PROJECT: SR#H8093 &8094
John F. Kennedy High School
6715 Gloria Drive
Sacramento, CA 95831

Attention: EH Plan Review Applicant,

Sacramento County Environmental Management Department (EMD) has reviewed and approved the plans submitted for the above facility. An electronic copy of the approved plans has been returned to you via web portal. These plans contain important conditions of approval that must be adhered to during the construction and inspection process.

Changes or modifications to the approved plans must be reported to EMD immediately. A resubmittal fee may be required depending on the extent of the proposed changes.

Plan approval shall become null and void if work does not commence within 365 days from the date of approval.

****IMPORTANT**** It is the facility owner's responsibility to download, print, and distribute these plans as needed. A copy of the EMD approved plans must be present at the job site during the construction and inspection process. Failure to meet this requirement may result in reinspection fees and delays in the permit approval process.

Contact our office at 916-874-6010 or by email at EHPlanReview@saccounty.gov when you are ready to schedule your first inspection. Inspection slots are limited so we recommend that you schedule your inspection at least two weeks prior to the desired inspection date.

Sincerely,

Manroop Shergill
