Important Back-to-School Annual Update

We encourage families to complete the Annual Student Information Update in Infinite Campus, our student information system, as soon as possible.

The Annual Student Information Update asks families to update emergency contact information, review and sign the 2024-2025 Parent and Student Rights Notification and Standards of Behavior Handbook and review demographic information to help schools prepare for the new school year. It only takes a few minutes to complete, and it is critical that we have your most up-to-date contact information so that you receive communications from SCUSD and your school site.

Visit scusd.edu and click "Infinite Campus" at the top of the homepage to complete the Annual Student Information Update by August 31. If you don't have an Infinite Campus parent/guardian portal set up already, visit your school site office to request your activation key.
