other similar charges imposed and/or enacted by a government, however designated or imposed, including but not limited to value-added and withholding taxes that are levied or based upon the amounts paid under this Agreement. Such taxes, if applicable, will appear as separate items on the invoice unless Buyer provides a tax exemption certificate that is acceptable to taxing authorities.

**(6) DELIVERY.** The delivery date(s) provided by Seller for the product and equipment is only an estimate and is based upon prompt receipt of all necessary information from Buyer. The delivery date(s) is subject to and shall be extended by delays caused by strikes, fires, accidents, shortages of labor or materials, embargoes, or delays in transportation, compliance with government agency or official requests, or any other similar or dissimilar cause beyond the reasonable control of Seller. FAILURE TO DELIVER WITHIN THE TIME ESTIMATED SHALL NOT BE A MATERIAL

BREACH OF CONTRACT ON SELLER'S PART. If Buyer causes Seller to delay shipment or completion of the product or equipment, Seller shall be entitled to any and all extra cost and expenses resulting from such delay.

**(7) LIMITED WARRANTY.** Seller warrants that the product and equipment furnished by Seller under the Agreement will be free from defects in material and workmanship and that the services provided by Seller will be provided in a good and workmanlike manner for a period of twelve (12) months from initial product startup, or eighteen (18) months from product shipment, whichever occurs first (the "Warranty Period") unless such Warranty Period is modified by Seller's proposal or the supplied Certificate of Limited Warranty. Alongside this limited warranty, for all new York™ air or water-cooled chillers and/or Metasys™ building automation systems sold and Seller installed in the US and Canada, Seller also provides a Year One Service Agreement for such equipment, the scope, limitations, terms and conditions of which are at <https://www.johnsoncontrols.com/yearoneservice> (collectively, "Year One Service"). Seller will not provide a credit against purchase price if offered Year One Service is declined. No warranty is provided for third-party products and equipment installed or furnished by Seller. Such products and equipment are provided with the third-party manufacturer's warranty to the extent available, and Seller will transfer the benefits together with all limitations of that manufacturer's warranty to Buyer. This limited warranty does not cover failures caused in whole or in part by (i) equipment subjected to misuse, neglect, accident or improper installation or maintenance performed by anyone other than Seller; (ii) equipment damaged by acts of God (e.g., fire, flood, freeze, earthquake or lightening), improper storage or protection of equipment from date of shipment until start-up, or other causes beyond the control of Seller; (iii) normal wear and tear or corrosion; (iv) improper use, application or operation beyond rated capacity; (v) use of replacement parts, refrigerants, oil, additives, or antifreeze agents other than those authorized by Seller's factory; or (vi) any equipment manufactured or customized according to Buyer's specifications and not authorized in writing by Seller. To qualify for warranty consideration, Buyer must notify Seller in writing of its warranty claim prior to expiration of the Warranty Period to obtain for instructions on warranty procedures and provide Seller with reasonable site access to inspect the equipment and/or perform any necessary warranty work within 72-hours of any access request by Seller. Seller's sole obligation for breach of this warranty, at Seller's option, shall be to repair or to replace defective parts or to properly redo defective services, to provide equivalent replacement equipment instead of repair parts, or to offer a replacement price allowance to be applied toward the purchase of new or refurbished equipment offered by Seller. This limited warranty does not cover costs of consumable parts and components (e.g., oil, coolant, refrigerant, batteries, gaskets, O-rings, sacrificial anodes, filters, belts and kits), or additional costs for access, deinstallation, re-installation (e.g., cranes, rigging, roof or wall removal) and transportation of the equipment. Further details on covered costs, claims processing and actions that may void this warranty are set forth in the applicable Certificate of Limited Warranty. This limited warranty is expressly conditioned on Buyer's proof of payment of the purchase price in full, and all replaced equipment becomes Seller's property. Any changes/extension to the Warranty Period that may be required due to project delays or slippage will be mutually agreed upon in writing by the parties and may require contract modifications to incorporate additional warranty products to accommodate such change/extension. THIS WARRANTY IS EXCLUSIVE AND IS PROVIDED IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE HEREBY DISCLAIMED. Seller makes no and specifically disclaims all representations or warranties that the services, products, software or third-party product or software will be secure from cyber threats, hacking or other similar malicious activity or will detect the presence of, or eliminate, treat, or mitigate the spread, transmission, or outbreak of any pathogen, disease, virus or other contagion, including but not limited to COVID 19. Unless agreed to in writing by the parties, any technical support, assistance, or advice ("Technical Support") provided by Seller, such as suggestions as to design use and suitability of the equipment and products for the Buyer's application, is provided in good faith, but Buyer acknowledges and agrees that Seller is not the designer, engineer, or installer of record. Any Technical Support is provided for informational purposes only and shall not be construed as a representation or warranty, express or implied, concerning the proper selection, use, and/or application of the equipment and products. Buyer assumes exclusive responsibility for determining if the equipment and products supplied by Seller are suitable for its intended application and all risk and liability, whether based in contract, tort or otherwise, in connection with its application and use of the equipment and products.

**(8) INDEMNIFICATION, REMEDIES AND LIMITATIONS OF LIABILITY.** In addition to Paragraph 8 below regarding patents, Buyer agrees that Seller shall be responsible only for such injury, loss, or damage caused by the intentional misconduct or the negligent act or omission of Seller. In the event Buyer claims Seller has breached any of its obligations under the Agreement, whether of warranty or otherwise, Seller may request the return of the goods and tender to Buyer the purchase price theretofore paid by Buyer, and in such event, Seller shall have no further obligation under the Agreement except to refund such purchase price upon redelivery of the goods. If Seller so requests the return of the goods, the goods shall be redelivered to Seller in accordance with Seller's instructions and at Seller's expense. The remedies contained in these Standard Terms and Conditions shall constitute the sole recourse of Buyer against Seller for breach of any of Seller's obligations under the Agreement, whether of warranty or otherwise. **To the maximum extent permitted by law, in no event shall Seller and its affiliates and their respective personnel, suppliers and vendors ("Seller Parties") be liable to Buyer or any third party under any cause of action or theory of liability, even if advised of the possibility of such damages, for any: (a) special, indirect, incidental, punitive, or consequential damages; (b) lost profits, revenues, data, customer opportunities, business, anticipated savings or goodwill; (c) business interruption; or (d) data loss or other losses arising from viruses, ransomware, cyber-attacks or failures or interruptions to network systems. In any case, the entire aggregate liability of the Seller Parties under this Agreement for all damages, losses and causes of action, whether in contract, tort (including negligence), or otherwise) shall be limited to the purchase price paid by Buyer hereunder.**

**(9) PATENTS.** Seller shall defend, or at its option settle, any action against Buyer brought by a third party to the extent that the action is based upon a claim that the products or equipment provided under the Agreement in the United States infringes any U.S. patents or copyrights 9or in Canada infringes on any Canadian patents or copyrights), or misappropriates any trade secrets of a third party ("Claim"), provided that: (i) Buyer gives Seller prompt written notice of any such Claim, (ii) Buyer gives Seller full authority to defend or settle any such Claim, and (iii) Buyer gives Seller proper and full information and assistance, at Seller's expense (except for Buyer's employees' time) to defend or settle any such Claim. Seller will pay those costs and damages finally awarded against Buyer in the action that are specifically attributable to the claim or those costs and damages agreed to in a monetary settlement of the action. **THE FOREGOING IS IN LIEU OF ANY WARRANTIES OF NONINFRINGEMENT, WHICH ARE HEREBY DISCLAIMED.** The foregoing obligation of Seller does not apply with respect to products or equipment or portions or components thereof (a) not supplied by Seller, (b) made in whole or in part in accordance to Buyer or owner specifications, (c) which are modified after shipment by Seller, if the alleged infringement related to such modification, (d) combined with other products, processes or materials where the alleged infringement relates to such combination, (e) where Buyer continues allegedly infringing activity after being notified thereof and/or after being informed of modifications that would have avoided the alleged infringement without significant loss of performance or functionality, or (f) where Buyer's use of the product or equipment is incident to an infringement not resulting primarily from the product or equipment; Buyer will indemnify Seller and its officers, directors, agents, and employees from all damages, settlements, attorneys' fees and expenses related to a claim of infringement, misappropriation, defamation, violation of rights of publicity or privacy excluded from Seller's indemnity obligation herein.

**(10) ONE YEAR CLAIMS LIMITATION; FORUM; CHOICE OF LAW.** Seller shall have the sole and exclusive right to determine whether any dispute, controversy or claim arising out of or relating to the Agreement, or the breach thereof, shall be submitted to a court of law or arbitrated. For Buyers located in the United States, the laws of Delaware shall govern the validity, enforceability, and interpretation of this Agreement, without regard to conflicts of law principles thereof, and the exclusive venue for any such litigation or arbitration shall be in Milwaukee, Wisconsin. For Buyers located in Canada, this Agreement shall be governed by and be construed in accordance with the laws of Ontario, without regard to

conflicts of law principles thereof, and the exclusive venue for any such litigation or arbitration shall be in Ontario, Canada. The parties waive any objection to the exclusive jurisdiction of the specified forums, including any objection based on forum non conveniens. In the event the matter is submitted to a court, Seller and Buyer hereby agree to waive their right to trial by jury. In the event the matter is submitted to arbitration by Seller, the costs of arbitration shall be borne equally by the parties, and the arbitrator's award may be confirmed and reduced to judgement in any court of competent jurisdiction. If Seller prevails in any collection action, Buyer will pay all of Seller's reasonable collection costs (including legal fees and expenses). Except as provided below, no claim or cause of action, whether known or unknown, shall be brought by either party against the other more than one year after the claim first arose. Claims not subject to the one-year limitation include claims for unpaid: (1) contract amounts, (2) change order amounts (approved or requested) and (3) delays and/or work inefficiencies.

**(11) SOFTWARE AND DIGITAL SERVICES; DATA.** If Seller provides Digital Enabled Services under this Agreement, these Digital Enabled Services require the collection, transfer and ingestion of building, equipment, system time series, and other data to Seller's cloud-hosted software applications. Buyer consents to and grants Seller right to collect, ingest and use such data to enable Seller and its affiliates and agents to provide, maintain, protect, develop and improve the Digital Enabled Services and Seller products and services. Buyer acknowledges that, while Digital Enabled Services generally improve equipment performance and services, Digital Enabled Services do not prevent all potential malfunction, insure against all loss, or guarantee a certain level of performance. Buyer shall be solely responsible for the establishment, operation, maintenance, access, security and other aspects of its computer network ("Network"), shall appropriately protect hardware and products connected to the Network and will supply Seller secure Network access for providing its Digital Enabled Services. As used herein, "Digital Enabled Services" mean services provided hereunder that employ Seller software and related equipment installed at Buyer facilities and Seller cloud-hosted software offerings and tools to improve, develop, and enable such services. Digital Enabled Service may include, but are not limited to, (a) remote servicing and inspection, (b) advanced equipment fault detection and diagnostics, and (c) data dashboarding and health reporting. If Buyer accesses and uses Software that is used to provide the Digital Enabled Services, the Software Terms (defined below) will govern such access and use.

**SELLER DIGITAL SOLUTIONS.** Use, implementation, and deployment of the software and hosted software products ("Software") offered under these terms shall be subject to, and governed by, Seller's standard terms for such Software and Software related professional services in effect from time to time at [www.johnsoncontrols.com/techterms](http://www.johnsoncontrols.com/techterms) (collectively, the "Software Terms"). Specifically, the Seller General EULA set forth at [www.johnsoncontrols.com/buildings/legal/digital/generaleula](http://www.johnsoncontrols.com/buildings/legal/digital/generaleula) governs access to and use of software installed on Buyer's premises or systems and the Seller Terms of Service set forth at [www.johnsoncontrols.com/buildings/legal/digital/generaltos](http://www.johnsoncontrols.com/buildings/legal/digital/generaltos) govern access to and use of hosted software products. The applicable Software Terms are incorporated herein by this reference. Other than the right to use the Software as set forth in the Software Terms, Seller and its licensors reserve all right, title, and interest (including all intellectual property rights) in and to the Software and improvements to the Software. The Software that is licensed hereunder is licensed subject to the Software Terms and not sold. If there is a conflict between the other terms herein and the Software Terms, the Software Terms shall take precedence and govern with respect to rights and responsibilities relating to the Software, its implementation and deployment and any improvements thereto.

Notwithstanding any other provisions of this Agreement, unless otherwise agreed, the following terms apply to Software that is provided to Buyer on a subscription basis (i.e., a time limited license or use right), (each a "Software Subscription"): Each Software Subscription provided hereunder will commence on the date the initial credentials for the Software are made available (the "Subscription Start Date") and will continue in effect until the expiration of the subscription term noted in the applicable statement of work, order or other applicable ordering document. At the expiration of the Software Subscription, such Software Subscription will automatically renew for consecutive one (1) year terms (each a "Renewal Subscription Term"), unless either party provides the other party with a notice of non-renewal at least ninety (90) days prior to the expiration of the then-current term. To the extent permitted by applicable law, Software Subscriptions purchases are non-cancelable, and the sums paid nonrefundable. Fees for Software Subscriptions shall be paid annually in advance, invoiced on the Subscription Start Date and each subsequent anniversary thereof. Buyer shall pay all invoiced amounts within thirty calendar days after the date of invoice. Payments not made within such time period shall be subject to late charges as set forth in the Software Terms. Unless otherwise agreed by the parties in writing, the subscription fee for each Renewal Subscription Term will be priced at Seller's then-applicable list price for that Software offering. Any use of Software that exceeds the scope, metrics or volume set forth in this Agreement and applicable SOW will be subject to additional fees based on the date such excess use began.

**(12) PRIVACY. Seller as Processor:** Where Seller factually acts as Processor of Personal Data on behalf of Buyer (as such terms are defined in the DPA) the terms at [www.johnsoncontrols.com/dpa](http://www.johnsoncontrols.com/dpa) ("DPA") shall apply. **Seller as Controller:** Seller will collect, process and transfer certain personal data of Buyer and its personnel related to the business relationship between it and Buyer (for example names, email addresses, telephone numbers) as controller and in accordance with Seller's Privacy Notice at <https://www.johnsoncontrols.com/privacy>. Buyer acknowledges Seller's Privacy Notice and strictly to the extent consent is mandatorily required under applicable law, Buyer consents to such collection, processing and transfer. To the extent consent to such collection, processing and transfer by Seller is mandatorily required from Buyer's personnel under applicable law, Buyer warrants and represents that it has obtained such consent.

### **(13) MISCELLANEOUS**

**(a) CHANGES OF CONSTRUCTION AND DESIGN:** Seller reserves the right to change or revise the construction and design of the products or equipment purchased by Buyer, without liability or obligation to incorporate such changes to products or equipment ordered by Buyer unless specifically agreed upon in writing reasonably in advance of the delivery date for such products or equipment. Buyer agrees to bear the expense of meeting any changes or modifications in the scope of this Agreement or in local code requirements which become effective after Seller has accepted Buyer's order.

**(b) CHARACTER OF PRODUCT AND SECURITY INTEREST:** The goods delivered by Seller under the terms of the Agreement shall remain personal property and retain its character as such no matter in what manner affixed or attached to any structure or property. Buyer grants Seller a security interest in said goods, any replacement parts and any proceeds thereof until all sums due Seller have been paid to it in cash. This security interest shall secure all indebtedness or obligations of whatsoever nature now or hereafter owing Buyer to Seller. Buyer shall pay all expenses of any nature whatsoever incurred by Seller in connection with said security interest. Notwithstanding anything to the contrary contained herein, the terms of this Agreement shall be subject to the mechanics lien legislation applicable to the location where the work will be performed.

**(c) INSURANCE:** Buyer agrees to insure the goods delivered under the Agreement in an amount at least equal to the purchase price against loss or damage from fire, wind, water or other causes. The insurance policies are to be made payable to Seller and Buyer in accordance with their respective interests, and when issued are to be delivered to Seller and held by it. Failure to take out and maintain such insurance shall entitle Seller to declare the entire purchase price to be immediately due and payable and shall also entitle Seller to recover possession of said goods.

**(d) INSTALLATION:** If installation by the Seller is included within the Seller's Quotation, Buyer shall provide all of the following at its own expense and at all times pertinent to the installation: i) free, dry, and reasonable access to Buyer's premises; and ii) proper foundations, lighting, power, water and storage facilities reasonably required. If any change in the scope of this Agreement or schedule for performance is ordered or directed by the Buyer (or any other party to the installation other than Seller) or any Force Majeure Event causes an increase in the cost or time

required for Seller's performance of the work, Buyer shall make an upward equitable adjustment in the contract price or time of performance or both. Seller's additional costs, plus reasonable overhead and profit, shall be paid in full no later than 30 days from completion of such work.

**(e) COMPLIANCE WITH LAWS:** Seller's obligations are subject to the export administration and control laws and regulations of the United States and Canada. Buyer shall comply fully with such applicable laws and regulation in the export, resale or disposition of purchased products or equipment. Quotations or proposals made, and any orders accepted by Seller from a Buyer outside the United States or Canada are with the understanding that the ultimate destination of the products or equipment is the country indicated therein. Diversion of the products or equipment to any other destination contrary to the United States or Canada, as applicable, is prohibited. Accordingly, if the foregoing understanding is incorrect, or if Buyer intends to divert the products or equipment to any other destination, Buyer shall immediately inform Seller of the correct ultimate destination.

**(f) FAR.** Seller supplies "commercial items" within the meaning of the Federal Acquisition Regulations (FAR), 48 CFR Parts 1-53. As to any Buyer order for a U.S. Government contract, Seller will comply only with those mandatory flow-downs for commercial item and commercial services subcontracts listed either at FAR 52.244-6, or 52.212-5(e)(1), as applicable.

**(g) BUYER RESPONSIBILITIES:** Buyer is solely responsible for the establishment, operation, maintenance, access, security and other aspects of its computer network ("Network") and shall supply Seller secure Network access for providing its services. Products networked, connected to the internet, or otherwise connected to computers or other devices must be appropriately protected by Buyer and/or end user against unauthorized access. Buyer is responsible to take appropriate measures, including performing back-ups, to protect information, including without limit data, software, or files (collectively "Data") prior to receiving the service or products.

**(h) FORCE MAJUERE:** Seller shall not be liable, nor in breach or default of its obligations under this Agreement, for delays, interruption, failure to render services, or any other failure by Seller to perform an obligation under this Agreement, where such delay, interruption or failure is caused, in whole or in part, directly or indirectly, by a Force Majeure Event. A "Force Majeure Event" is a condition or event that is beyond the reasonable control of Seller, whether foreseeable or unforeseeable, including, without limitation, acts of God, severe weather (including but not limited to hurricanes, tornados, severe snowstorms or severe rainstorms), wildfires, floods, earthquakes, seismic disturbances, or other natural disasters, acts or omissions of any governmental authority (including change of any applicable law or regulation), epidemics, pandemics, disease, viruses, quarantines, or other public health risks and/or responses thereto, condemnation, strikes, lock-outs, labor disputes, an increase of 5% or more in tariffs or other excise taxes for materials to be used on the project, fires, explosions or other casualties, thefts, vandalism, civil disturbances, insurrection, mob violence, riots, war or other armed conflict (or the serious threat of same), acts of terrorism, electrical power outages, interruptions or degradations in telecommunications, computer, network, or electronic communications systems, data breach, cyber-attacks, ransomware, unavailability or shortage of parts, materials, supplies, or transportation, or any other cause or casualty beyond the reasonable control of Seller. If Seller's performance of the work is delayed, impacted, or prevented by a Force Majeure Event or its continued effects, Seller shall be excused from performance under the Agreement. Without limiting the generality of the foregoing, if Seller is delayed in achieving one or more of the scheduled milestones set forth in the Agreement due to a Force Majeure Event, Seller will be entitled to extend the relevant completion date by the amount of time that Seller was delayed as a result of the Force Majeure Event, plus such additional time as may be reasonably necessary to overcome the effect of the delay. To the extent that the Force Majeure Event directly or indirectly increases Seller's cost to perform the services, Buyer is obligated to reimburse Seller for such increased costs, including, without limitation, costs incurred by Seller for additional labor, inventory storage, expedited shipping fees, trailer and equipment rental fees, subcontractor fees, compliance with vaccination requirements or other costs and expenses incurred by Seller in connection with the Force Majeure Event.

**(i) ONE-YEAR CLAIMS LIMITATION:** No claim or cause of action, whether known or unknown, shall be brought against Seller more than one year after the claim first arose. Except as provided for herein, Seller's claims must also be brought within one year. Claims for unpaid contract amounts are not subject to the one-year limitation.

**(j) ASSIGNMENT.** This Agreement is not assignable by the Buyer except upon written consent of Seller first being obtained. Seller shall have the right to assign this Agreement, in whole or in part, or to subcontract any of its obligations under this Agreement without notice to Buyer.
