

# Attend a Regional TK and Kindergarten Enrollment Event

The Sacramento City Unified School District (SCUSD) is hosting regional enrollment events to assist families with online enrollment applications for **Transitional Kindergarten (TK)** and **Kindergarten**. These events are designed to support families with technology or help filling out their applications.

**Online registration for TK and Kindergarten will open on January 13, 2025.**

To register for kindergarten, families will need to provide photo identification, address verification, proof of birth documentation, and the child's immunization record.

All events provide enrollment support for ALL TK and Kindergarten locations.
